A Dictionary of the English Language 1892 china has emerged in the 21st century as a sophisticated and sometimes contentious actor in the united nations security council this is evident in a range of issues from negotiations on iran s nuclear program to efforts to bring peace to darfur yet china s role as a veto holding member of the council has been left unexamined how does it formulate its positions what interests does it seek to protect how can the international community encourage china to be a contributor and not a spoiler this book is the first to address china s role and influence in the security council it develops a picture of a state struggling to find a way between the need to protect its stakes in a number of rogue regimes on one hand and its image as a responsible rising power on the world stage on the other negotiating this careful balancing act has mixed implications and means that whilst china can be a useful ally in collective security it also faces serious constraints providing a window not only into china s behaviour but into the complex world of decision making at the unsc in general the book covers a number of important cases including north korea iran darfur burma zimbabwe libya and syria drawing on extensive interviews with participants from china the us and elsewhere this book considers not only how the world affects china but how china impacts the world through its behaviour in a key international institution as such it will be of great interest to students and scholars working in

the fields of chinese politics and chinese international relations as well as politics international relations international institutions and diplomacy more broadly

An Analysis of Derivative Words in the English Language 1870 this book examines three consecutive famines in cambodia during the 1970s exploring both continuities and discontinuities of all three cambodia experienced these consecutive famines against the backdrop of four distinct governments the kingdom of cambodia 1953 1970 the u s supported khmer republic 1970 1975 the communist democratic kampuchea 1975 1979 and the vietnamese controlled people s republic of kampuchea 1979 1989 famine in cambodia documents how state induced famine constituted a form of sovereign violence and operated against the backdrop of sweeping historical transformations of cambodian society it also highlights how state induced famines should not be solely framed from the vantage point in which famine occurs but should also focus on the geopolitics of state induced famines as states other than cambodia conditioned the famine in cambodia drawing on an array of theorists including michel foucault giorgio agamben and achille mbembe james a tyner provides a conceptual framework to bring together geopolitics biopolitics and necropolitics in an effort to expand our understanding of state induced famines tyner argues that state induced famine constitutes a form of sovereign violence a form of power that both takes life and disallows life
