west about teaching the telugu language in a country where there is little or no exposure to telugu whatsoever but did you know that babies can be trained to learn two or even three languages simultaneously in fact they can

start learning when the babies are still in the womb if your native language is telugu then this book is for you teach your babies these telugu words which they will remember forever if the pictures are shown and words repeated on a frequent basis you baby will be soaking the information and will be able to recognise easily when they grow up this colourful and attractive picture book is designed for babies and children for learning the telugu language increase your baby s telugu vocabulary lay the foundation now get your copy today why buy this book easily identifiable words appropriate easily identifiable illustrations colourful pages telugu words in telugu with english proven method why being bilingual is important being bilingual has many health benefits has educational advantages makes one more open minded will make travel to india more enjoyable more aware of indian culture will help your baby learn other languages part of the telugu for kids series a guide to the telugu language with dialogues presented in both telugu and english and grammatical analysis by charles philip brown this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant language learning which is a conscious process is the product of either a formal learning situation or a self study programme kramina 2000 27 language learning begins at birth and continues throughout life people learn languages as they use it to communicate their thoughts feelings and experiences establish relationships with family members and friends and strive to make sense and order of their world by learning and incorporating new language structures into their repertoire and using them in a variety of contexts people develop language fluency and proficiency opportunities to learn language occur first at home and it extends as children move into the larger community schools provide environments where students continue to develop language knowledge skills and strategies to achieve personal social and academic goals languages learning made easy is a great contribution made by the present author it is a huge compilation of languages related rules structures and pictorial presentations it is a self study guide for many who aspire to communicate in many languages one language serves as scaffolding for another language while learning the grammatical rules and structures therefore learners can acquire languages at ease and progress stage by stage with determination the material also covers several topics related to daily life and living environments over and above the material is a great asset for many who want to excel in learning languages because mastery of any language will enhance the self confidence of the people in the society therefore it is highly recommended that learners who wish to become multi linguists must own a copy of it and immerse in joyful learning this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public to ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant india is a vast country of continental size despite increasing literacy english continues to be the link language for want of acceptable language within the country however hindi still remains the language of the masses spoken by more than half the population and understood by nearly three fourths although hindi is taught in school syllabi its purpose is purely academic that hardly serves to promote national unity through ease in conversation understanding this need in filling this disjointed gap v s publishers has taken the first fledging step by deciding to bring out a conversational indian language series beginning with telugu to hindi module in the name of e sampurna vyakaran sahit e after years of research and hard work and supported by knowledgeable persons of literary taste we have come out with this unique volume that is significantly different from all the other language learning courses out there the major difference this module format also provides the basics of grammar which are absent from all the other titles in the market these basics of grammar not only provide knowledge base of the language but also enable an individual to learn the language while speaking it v s publishers in today s competitive world spoken english is considered as a passport for success in life the craze for learning spoken english has led to the growth of coaching institutes all over the country much as they may profess and advertise it is not really possible to learn any language in 30 days a person who genuinely wants to learn the language needs to spend two to three hours every day for at least five or six months before he or she would feel confident to communicate in english the prime objective of this book is to encourage students to learn english as a tool of communication and to enable them to understand the language thoroughly the book basically takes off from the learner s point of view and guides them through cooperative learning methods in order to help master the effective communication skills in english the book has been divided into

four convenient units of grammar pronunciation conversation and vocabulary each chapter covers one main area of learning english explained with examples carefully selected and graded exercises have also been included throughout the book to give readers ample practice and a complete understanding of the subject in short the book follows the modern functional approach to the study of english so readers it is definitely a one stop solution for speaking english v publishers spoken telugu for absolute beginners is the most comprehensive english guide for telugu language on the market for absolute beginners this book is a structured and systematic approach to teach yourself spoken telugu written by a well experienced teacher specialized in teaching telugu to foreigners what is unique about this book what makes it better than other telugu language learning books this book is the best in the market because it contains fun and essential vocabulary and phrases speaking and listening
