The Girl's Guide To Crack The Code For Sustainable, Loving, and Nurturing Relationships 2003-03

game and quiz shows first started appearing on radio broadcasts in the 1930s

led by the cbs network s professor quiz hosted by a man who was neither a professor nor even a college graduate the first of several frauds that seemed to be endemic to the genre professor quiz was followed by other such game shows as uncle jim s question bee and ask it basket which in turn spawned successful box games for at home play the show truth or consequences made the transition from radio to television in the late 1940s and was so popular that a town in new mexico was named for the show television proved to be the perfect platform for game shows since they were very popular and cheap to produce even in reruns today the older shows still draw huge audiences this book describes the evolution of the game show its larger than life producers and hosts as well as the scandals that have rocked it from time to time including bloopers from such adult oriented shows as the dating game the newlywed game and hollywood squares this is an entertaining and lively look at an american phenomenon whose popularity doesn t seem to be going away

Game Show Confidential 2002

national bestseller a witty charming and engaging dive into trivia s colorful history from america s highest earning game show contestant of all time insightful informative and written with a strong dose of humor and humility i loved this book will shortz crossword editor the new york times ken jennings is trivia s undisputed king and as he traces his rise from anonymous computer programmer to nerd folk icon he explores his newly conquered kingdom the world of trivia itself trivia he has found is centuries older than his childhood obsession with it whisking us from the coffeehouses of seventeenth century london to the internet age jennings chronicles the ups and downs of the trivia fad the quiz book explosion of the jazz age the rise fall and rise again of tv quiz shows the nostalgic campus trivia of the 1960s and the 1980s when trivial pursuit again made it fashionable to be a know it all jennings also investigates the shadowy demimonde of today s trivia subculture guiding us on a tour of trivia across america he goes head to head with the blowhards and diehards of the college quiz bowl circuit the slightly soused faithful of the boston pub trivia scene and the raucous participants in the annual q a marathon in stevens point wisconsin the world s largest trivia contest and of course he takes us behind the scenes of his improbable 75 game run on jeopardy but above all brainiac is a love letter to the useless fact who knew that there s a crater on venus named after laura ingalls wilder ken jennings that s who engaging and erudite brainiac is an irresistible celebration of nostalgia curiosity and geeky obsession in a word trivia

Science Quiz Whiz 2022-10-21

the proliferation of book clubs reading groups outline volumes and new forms of book reviewing in the first half of the twentieth century influenced the tastes and pastimes of millions of americans joan rubin here provides the first comprehensive analysis of this phenomenon the rise of american middlebrow

culture and the values encompassed by it rubin centers her discussion on five important expressions of the middlebrow the founding of the book of the month club the beginnings of great books programs the creation of the new york herald tribune s book review section the popularity of such works as will durant s the story of philosophy and the emergence of literary radio programs she also investigates the lives and expectations of the individuals who shaped these middlebrow institutions such figures as stuart pratt sherman irita van doren henry seidel canby dorothy canfield fisher john erskine william lyon phelps alexander woollcott and clifton fadiman moreover as she pursues the significance of these cultural intermediaries who connected elites and the masses by interpreting ideas to the public rubin forces a reconsideration of the boundary between high culture and popular sensibility

Brainiac 2013-05-13

although nearly every other television form or genre has undergone a massive critical and popular reassessment or resurgence in the past twenty years the game show s reputation has remained both remarkably stagnant and remarkably low scholarship on game shows concerns itself primarily with the history and aesthetics of the form and few works assess the influence the format has had on american society or how the aesthetics and rhythms of contemporary life model themselves on the aesthetics and rhythms of game shows in truth and consequences game shows in fiction and film author mike miley seeks to broaden the conversation about game shows by studying how they are represented in fiction and film writers and filmmakers find the game show to be the ideal metaphor for life in a media saturated era from selfhood to love to family to state power the book is divided into rounds each chapter looking at different themes that books and movies explore via the game show by studying over two dozen works of fiction and film bestsellers blockbusters disasters modern legends forgotten gems award winners self published curios and everything in between truth and consequences argues that game shows offer a deeper understanding of modern day america a land of high stakes spectacle where a game show host can become president of the united states

The Making of Middlebrow Culture 1967

the early years of television relied in part on successful narratives of another medium as studios adapted radio programs like boston blackie and defense attorney to the small screen many shows were adapted more than once like the radio program blondie which inspired six television adaptations and 28 theatrical films these are but a few of the 1 164 programs covered in this volume each program entry contains a detailed story line years of broadcast performer and character casts and principal production credits where possible two appendices almost a transition and television to radio and a performer s index conclude the book this first of its kind encyclopedia covers many little known programs that have rarely been discussed in print e g real george based on me and janie volume one based on quiet please and galaxy based on x minus

one covered programs include the great gildersleeve howdy doody my friend irma my little margie space patrol and vic and sade

Truth and Consequences 2010-04-12

genre and television proposes a new understanding of television genres as cultural categories offering a set of in depth historical and critical examinations to explore five key aspects of television genre history industry audience text and genre mixing drawing on well known television programs from dragnet to the simpsons this book provides a new model of genre historiography and illustrates how genres are at work within nearly every facet of television from policy decisions to production techniques to audience practices ultimately the book argues that through analyzing how television genre operates as a cultural practice we can better comprehend how television actively shapes our social world

From Radio to Television 2005
