Plato and the Question of Beauty

2008-05-28

drew a hybrid one of continental philosophy's keenest interpreters of plato takes up the question of beauty in three platonic dialogues the hippias major symposium and phaedrus what plato meant by beauty is not easily characterized and hybrid's close readings show that plato ultimately gives up on the possibility of a definition plato's failure however tells us something important about beauty that it cannot be reduced to logos exploring questions surrounding love memory and ideal form hybrid draws out the connections between beauty the possibility of philosophy and philosophical living this new reading of plato provides a serious investigation into the meaning of beauty and places it at the very heart of philosophy

The Question and the Answer

in post holocaust philosophy anti semitism has come to be seen as a paradigmatic political and ideological evil jews out of the question examines the role that opposition to anti semitism has played in shaping contemporary political philosophy elad lapidot argues that post holocaust philosophy identifies the fundamental epistemological evil of anti semitic thought not in thinking against jews but in thinking of jews in other words what philosophy denounces as anti semitic is the figure of the jew in thought lapidot reveals how paradoxically opposition to anti semitism has generated a rejection of jewish thought in post holocaust philosophy through critical readings of political philosophers such as adorno horkheimer sartre arendt badiou and nancy the book contends that by rejecting jewish thought the opposition to anti semitism comes dangerously close to anti semitism itself and at work in this rejection is a problematic understanding of the relations between politics and thought a troubling political epistemology lapidot's critique of this political epistemology is the book's ultimate aim

Jews Out of the Question
