*ESL Conversation Rocket* 2007-07-01 the format of the presentation of cases allows the reader to gain insights on teaching from the vantage point of the students proficiency the teacher s perspective the writers questions and suggested answers and finally the critical commentary readers are treated as thinking professionals who are capable of analysing the acts of language teaching through the teaching excerpts and the dynamic lesson transcriptions the questions and critical commentary encourage deeper and more critical processing rather than a superficial interpretation of the teaching act the cases derived from authentic teaching contexts encourage readers to appreciate the rich tapestry of teaching with all its complexities published by city university of hong kong press □□□□□□□□□□

*ESL/EFL Cases* 2019-04-16 who s it for intermediate and advanced classes of english 16 as a foreign or second language efl esl in any part of the world how does it work students discuss questions which are either in the form of a fun factual quiz or related to an authentic text

quotation what s new the questions and texts break with the approach typically used in esl efl textbooks by presenting a new slant on some traditional topics and also offering topics that have never been found before in a discussion book students will feel they are discussing something interesting and that the language of discussion just happens to be in english how controversial are the discussions unlike volume 2 and volume 3 this volume contains no particularly risky exercises in terms of subject matter what preparation is involved for the teacher in around 90 of the exercises no preparation is required students simply turn to the right page and away they go details are outlined in the teachers introduction and the students introduction what s the duration of a typical exercise depending on the students level of interest some exercises can be used as 10 minute warm ups or lesson fillers others may develop into full blown 60 minute discussions what else do i need to know the table of contents indicates which exercises might not be suitable with certain classes which require preparation by the teacher and which have a key where can i find sample pages and the teacher s book tefldiscussions com

**Discussions Volume 1** 2019-04-29 this is the full and comprehensive book in this discussion series it gives the teacher varied levels of lessons to cater for different classes in the teachers schedule this book comes complete with a bonus list of over 100 conversation topics if you re simply browsing for inspiration then this list will help with so many varied subjects all lessons have been taught in south korean schools with elementary middle high adults and academies hagwons the lessons that follow can be adapted to run from 30 to 90

minutes they often start with about 5 10 minutes of free talking this can cover how the students are what they have been doing or plan to do as well as contributions from the teacher lesson 1 keyword discussions lesson 2 conversation starters lesson 3 expanding vocabulary lesson 4 follow up questions lesson 5 informal sayings lesson 6 developing conversations lesson 7 topic debating lesson 8 informal phrases lesson 9 moral discussions conversation topics the structure of the lessons is modular with clear and obvious steps to take everything starts with the teacher s preparation work depending on the students ability topics might need a quick worksheet or short classroom activity at the start of the lesson and you will need to set aside time to devise this

**Comprehensive English Discussion Topics** 2007-08-15 this valuable workbook and downloadable audio can turn any esl student into an accomplished debater make your point opens the world of formal debate to the english learner debate fundamentals are taught from the first chapter in a student centered format suitable for large and small classes alike each of the ten chapters offers a language focus and a debatable focus as students learn new debate skills they also build important language skills all task chains integrate speaking listening reading and writing activities most activities are intended for pairs and small groups neither the learners nor the teacher needs any prior debate experience to use this text successfully this debate course promotes other forms of oral communication such as discussion recitation and speech making as well as more general activities such as summarizing and taking notes
