All The Right Notes 2017-05-09

milo knox rocked grace morrison s world now he s going to rock yours sexy charismatic rock star milo knox is known for several things his music his excesses and not taking no for an answer so when beautiful blonde college grad grace morrison steps into his life only to tell him she s not interested he offers her the one thing she can t refuse her dream job working as a publicist for her favorite band which also happens to be his own the waywards the waywards were the darlings of the 90s before milo s substance abuse issues and personal demons drove them into obscurity

now clean and sober he's determined to make a new start both with the band and with grace if she'll just let him and let herself live her own life free of the shadows of her past but old sins cast long shadows and the past rarely stays buried in their case it threatens to tear them apart

Imani Finds the Right Notes 2024-01-01

shimmer sparkle twirl i am a confident girl it's almost time for the big music recital imani wants to play the piano beautifully but she keeps hitting the wrong notes how will she be ready for her performance read woken books are created in partnership with cicely lewis the read woke librarian to reflect the diversity of our world

Inside Early Music 2003-10-09

the attempt to play music with the styles and instruments of its era commonly referred to as the early music movement has become immensely popular in recent years for instance billboard's top classical albums of 1993 and 1994 featured anonymous 4 who sing medieval music and the best selling beethoven recording of 1995 was a period instruments symphony cycle led by john eliot gardiner who is deutsche grammophon's top selling living conductor but the movement has generated as much controversy as it has best selling records not only about the merits of its results but also about the validity of its approach to what degree can we recreate long lost performing styles how important are historical period instruments for the performance of a piece why should musicians bother with historical information are they sacrificing art to scholarship now in *Inside Early Music* bernard d sherman has invited many of the leading practitioners to speak out about their passion for early music why they are attracted to this movement and how it shapes their work readers listen in on conversations with conductors gardiner william christie and roger norrington peter phillips of the tallis scholars vocalists susan hellauer of anonymous 4 forte pianist robert levin cellist anner bylsma and many other leading artists the book is divided into musical eras medieval renaissance baroque and classic and romantic with each interview focusing on particular composers or styles touching on heated topics such as the debate over what is authentic the value of playing on period instruments and how to interpret the composer's intentions whether debating how to perform monteverdi's madrigals or comparing andrew lawrence king's renaissance harp playing to jazz the performers convey not only a devotion to the spirit of period performance but the joy of discovery as they struggle to bring the music most truthfully to life spurred on by sherman's probing questions and immense knowledge of the subject these conversations movingly document the aspirations growing pains and emerging maturity of the most exciting movement in contemporary classical performance allowing each artist's personality and love for his or her craft to shine through from medieval

plainchant to brahms orchestral works inside early music takes readers whether enthusiasts or detractors behind the scenes to provide a masterful portrait of early music s controversies challenges and rewards

Philosophy of Western Music 2020-04-08

this is the first comprehensive book length introduction to the philosophy of western music that fully integrates consideration of popular music and hybrid musical forms especially song its author andrew kania begins by asking whether bob dylan should even have been eligible for the nobel prize in literature given that he is a musician this motivates a discussion of music as an artistic medium and what philosophy has to contribute to our thinking about music chapters 2 5 investigate the most commonly defended sources of musical value its emotional power its form and specifically musical features such as pitch rhythm and harmony in chapters 6 9 kania explores issues arising from different musical practices particularly work performance with a focus on classical music improvisation with a focus on jazz and recording with a focus on rock and pop chapter 10 examines the intersection of music and morality the book ends with a consideration of what ultimately music is key features uses popular song examples throughout but also discusses a range of musical traditions notably rock pop classical and jazz explains both philosophical and musical terms when they are first introduced provides publicly accessible spotify playlists of the musical examples discussed in the book each chapter begins with an overview and ends with questions for testing comprehension and stimulating further thought along with suggestions for further reading

A Musician's Alphabet 2013-11-07

have you ever wondered whether musicians notice the audience or are influenced by them wanted to know how performers might learn particularly difficult pieces thought about the terms old and young in reference to music using the letters of the alphabet as her starting point susan tomes presents a series of lively reflections on performing music and on the classical music world drawing on her international experience as a solo pianist and chamber musician she offers intriguing insights into rehearsal and practice coping with nerves and on the relationship between musicians and their audience the book also contains thought provoking meditations on the role of classical music in society and the most rewarding attitudes to performance this pocket sized musical a to z is an invaluable guide and is a must for anyone interested in what makes musicians tick

Beyond the Notes 2004

susan tomes a leading musician describes her experience of twenty years of rehearsal concerts and recording
