Making Sense of the Troubles

2002

compellingly written and even handed in its judgments this is by far the clearest account of what has happened through the years in the northern ireland conflict and why after a chapter of background on the period from 1921 to 1963 it covers the ensuing period the descent into violence the hunger strikes the anglo irish accord the bombers in england to the present shaky peace process behind the deluge of information and opinion about the conflict there is a straightforward and gripping story mr mckittrick and mr mcvea tell that story clearly concisely and above all fairly avoiding intricate detail in favor of narrative pace and accessible prose they describe and explain a lethal but fascinating time in northern ireland s history which brought not only death injury and destruction but enormous political and social change they close on an optimistic note convinced that while peace if it comes will always be imperfect a corner has now been decisively turned the book includes a detailed chronology statistical tables and a glossary of terms

Making Sense of the Troubles

2001-11-29

completely revised and updated edition the essential history of the troubles compellingly written and very even handed by far the clearest account of what happened in the northern ireland conflict and more importantly why it happened irish news extraordinarily well balanced sane comprehensive and rich in sober understatement glasgow herald first published two decades ago making sense of the troubles is widely regarded as the most comprehensive considered and compassionate irish times history of the troubles in northern ireland written by a distinguished journalist and a teacher of history in northern ireland it surveys the roots of the problems from 1921 onwards the descent into violence in the late 60s and the three terrible decades that followed in this fully revised and updated version mckittrick and mcvea take into account the momentous events of the ten years that followed their first publication including the disbanding of the ira ian paisley s deal with the republicans and the historic power sharing government in belfast an updated reissue of a collaborative study published 12 years ago to rave reviews as a frank accurate and authoritative narrative of events which should be required reading for anyone hoping to understand what had been going on in the north irish independent i would strongly advocate that it be made compulsory reading for everyone in northern ireland because for the first time it is our history all of it warts and all presented in a clear and understandable way irish news

Northern Ireland

2005

thomas hennessey traces the long course of events that led to the climactic events in northern ireland of october 1968 and after giving a step by step account of how the bright promises of the 1960s were shown to be false

The Evolution of the Troubles, 1970-72

2007

this book explores the evolution of the northern ireland troubles from an ethno national conflict into an insurgency against the british state in northern ireland in the crucial years of 1970 to 1972 the book combines the decisions of high politics with the experiences of those on the ground for whom these decisions made the greatest impact it tells the story of ordinary people caught up in extraordinary events covering the evolving provisional ira insurgency and the british army s counter insurgency key areas covered include the falls road curfew anglo irish relations north south relations on the island of ireland the fall of the chichester clark government the premiership of brian faulkner internment bloody sunday and the suspension of stormont

Children of "the Troubles

1997

this remarkable collection of personal stories poems and diary entries written by nearly 60 irish catholic and protestant children teenagers and adults is at turns funny poignant and tragic as it chronicles their memories of growing up in the war zone of northern ireland

The Media and Northern Ireland

1991-06-18

an exploration of the relationship between the broadcast media and political events in northern ireland contributors examine a range of issues including the broadcasting ban ulster unionism and british journalism the gibraltar killings and coverage of the conflict by dublin journalists

The Roots of Ireland's Troubles

2019-07-30

the author of elizabeth i s secret lover places ireland into a much wider context and takes it beyond the simplistic catholic v protestant dichotomy the british empire blog over the course of three decades in the late

twentieth century northern ireland was embroiled in the troubles a conflict characterized by the violent and bitter struggle between nationalists and unionists many books in recent years have attempted to make sense of the troubles primarily political and nationalistic it also had a sectarian dimension undeniably it was fueled by historical events and yet most only look so far back as the 1916 uprising in the roots of ireland s troubles robert stedall argues that we need to take a longer historical view to truly understand the complex factors at play in ireland s history that ultimately led to the troubles comprehensive in its approach it ranges from plantagenet intervention among the warring gaelic chieftains to cromwell s restoration of british rule following the english civil war and william pitt s resignation over the irish catholic s emancipation question inextricably linked with the history of britain stedall guides the reader through ireland s turbulent but rich history to understand the causes behind the twentieth century conflict which continues to resonate today we must look to the long arc of history in order to truly understand the historical roots of a nation s conflict a very readable and direct account of the complex issues at the heart of anglo irish relationships since the reformation a totally absorbing book michael mccarthy battlefield guide

Burnt Out

2019-01-04

on 14 august 1969 at the age of 14 michael mccann and his family fled their home life changed totally for the mccanns and the entire nationalist community thousands of innocent people vacated their homes driven out by the initial pogrom and then by the ongoing campaign of expulsion by loyalist violence and intimidation the british army occupation and the continuing violence utterly devastated communities on a monumental scale burnt out how the troubles began shows how the truth became one of the first casualties of the horrific events of august 1969 it examines the prominent role of state forces and the unionist government in the violence that erupted in derry and belfast and assesses how and why the violence began and generated three decades of subsequent brutality against a mountain of contrary evidence many still choose to blame the violence on the commemoration of the easter rising in 1966 and the efforts of the nationalist community to defend themselves on two hellish august nights in the late summer of 1969 burnt out how the troubles began is essential reading for anybody interested in the outbreak and causes of the troubles

Who Was Responsible for the Troubles?

2020-09-23

the troubles claimed the lives of almost four thousand people in northern ireland most of them civilians forty five thousand were injured in bombings and shootings relative to population size this was the most intense conflict

experienced in western europe since the end of the second world war the central question posed in this book is fundamental yet it is one that has rarely been asked who was primarily responsible for the prosecution of the troubles and their attendant toll of the dead the injured and the emotionally traumatized liam kennedy who lived in belfast throughout most of the conflict was long afraid to raise the question and its implications after years of reflection and research on the matter he has brought together elements of history politics sociology and social psychology to identify the collective actors who drove the conflict onwards for more than three decades from the days of the civil rights movement in the late 1960s to the signing of the good friday agreement in 1998 the troubles in northern ireland are a world class problem in miniature the combustible mix of national ethnic and sectarian passions that went into the making of the conflict has its parallels today in other parts of the world who was responsible for the troubles is an original and controversial work that captures the terror and the pain but also the hope of life and the pursuit of happiness in a deeply divided society

Northern Ireland's '68

2018-08-21

the troubles may have developed into a sectarian conflict but the violence was sparked by a small band of leftists who wanted derry in october 1968

to be a repeat of paris in may 1968 like their french comrades northern ireland s sixty eighters had assumed that street fighting would lead to political struggle the struggle that followed however was between communities rather than classes in the divided society of northern ireland the interaction of the global and the local that was the hallmark of 1968 had tragic consequences drawing on a wealth of new sources and scholarship simon prince s timely new edition offers a fresh and compelling interpretation of the civil rights movement of 1968 and the origins of the troubles the authoritative and enthralling narrative weaves together accounts of high politics and grassroots protests mass movements and individuals and international trends and historic divisions to show how events in northern ireland and around the world were interlinked during 1968

Children of the Troubles

2019-10-17

the bullets didn t just travel in distance they travelled in time some of those bullets never stop travelling jack kennedy father of james kennedy on 15th august 1969 nine year old patrick rooney became the first child killed as a result of the troubles one of 186 children who would die in the conflict in northern ireland fifty years on these young lives are honoured in a memorable book that spans a singular era from the teenage striker who

scored two goals in a belfast schools cup final to the aspiring architect who promised to build his mother a house to the five year old girl who wrote in her copy book on the day she died i am a good girl i talk to god children of the troubles recounts the previously untold story of northern ireland s lost children and those who died in the republic the uk and as far afield as west germany and the lives that might have been based on original interviews with almost one hundred families as well as extensive archival research this unique book includes many children who have never been publicly acknowledged as victims of the troubles and draws a compelling social and cultural picture of the era much loved deeply mourned and never forgotten children of the troubles is both an acknowledgement of and a tribute to young lives lost please note that this ebook edition is fixed format best suited to colour tablet devices

Years of Darkness

2008

a look at more than eighty of the events that shaped the northern ireland troubles and peace process examining the main political initiatives and security incidents which defined the past four decades beginning with the derry civil rights march of october 1968 through to the formation of the current northern ireland executive in 2007

Northern Ireland

1999

a detailed account in diary form of the thirty year development of civil and political unrest in northern ireland

Historical Dictionary of the Northern Ireland

Conflict

2017-03-15

the second edition of the historical dictionary of the northern ireland conflict provides an accessible and comprehensive study of the conflict and peace process in northern ireland from the 1960s to 2016 the second edition of the book expands on the references relating to individuals organizations and events of the northern ireland troubles and adds material on significant subsequent developments this the work provides a unique view of developments since the signing of the good friday agreement in 1998 while widely heralded as the end of the northern ireland conflict the agreement instead witnessed the beginning of a new series of political difficulties to be addressed the historical dictionary of the northern ireland conflict is the first significant reference work to examine many of the issues related to political and cultural conflicts and dealing

with the past which have grown in intensity since 1998 many of these themes will be relevant to students of post conflict societies in other areas of the world this second edition of historical dictionary of the historical dictionary of the northern ireland conflict contains a chronology an introduction and an extensive bibliography the dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture

A Short History of the Troubles

2010

for thirty eight long years from 1968 until the st andrew s agreement and ira decommissioning in 2006 northern ireland was wracked by inter communal violence this is a definitive overview of the period explaining key issues lucidly and economically

The Troubles: Ireland's Ordeal and the Search for Peace

2002-01-05

the tortured history of ireland from the beginning of the civil rights movement of the 1960s through the long horrible years of violence and up

to the attempts to find peace

The History of the Troubles and Memorable

Transactions in Scotland, in the Reign of Charles

I.

1829

this volume seeks to move beyond structure and agency perspectives by suggesting that social movement theories are best suited to foster a perspective that entails 1 an actor based approach to the troubles and 2 the contextualization of contentious politics or how the contingent and ever evolving political contexts opportunities threats shaped the trajectory of the troubles recent social movement scholarship has proved to be particularly useful in situating the emergence continuation and demise of political violence within a larger context of multiple conflicts in which radical contention is only one possible outcome social movement theories also avoid the essentialization of political groups as radical or violent instead they place all political actors participating to contention from paramilitaries to state authorities within their complex organizational fields emphasizing their shifting strategies as they interact with each other and adapt to the political context

James of the Hill. A Tale of the Troubles in Scotland, A.D. 1630

1846

between 1969 and 1998 over 4 000 people lost their lives in the small country of northern ireland the vast majority of these deaths were sectarian in nature and involved ordinary civilians killed by the various paramilitary groups these organisations murdered freely and without remorse considering life a cheap price to pay in the furtherance of their cause the words why us were uttered by many families whose lives were ripped asunder by the troubles thousands of innocents received a life sentence at the hands of the terrorists these then are their words the words of those who survived such attacks and of those left behind these poignant and tragic stories come from the people who have been forced to live with the emotional shrapnel of terrorism

**The history of the troubles and memorable
transactions in Scotland and England, from
M.DC.XXIV. to M.DC.XLV.**

1829

until surprisingly recently the history of the irish catholic church during the northern irish troubles was written by irish priests and bishops and was commemorative rather than analytical this study uses the troubles as a case study to evaluate the role of the catholic church in mediating conflict during the troubles these priests and bishops often worked behind the scenes acting as go betweens for the british government and republican paramilitaries to bring about a peaceful solution however this study also looks more broadly at the actions of the american irish and english catholic churches as well as that of the vatican to uncover the full impact of the church on the conflict this critical analysis of previously neglected state irish and english catholic church archival material changes our perspective on the role of a religious institution in a modern conflict

A brief discourse of the Troubles begun of Frankfort in the year 1554 about the Book of Common Prayer and Ceremonial

1846

the republic of ireland came into being in 1921 at the end of a bloody insurrection against the british however the treaty left the northern six counties under british sovereignty since that time the protestant majority has dominated the poorer catholic populace with support from the british

army in 1972 british troops fired on demonstrators launching more than twenty five years of sectarian violence and terror from both sides mason devereux an american freelance photojournalist is drawn into doing a project on the violence while visiting northern ireland devereux makes contact with the irish republican army the i r a is interested in publicity showing protestant paramilitaries violence against catholics a deal is struck and devereux is given access to extraordinary photo opportunities devereux accepts the i r a s assistance but finds his own way to get incriminating photographs of the i r a s own violence on the verge of a negotiated end of the violence with the british government a renegade faction of the irish republican army lead by seventies legendary gunman michael flynn derails that movement toward peace flynn and devereux cross paths in a sequence of violent events that continues the tragedy of northern ireland s troubles

John Hume, Statesman of the Troubles

1984

essay from the year 2007 in the subject politics international politics region western europe grade 1 0 a 1st mark king s college london course themes issues in british politics since 1945 14 entries in the bibliography language english abstract to many the term northern ireland is a synonym for violence and hatred reminding us of the bloody troubles that

dominated the country for over 30 years and of the 3700 people who lost their life during this time the fact that the communities are divided by their confession suggests that the troubles were animated by religious frictions and indeed religion is generally put forward as a reason however on closer inspection it appears that this stereo typical view pushes other explanations into the background although these are essential to grasp the origins of the conflict as a whole this essay will examine the historical political economic and religious aspects as well as the relation of the two communities and will attempt to demonstrate that a range of social and economic seemingly insuperable divisions between the two groups combined with the deprivation of the country might have been a perfect breeding ground for prejudice and fear of the other group factors which were then expressed by severe violence during the troubles

The Troubles in Northern Ireland and theories of social movements

2017-07-14

british troops which arrived as a temporary measure would remain in ireland for the next 38 years successive british governments initially claimed the northern ireland conflict to be an internal matter but the republic of ireland had repeatedly demanded a role appealing to the un and us while across the atlantic irish american groups applied pressure

on nixon's largely apathetic administration to intervene following the introduction of internment and the events of bloody sunday the british were forced to recognise the international dimension of the conflict and begrudgingly began to concede that any solution would rely on washington and dublin's involvement irish governments seized every opportunity to shape the political initiative that led to sunningdale and senator edward kennedy became the leading us advocate of american intervention while nixon who wanted britain onside for his cold war objectives was faced with increasingly influential domestic pressure groups eventually international involvement in northern ireland would play a vital role in shaping the principles on which political agreement was reached even after the breakdown of the sunningdale agreement in may 1974 using recently released archives in the united kingdom republic of ireland and united states alan macleod offers a new interpretation of the early period of northern ireland's troubles

To a Dark Place

get lost

The Catholic Church and the Northern Ireland Troubles, 1968-1998

2019-09-05

this book looks at criticisms of the journalism profession and evaluates many of the changes in journalism both positive and negative in addition it suggests what the many changes mean for this nation and indeed for the world at large as american journalism its methods and standards has markedly influenced the way many millions overseas receive news and view their world based on author william hachten s 50 year involvement with newspapers and journalism education the troubles of journalism serves as a realistic examination of the profession and is appropriate for upper level un

Belfast, A Novel of the Troubles

2004-08

traces the historical background of the violence in northern ireland and explains the issues involved

The History of the Troubles

2005

this collection brings together academics and practitioners to consider the increasingly central role that memory and recalling the past plays in determining contemporary politics and the future direction of northern irish society using theoretical comparative and case study approaches it considers not only how narratives of the past are constructed reconstructed understood and commemorated but also the ways in which the key themes that emerge are harnessed and mobilised to political and social effect in the present the book draws deeply on a wide range of expert opinion and viewpoints to add significantly to existing knowledge surrounding the debates over memory and the ways it is used in northern irish society

How Far was Religion a Cause of the Troubles in Northern Ireland from the 1960s to the 1980s?

2007-11

ireland home of legendary poets and storytellers has been wracked by bloody sectarian violence over the last quarter century bombs and guns were and once again are the primary negotiation tools used by catholic

and protestant extremists in the conflict surrounding the sovereignty of northern ireland the six counties known as ulster patrick taylor s only wounded centers on the hopes and despairs of everyday life during the troubles new york times bestselling author patrick taylor traces an intricate narrative path through ulster detailing sensitive unbiased portraits of the ordinary and not so ordinary people caught in the partisan brutality of northern ireland

International Politics and the Northern Ireland

Conflict

2016-07-25

this book tells the story of how the war in northern ireland threatened to engulf the republic it explains how popular opinion responded to the crisis from marching in solidarity with nationalists to increasing disengagement and fear

The Troubles of Our Catholic Forefathers

2023-03-24

the ira s ability to exploit the border between northern ireland and the republic of ireland was central to the organisation s capacity to wage its

long war over a quarter of a century this book is the first to look at the role of the border in sustaining the provisionals and its central role in anglo irish relations throughout the troubles

The Troubles of Journalism

2005

this book explores the psychic cultural and political ramifications of memory within the irish troubles it investigates the traumatic impact of the violence perpetrated since 1969 the antagonistic cultural narratives of memory fashioned and mobilized in this context within public and private arenas and the conflicts paradoxes and contradictions involved in coming to terms with the past both before and during the irish peace process initiated in 1993 94 it traces the formation from below of competing public narratives one concerned with the ethnic cleansing of protestants by the irish republican army the other with british state violence on bloody sunday and analyses their subjective roots in specific experiences of fear and loss their role in ideological struggle and their complicated relation to private familial and individual remembering

More Than the Troubles

1984

in the last generation northern ireland has undergone a tortuous yet remarkable process of social and political change this collection of essays aims to capture the complex and shifting realities of a society in the process of transition from war to peace the book brings together commentators from a range of academic backgrounds and political perspectives as well as focusing upon those political divisions and disputes that are most readily associated with northern ireland it provides a rather broader focus than is conventionally found in books on the region it examines the cultural identities and cultural practices that are essential to the formation and understanding of northern irish society but are neglected in academic analyses of the six counties while the contributors often approach issues from rather different angles they share a common conviction of the need to challenge the self serving simplifications and choreographed optimism that frequently define both official discourse and media commentary on northern ireland taken together the essays offer a comprehensive and critical account of a troubled society in the throes of change

Troubles of the past?

2023-02-14

this volume sets out to look at the human effects of the conflict in northern ireland including deaths directly due to the troubles suicide drugs

violence and mental health it provides a positive agenda for helping individual victims move away from violence towards peace

Only Wounded

2015-06-23

this ground breaking book provides the first comprehensive investigation of the history and memory of the northern ireland troubles in britain it examines the impacts of the conflict upon individual lives political and social relationships communities and culture in britain and explores how the people of britain including its irish communities have responded to and engaged with the conflict in the context of contested political narratives produced by the state and its opponents setting an agenda for further research and public debate the book demonstrates that unfinished business from the conflicted past persists unaddressed in britain and advocates the importance of acknowledging legacies understanding histories and engaging with memories in the context of peace building and reconciliation
