one of them when all else had failed relationship counseling psychotherapy the self help book industry secret cults salsa dancing tree hugging he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime so began an 18 month journey in which he met literally hundreds of girls in the street went on dozens of dates and even managed to persuade one or two of them back into his bedroom reviews of the 1st edition by zv oct 10 2019i purchased too late mate about a year and a half ago i enjoyed it very much as there are similarities to how i grew up and my experiences in with girls and school as in the book great read by leigh sep 27 2019an entertaining honest account of a middle aged man who after a lifetime of being inept at meeting and dating women stumbles across daygame think crazy stupid love meets dostoevsky i e a fascinating funny and sometimes painful story where the processes of learning how to overcome deep rooted beliefs about women masculinity and relationships through practical field training is described together with an introspective analysis i enjoyed this book as i think it reflects the experience of a lot of men particularly older men trying to address this area of their life i can say that the account of his journey is authentic as i m of a similar age and got into daygame about the same time the book is professionally written which is a rarity in this genre and is equally valid as an entertaining story or a valuable reference piece by w a feb 28 2018i loved this book one of the few books on pickup i ve ever read cover to cover regardless of whether you re into pickup or not pua this is an engaging come from behind hero tale told autobiographically mr forrest s humanity comes through in a very self effacing way as he struggles with the ups and downs of learning game later in his life his maturity and self doubt on the subject stand in sharp relief to the swagger of many puas whose youth and brashness consume most of the oxygen on this subject it s a bit interesting that mr forrest espoused filmmaking interests in this book because it actually has all of the essential storytelling elements of the classic hero s journey outlined by joseph campbell christopher vogler would make an interesting movie imo one of the inherent dangers of books on this subject of seducing women is that a thorough read potentially lulls its male followers into becoming bloviating keyboard theorists not men of action as notions delude us into thinking that knowledge somehow supplants or equates to experience the reason that i strongly gravitate to the work of authors yt ers like alex forrest and his impish gamesome compadre tom torero is that they have a way of inspiring me to confront my fears and approach women in my daily life and for those gents in their 40 s or maybe more with natural fears about aging and the what if s of it all this book addresses this older niche that has heretofore been all but ignored bravo mr forrest bravo by dean craddock nov 7 2017this is a great high quality read detailing alex s journey into the world of pick up through daygame cold calling a pickup guide to russia and the former soviet union by tom torero within the so called seduction community the ability to meet and attract women is understood as a skill which heterosexual men can cultivate through practical training and personal development though it has been an object of media speculation and frequent sensationalism for over a decade this cultural formation remains poorly understood in the first book length

study of the industry rachel o neill takes us into the world of seduction seminars training events instructional guidebooks and video tutorials pushing past established understandings of pickup artists as pathetic pathological or perverse she examines what makes seduction so compelling for those drawn to participate in this sphere seduction vividly portrays how the twin rationalities of neoliberalism and postfeminism are reorganising contemporary intimate life as labour intensive and profit orientated modes of sociality consume other forms of being and relating it is essential reading for students and scholars of gender sexuality sociology and cultural studies as well as anyone who wants to understand the seduction industry s overarching logics and internal workings women are dangerous good yet naive men routinely wreck their lives because they stick their dick in a blender having sex with the wrong kinds of women stds unplanned pregnancies false accusations mental health headcases and divorce make chasing skirts a dangerous game while lesser men retreat from the pursuit of women into the pixel powered pleasure world you have faith that your hunt for a virtuous woman will be fruitful you can t take a time machine back to a more decent age to find a marriageable woman you re not ready to give up on your genetic purpose and start banging sex robots but you re tired of the transient meaningless flings with mediocre women you re likely underestimating just how risky sex a relationship or marriage is with the modern woman but you re also underestimating just how rewarding it is to win the commitment of a nice girl a truly feminine woman not at war with the natural order and intertwine your essence with hers don t stick your dick in a blender is an irreverent politically incorrect exposition of the state of dating in the current year and a playbook of counter intuitive approaches advanced social dynamics lifehacks along with filtering strategies for avoiding the time wasters and inglorious skanks how to meet a nice girl meeting a wife material woman yes it s still possible dating post covid 19 the global pandemic plandemic has changed the game you must adapt the truth about marrying an exotic foreign woman is it for you online dating navigating the digital minefield of fakers flakes liars and scams mindset demystified deprogramming the mainstream and counter culture mindsets that cost you love dating abroad how to do it without getting royally screwed avoiding the friend zone advanced persuasion and sexual signaling methods seducing a virgin why this really matters and how to do it eliciting yielding yin energy inspiring a woman to adopt your values cultivating her devotion get laid like a lover and get respect like a patriarchal provider tantric sex hacks up your bedroom skills with an arsenal of holistic biohacks both ancient and cutting edge for life changing sex losing your virginity perhaps you re a frustrated virgin or incel disappointed with all the crappy advice about how to lose your virginity 33 steps are broken down for meaningfully losing your virginity and in these pages you ll get the red pills on dating sex and the fairer sex without the hopelessness and cynicism you ll learn about the four red flags of a blender deal breakers that should make you back away slowly from a woman you ll learn what qualifies as a virtuous woman who you might have a future with and why there s a lot of reasons to be optimistic about finding love and even getting married one day this book is also a story of hope and redemption the memoir of a reformed pickup artist who enjoyed the decline all the way from

america and colombia to ukraine and found edifying joy and meaning between the voluptuous thighs of a beautiful bulgarian woman on the edge of europe a no nonsense practical guide to flirting with over 200 tried and tested example lines and structures to use infield quick dirty guide to pull out of your pocket

## **Too Late, Mate? 2007-07**

are you a man who has had enough of bars clubs and late nights are you fed up with online dating this is a memoir of a lonely singleton who turned his love life around and upside down after he stumbled on daygame the art of meeting and attracting women during the daytime too late mate tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life in the process he had achieved the impressive feat of amassing the largest collection of female friends known to mankind whilst simultaneously failing to sleep with any one of them when all else had failed relationship counseling psychotherapy the self help book industry secret cults salsa dancing tree hugging he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime so began an 18 month journey in which he met literally hundreds of girls in the street went on dozens of dates and even managed to persuade one or two of them back into his bedroom reviews of the 1st edition by zv oct 10 2019i purchased too late mate about a year and a half ago i enjoyed it very much as there are similarities to how i grew up and my experiences in with girls and school as in the book great read by leigh sep 27 2019an entertaining honest account of a middle aged man who after a lifetime of being inept at meeting and dating women stumbles across daygame think crazy stupid love meets dostoevsky i e a fascinating funny and sometimes painful story where the processes of learning how to overcome deep rooted beliefs about women masculinity and relationships through practical field training is described together with an introspective analysis i enjoyed this book as i think it reflects the experience of a lot of men particularly older men trying to address this area of their life i can say that the account of his journey is authentic as i m of a similar age and got into daygame about the same time the book is professionally written which is a rarity in this genre and is equally valid as an entertaining story or a valuable reference piece by w a feb 28 2018i loved this book one of the few books on pickup i ve ever read cover to cover regardless of whether you re into pickup or not pua this is an engaging come from behind hero tale told autobiographically mr forrest s humanity comes through in a very self effacing way as he struggles with the ups and downs of learning game later in his life his maturity and self doubt on the subject stand in sharp relief to the swagger of many puas whose youth and brashness consume most of the oxygen on this subject it s a bit interesting that mr forrest espoused filmmaking interests in this book because it actually has all of the essential storytelling

elements of the classic hero's journey outlined by Joseph Campbell. Christopher Vogler would make an interesting movie. IMO one of the inherent dangers of books on this subject of seducing women is that a thorough read potentially lulls its male followers into becoming bloviating keyboard theorists not men of action as notions delude us into thinking that knowledge somehow supplants or equates to experience. The reason that I strongly gravitate to the work of authors like Alex Forrest and his impish gamesome compadre Tom Torero is that they have a way of inspiring me to confront my fears and approach women in my daily life and for those gents in their 40s or maybe more with natural fears about aging and the what ifs of it all this book addresses this older niche that has heretofore been all but ignored. Bravo Mr Forrest. Bravo by Dean Craddock. Nov 7 2017. This is a great high quality read detailing Alex's journey into the world of pick up through daygame.

## Seduction

Within the so-called seduction community the ability to meet and attract women is understood as a skill which heterosexual men can cultivate through practical training and personal development though it has been an object of media speculation and frequent sensationalism for over a decade this cultural formation remains poorly understood. In the first book-length study of the industry Rachel O'Neill takes us into the world of seduction seminars training events instructional guidebooks and video tutorials pushing past established understandings of pickup artists as pathetic pathological or perverse. She examines what makes seduction so compelling for those drawn to participate in this sphere. Seduction vividly portrays how the twin rationalities of neoliberalism and postfeminism are reorganising contemporary intimate life as labour-intensive and profit-orientated modes of sociality consume other forms of being and relating. It is essential reading for students and scholars of gender sexuality sociology and cultural studies as well as anyone who wants to understand the seduction industry's overarching logics and internal workings.

Problem 1: Part (a)

Let  $y_1(x)$  and  $y_2(x)$  be solutions of the homogeneous equation  $y'' + p(x)y' + q(x)y = 0$ . Then  $y_1(x) = e^{-x}$  and  $y_2(x) = e^{2x}$  are solutions. The general solution of the homogeneous equation is  $y_h(x) = c_1 e^{-x} + c_2 e^{2x}$ . To find a particular solution  $y_p(x)$  of the inhomogeneous equation  $y'' + p(x)y' + q(x)y = r(x)$ , we use the method of variation of parameters. Assume  $y_p(x) = u_1(x)e^{-x} + u_2(x)e^{2x}$ . Then  $y_p'(x) = u_1'(x)e^{-x} - u_1(x)e^{-x} + 2u_2(x)e^{2x} + u_2'(x)e^{2x}$ . Substituting  $y_p(x)$  and  $y_p'(x)$  into the inhomogeneous equation and simplifying, we get  $u_1'(x)e^{-x} + 2u_2'(x)e^{2x} = r(x)$ . We solve this system for  $u_1(x)$  and  $u_2(x)$ .
