The World Almanac and Encyclopedia

1897

it has often occurred to the author that there are two principal defects in the existing treatises on the game of whist the one that the principles of play are in general laid down as so many isolated and arbitrary conventions the reasons upon which such principles are based being seldom if at all and scarcely ever fully stated the other that suitable illustrations by which alone the principles can be brought forcibly home and fixed in the memory are almost entirely wanting the present work is an attempt to supply these deficiencies with regard to the latter the author feels that nothing in point of illustration of principles can be so instructive as a selection of hands played completely through and accompanied by copious explanations the idea it is believed as applied to whist is a new one though a similar plan has long been in use in treatises on chess it has not been deemed necessary to occupy

space by detailing the mode of playing and of scoring as this information can be readily acquired at the table the reader is therefore credited with this elementary knowledge and is conducted at once to the general principles which he is advised to consider carefully before proceeding to the hands

The Laws and Principles of Whist Stated and Explained

1871

the thrill of double war the excitement of shouting gin every kid knows at least a handful of card classics and every grown up kid remembers the fun of playing them now promising an abundance of entertainment for children and their families comes the first book to focus exclusively on card games for kids and to be paired with an over sized custom designed set of playing cards from such favorites as baby snap go fish concentration and blackjack to the less well known chase the ace racing demon smudge and frogs in the pond here are over 35 games for two to six players plus solitaire for a rainy day specially created for the book the kids card deck is a brightly colored big and bold pack of 54 cards based on the standard 52 card playing deck plus two jokers each suit is a different color to make it immediately distinguishable numerals and letters are large and easy to read selection of the book of the month club suitable for ages 4 9 over 1 1 million copies in print
