counting up year by year from 1 to 104 this fascinating collection of human feats and follies is for all who suspect that their lives have yet to start or have passed them by feel too young to be the older woman chill anne bancroft was a wee 37 when she played the most experienced of seductresses mrs robinson in the graduate amazed that even after decades as an adult you still don t know yourself relax freud was 41 before he put himself on the couch illustrated with droll original drawings what s in an age will awe encourage calm and prove that people do amazing and unexpected things at every age from the invigorating at 78 grandma moses takes up painting to the just plain baffling 97 year old simon stern of wisconsin divorces his 91 year old bride ida what s in an age is a handbook for overcoming any age complex topics include government intervention and economic growth in east asia agricultural nationalism in the age of globalization japan s dominance and multi racial coalitions in malaysia in this book leading scholars analyze the important role played by copyright exceptions in economic and cultural productivity this magical book is a love letter to the artists whose imagination and cleverness transport us and unite us and to the beauty and fragility of their performance when i read it i feel like i am constantly on the joyful edge of falling in love trying so hard to keep hold of the feelings evoked a very precious book in our precarious times vicky featherstone an anthology of critical essays that draw on a decade of the authors thinking writing about and working within contemporary performance as critics producers dramaturgs makers archivists and more together the 40 essays sketch a map of the contemporary performance landscape from avant garde dance to live art to independent theatre tracing the contours of its themes aims desires and relationship to the wider worlds of mainstream theatre art and politics each essay focuses on a particular artist and these include bryony kimmings dickie beau forced entertainment scottee selina thompson tania el khoury and uninvited guests reflecting the radical nature of the work considered the authors attempt to find a new vocabulary and a non conventional way of considering live performance in these essays as both a fresh survey of contemporary performance and an exploration of how to think and write about upstream and avant garde work this book should be an essential resource for students artists and audiences as well as an accessible entry point for anyone curious to know about the beautiful and strange things happening beyond the uk s theatrical mainstream following the 2008 global financial crisis canada appeared to escape the austerity implemented elsewhere but this was spin hiding the reality a closer look reveals that the provinces responsible for delivering essential public and social services such as education and healthcare shouldered the burden the public sector in an age of austerity examines public sector austerity in the provinces and territories specifically addressing how austerity was implemented what forms austerity agendas took from regressive taxes and new user fees to public sector layoffs and privatization schemes and what if any political responses resulted contributors focus on the period from 2007 to 2015 the global financial crisis and the period of fiscal consolidation that followed while also providing a longer historical context austerity is not a new phenomenon a granular examination of each jurisdiction identifies how changing fiscal conditions have affected the delivery of public services and restructured public finances highlighting the consequences such changes have had for public sector workers and users of public services the first book of its kind in canada the public sector in an age of austerity challenges conventional wisdom by showing that canada did not escape post crisis austerity and that its recovery has been vastly overstated leaders continue to fail at an alarming rate at the highest levels of business politics sports and entertainment many of these failures are the result of self inflicted wounds brought on by a lack of character against a rising tide of narcissism and ego humility has quietly re emerged as the crucial leadership quality for the twenty first century knowledge economy andrew kerr a certified expert on change management and leadership blends powerful storytelling with the latest research to reveal how humility creates a distinct competitive advantage for individual leaders and their organizations learn how to proactively increase your personal level of humility avoid the catastrophic humiliations that can occur when egos go unchecked develop employees and get the most out of teams build genuine trust with employees peers and business partners are you too busy to pay much attention to your money do you worry that maybe you haven t been doing the right things this
