inspired by the little mermaid coral explores what it means to be human in a world where humanity often seems lost coral has always been different standing out from her mermaid sisters in a society where blending in is key she fears she has been afflicted with the dreaded disease said to be carried by humans emotions her sister had the disease and red tide took her away will it come for coral next above the sea brooke has nothing left to give depression and anxiety have left her feeling isolated forgotten the only thing she can rely on is the numbness she finds within the cool and comforting ocean waves if only she weren t stuck at a new group therapy home that promises a second chance at life but what s the point of living if her soul is destined to bleed merrick may be san francisco s golden boy but he wants nothing more than to escape his controlling father when his younger sister s suicide attempt sends merrick to his breaking point escape becomes the only option if he can find their mom everything will be made right again right when their worlds collide all three will do whatever it takes to survive but what and who must they leave behind for life to finally begin praise for coral this heart wrenching tale will pull you under its spell annie sullivan author of a touch of gold and tiger queen a beautiful reimagining lauren mansy author of the memory thief a breathless powerful journey of the heart and mind lindsay a franklin award winning author of the story peddler a stand alone full length young adult novel trigger warning suicide and depression

Chronicle of the Horse

1986

thomas sayre came with his family from england to lynn massachusetts in the early 1630 s among descendants of thomas were clergymen surgeons attorneys ambassadors and representatives of almost every profession francis b cowboy professor of law and ambassador was son in law of former president woodrow wilson zelda was the wife of american novelist f scott fitzgerald and subject of one of his books david a was a silversmith banker and founder of lexington s sayre school many sayre descendants were taken by wars in service to america and never had the chance to win recognition for their inherent abilities sayre family another 100 years in a large part focuses on the early pioneers who came to or passed through the ohio valley of west virginia and ohio at least three direct descendants of thomas had made settlements in that area by the nineteenth century one david sayre came from new jersey about 1778 and left many descendants who still lived in that area at the beginning of the twenty first century the bulk of this genealogy covers those while other sayre families whose ancestral links were not discovered are also included the three generations of ancestors above each family block makes tracing easier

Out from the Blue Ridge

1984

the information herein was accumulated of fifty some odd years the collection process started when tv first came out and continued until today the books are in alphabetical order and cover shows from the 1940s to 2010 the author has added a brief explanation of each show and then listed all the characters who played the roles and for the most part the year or years the actor or actress played that role also included are most of the people who created the shows the producers directors and the writers of the shows these books are a great source of trivia information and for most of the older folk will bring back some very fond memories i know a lot of times we think back and say who was the guy that played such and such a role enjoy

the most trusted guide to the world of children s publishing if you write or illustrate for young readers with the hope of getting published the 2015 children s writer s illustrator s market is the trusted resource you need now in its 27th edition cwim is the definitive publishing guide for anyone who seeks to write or illustrate for kids and young adults

inside you'll find more than 500 listings for children's book markets, publishers, agents, magazines, and more, including a point of contact, how to properly submit your work, and what categories each market accepts. You'll also find interviews with creators of today's successful children's books, including James Dashner's *The Maze Runner* series, Lauren Stiefano's *Wither* series, and illustrator Loren Long of *The I Sing With Barack Obama*. Success stories and advice from 13 debut authors and 9 debut illustrators, informative articles on how to write for boys and other reluctant readers, how to write and sell children's nonfiction, how to sell your picture book, the difference between young adult and middle grade, and much more. Includes access to the webinar *Be Your Own Editor: Tips for Self-Editing Your Children's Book* from editor Harold Underdown. This 60-minute webinar shows how to take your work and transform it into something great that will get editors, agents, and readers excited. It's taught by Harold Underdown, who is both the editor of the popular *KidLit* website, *The Purple Crayon*, and the author of *The Complete Idiot's Guide to Publishing Children's Books*. The truth is that getting a first draft completed is just the beginning for any writer; you've got to refine, revise, polish, and overhaul your writing to make it the finest final product it can be, and that's exactly what this webinar will teach you how to do.

published in two parts, the general index of all Washington descendants and their spouses completes a ten-volume history that traces the presidential line of the Washington family in America. Volume one began with the immigrant John Washington, who settled in Westmoreland County, VA, in 1657, married Anne Pope, and became the great-grandfather of President George Washington. It contained the record of their descendants for a total of seven generations. Subsequent volumes two through eight continued this family history for an additional eight generations, also highlighting most notable members. Volume two and tracing lines of descent from the royalty and nobility of England and continental Europe. Volume three, volume nine, treated in detail the recently discovered line of William Wright, who died in Franklin County, VA, ca. 1809. It also provided briefer accounts of five other southern Wright families that have often been mentioned by researchers as close kinsmen of George Washington. Advance praise at long last: the Washingtons have a published history worthy of their place in history. Glenn has done a masterful job. I am convinced that his work will be of wide interest to historians and academics, as well as members of the Washington family itself. Although the surname Washington is perhaps the best known in American history, and much has been written about the Washington family for well over a century, it is surprising that no comprehensive family history has been published. Justin M. Glenn's *The Washingtons: A Family History* finally fills this void for the branch to which General and President George Washington belonged, identifying some 63,000 descendants. This is truly a family history, not a mere tabulation of names and dates, providing biographical accounts of many of the descendants of John Washington, who settled in Westmoreland County, Virginia, in 1657. John Frederick Dorman, editor of the *Virginia Genealogist* (1957-2006) and author of *Adventurers of Purse and Person: Decades of Reviewing Civil War Books*, have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible. Dr. Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail. Many of them, confederates of interest and importance. Robert K. Krick, author of *The Smoothbore Volley That Doomed the Confederacy and Stonewall Jackson at Cedar Mountain*.
