The Police and the Expansion of Public Order Law in Britain, 1829-2014 2015-05-15

incidences of public disorder and the manner in which they have been suppressed have repeatedly ignited debate on the role of policing the effectiveness of current legislation and the implications for human rights and civil liberties these same issues have reverberated throughout british history and have frequently resulted in the enactment of new legislation that reactively aimed to counter the specific concern of that era this book offers a detailed analysis of the expansion of public order law in the context of the historical and political developments in british society the correlation of key historical events and the enactment of consequent legislation is a key theme that resonates throughout the book and demonstrates the expanding influence of the law on public assemblies and protest which has continued to criminalise and prohibit certain social behaviours crucial movements in britain s social and political history who have all engaged in or have provoked public disorder are examined in the book other incidents of riot and disorder such as the featherstone riot 1893 the battle of cable street 1936 the inner city riots 1980s and the uk riots 2011 are also covered by positioning legal developments within their historical context the book demonstrates the ebb and flow between the prominence of the competing demands of the liberties of free expression and assembly on the one hand and the protection of the general public and property on the other this book is essential reading for academics and students in the fields of criminology history and law

Catholics in Britain and Ireland 1998-09-23 in this new study michael mullett examines the social political and religious development of catholic communities in england wales scotland and ireland from the reformation to the arrival of toleration in the nineteenth century the story is a sequence from active persecution through unofficial tolerance to legal recognition dr mullett brings together original research with the new insights of specialist monographs and articles over recent years and provides indispensable information on how britain s and particularly ireland s present religious situation has evolved the book also offers a timely updated review of the role religion has played in the emergence of collective identities in britain and ireland between 1558 1829 controversial and shaking some long held assumptions the book is strongly argued on the basis of extensive research and a review of the existing literature

The Protestant Crusade in Great Britain, 1829-1860 1879 a study of the anti catholic movement in 19th century britain catholic emancipation in 1829 was followed by a protestant backlash stimulated by the growth of the evangelical movement and of catholicism and the political endeavours of irish and british Tories

British and Foreign State Papers 1875 this book offers a unique and fascinating examination of british and irish responses to italian independence and unification in the mid nineteenth century chapters explore the interplay of religion politics exile feminism colonialism and romanticism in fuelling impassioned debates on the italian question on both sides of the irish sea

The Ecclesiastical Cyclopædia ... Fifth Edition 2015-04-28 ida louisa lee 11 february 1865 3 october 1943 historian and poet was born at kelso new south wales she was elected a fellow of the royal geographical society in 1914 and an honorary fellow of the royal australasian historical society lee wrote a number of historical texts some of which contain previously unpublished material lee was the third child of grazier and politician george lee and louisa née kite on a visit to england lee married charles john bruce marriott 1861 1936 on 14 october 1891 at the parish church felixstowe suffolk

Britain, Ireland and the Italian Risorgimento 1834 after 1815 the usual form became a number of chapters on britain paying particular attention to the proceedings of parliament followed by chapters covering other countries in turn no longer limited to europe the expansion of the history came at the expense of the sketches reviews and other essays so that the nineteenth

century publication ceased to have the miscellaneous character of its eighteenth century forebear although poems continued to be included until 1862 and a small number of official papers and other important texts continue to be reproduced to this day includes a long historical essay on the history of the present war the seven years war 1756 63 in his preface to the 1758 volume burke noted the difficulties he had faced in writing the history section of the book taking the broken and unconnected materials and creating from them one connected narrative had been he commented a work of more labour than may at first appear the 1758 volume is considered a unique contemporaneous account of the seven years war analyzing its origins and development with a perspective not readily available at the time in newspapers or magazines The Domestic and Financial Condition of Great Britain; Preceded by a Brief Sketch of Her Foreign Policy; and of the Statistics and Politics of France, Russia, Austria, and Prussia 2020-12-21 this book presents an in depth study of the impact of the steamship on britain during its first forty years roughly between 1810 and 1850 it relates the early steamship to several industrial themes including diffusion construction modernisation the role of government particularly the difficult attempt to align laissez faire politics with the greater need for public safety measures due to technological advance business and finance plus public reaction and tourism the aim is to establish the significance of the steamship as a conduit of modernisation and societal change it consists of a foreword introduction and fourteen chapters devoted to specific themes structured to ensure each chapters build on the preceding chapter s progress collectively they demonstrate that the development of both experience and enterprise with steam power both gained and refined during this period made the mid century expansion of steamship technology across britain possible ultimately it establishes that steamship services began to adapt to oceanic routes steam began to integrate into the world economy and the age of sail began to draw to a close

The Coming of the British to Australia, 1788 to 1829 (Esprios Classics) 1830 it has been claimed by fertility experts that embryos can be screened for 6 000 diseases thereby the risk of x linked diseases can be minimised by cherry picking male embryos that do not carry the abnormal gene if medical scientists continue to strive for cures genetic aberrance in human could be a phenomenon of the past this challenging book explores issues of professional integrity and ethics underpinning medical research it includes real life case studies where public trust in medical research has been misplaced and encourages medical professionals to adhere to professional codes of conduct and be informed about their decision making process it is vital reading for undergraduate and postgraduate students of medicine law sociology and social policy philosophy health related research and ethics practising researchers in medicine and the pharmaceutical industry and their managers will find it invaluable the text provides motivation for academics and educators with an interest in research and governance healthcare policy makers and shapers patient rights groups campaigners and the general media will find the information enlightening over the last four decades medicine has given hope to many people and saved many lives as a result of the ability of the physicians and surgeons to develop new treatments and innovative surgical techniques while we can celebrate the success of medical science we should also critically examine some of these developments against principles and in the light of public opinion philip cheung

The Annual Register, Or, A View of the History, Politics, and Literature for the Year ... 1835 for the ruling and propertied classes of the late eighteenth century the years following the french revolution were characterized by intense anxiety monarchs and their courtiers lived in constant fear of rebellion convinced that their power and their heads were at risk driven by paranoia they chose to fight back against every threat and insurgency whether real or merely perceived repressing their populaces through surveillance networks and violent secretive police action europe and the world had entered a new era in phantom terror award winning historian adam zamoyski argues that the stringent measures designed to prevent unrest had disastrous and far reaching consequences inciting the very rebellions they had hoped to quash the newly established culture of state control halted economic development in austria and birthed a rebellious youth culture in russia that would require even harsher methods to suppress by the end of the era the first stirrings of terrorist movements had become evident across the continent making the previously unfounded fears of european monarchs a reality phantom terror explores this troubled fascinating period when politicians and cultural leaders from edmund burke to mary shelley were forced to choose sides and either support or resist the counterrevolutionary

spirit embodied in the newly omnipotent central states the turbulent political situation that coalesced during this era would lead directly to the revolutions of 1848 and to the collapse of order in world war i we still live with the legacy of this era of paranoia which prefigured not only the modern totalitarian state but also the now preeminent contest between society's haves and have nots these tempestuous years of suspicion and suppression were the crux upon which the rest of european history would turn in this magisterial history zamoyski chronicles the moment when desperate monarchs took the world down the path of revolution terror and world war

Transactions of the Royal Asiatic Society of Great Britain and Ireland 1901 since its first publication in 2000 baptism and the baptists has become the definitive work on the subject it examines the theology and practice of believers baptism among twentieth century baptists associated with the baptist union of great britain and identifies the major influences which have led to its development in the nineteenth and early twentieth century the majority of baptists concentrated predominantly on the mode and subjects of baptism immersion and believers understanding the rite merely as an ordinance the believer's personal profession of faith in christ however in continuity with a tradition of baptists going back as far as the first baptists in the second and third decades of the seventeenth century there were also a significant number of ministers and scholars who saw the inadequacy of this view of baptism both biblically and theologically this sacramental view developed and grew throughout the twentieth century and influenced a resurgence of baptismal sacramentalism in the early twenty first century among baptists not just in britain but also in north america europe and further afield

A List of Books, Magazine Articles, and Maps Relating to Brazil. 1800-1900 1874 focusing on the life and work of the british representative in tangier john drummond hay this book provides fascinating insights into a critical period in moroccan history and moroccan british relations during the nineteenth century

Parliamentary Papers 2017-10-18 ida louisa lee mrs c b marriott 1875 1943 was a historian she was born at kelso new south wales she was a fellow of the royal geographical society f r g s and an honorary fellow of the royal australian historical society hon f r a h s on a visit to england lee married charles john bruce marriott 1861 1936 on 14 october 1891 at the parish church felixstowe suffolk lee wrote a number of historical texts some of which contain previously unpublished material publications include commodore sir john hayes 1912 the logbooks of the lady nelson 1915 captain bligh's second voyage to the south sea 1920 and early explorer's in australia 1925

The Impact of Technological Change 2007 a well written and carefully researched narrative it increases our knowledge of scott's life and work as perceived by his contemporaries as well as enabling us to read hogg's anecdotes in their original context

Public Trust in Medical Research? 2015-02-10 drawing on a vast array of primary and secondary sources roger l nichols traces the changing relationships between native peoples and whites in the united states and canada from colonial times to the present dividing this history into five stages beginning with native supremacy over european settlers and concluding with native peoples political economic and cultural resurgence nichols carefully compares and contrasts the effects of each stage on native populations in the united states and canada this second edition includes new chapters on major transformations from 1945 to the present focusing on social issues such as transracial adoption of native children the uses of national and international media to gain public awareness and demands for increasing respect for tribal religious practices burial sites and historic and funerary remains

Phantom Terror 2017-06-20 a unique introduction guide and reference work for students and readers of scottish literature from the pre medieval period

Baptism and the Baptists 1874 economic history is the most quantitative branch of history reflecting the interests and profiting from the techniques and concepts of economics this essay first published in 1977 provides an extensive contribution to quantitative historiography by delivering a critical guide to the sources of the numerical data of the period 1700 to 1850 this title will be of interest to students of history finance and economics
