Exploring the Use and Impact of Travel Guidebooks

2014-12-11 this volume provides the first comprehensive examination of travel guidebooks and their conceptualisation use and impact guidebooks have been key tourism paraphernalia for almost two centuries and although researched in some areas academic knowledge on guidebooks in tourism has not been expansively communicated the uncritical unreflective and largely pejorative approach to guidebooks in the public sphere and to some degree also present in academia is reassessed in this book this challenges the current limited tourism research approaches to the topic including the routinely held assumption that the internet has all but destroyed the printed guidebook this book will be a useful resource for postgraduate students and researchers in tourism and tourism communications and consumption

The ... Guide to the Dental Industry on the Internet 2012-10-04 the routledge handbook of designing public spaces for young people is a thorough and practical resource for all who wish to influence policy and design decisions in order to increase young people s access to and use of public spaces as well as their role in design and decision making processes the ability of youth to freely enjoy public spaces and to develop a sense of belonging and attachment to these environments

is critical for their physical social cognitive and emotional development young people represent a vital citizen group with legitimate rights to occupy and shape their public environments yet they are often driven out of public places by adult users restrictive bylaws or hostile designs it is also important that children and youth have the opportunity to genuinely participate in the planning of public spaces and to have their needs considered in the design of the public realm this book provides both evidence and tools to help effectively advocate for more youth inclusive public environments as well as integrate youth directly into both research and design processes related to the public realm it is essential reading for researchers design and planning professionals community leaders and youth advocates
