## ***The Story of My House 2020-12-15***

ever thought about all the people who lived in your house before you did well come meet their type in this enthralling history of an ordinary british family home that digs up layer upon layer of past lives to illuminate our own times our family life and our heritagethis is the biography of a house the history of a home it s an ordinary house an ordinary home and ordinary people have lived in it for over a century but start to explore what they did who they were what they believed in what they desired and they soon become as remarkable as complicated as fascinating as anyone that is exactly what julie myerson set out to do she lives in a typical victorian terraced family house of average size in a typical victorian suburb clapham and she loves it she wanted to find out how much those who preceded her loved living there so she spent hours and hours in the archives at the family record office

the public record office at kew local council archives and libraries across the country no one had touched since the last sheet of paper in them was typed as she scraped the years away underneath she found herself embroiled in a detective hunt as gripping as any noir and then in another and another bit by bit she started to piece together the story of her house built in 1877 as told by its former occupants in their own words and deeds the book she has made of that story uncovers a lost 130 year history of happiness and grief change and prudence poverty and affluence social upheaval and technological advance most of us are dimly aware that we are not the first person to turn a key in our front door lock yet we rarely confront the shadows that inhabit our homes but once you do and julie myerson shows you how you will never bear to part from their company again this is your home s story too

### **Best Little Stories from the White House 2011-09-01**

curl up with a collection of mystery and horror tales from an author whom many critics regard as one of the masters of the genre the empty house and other ghost stories showcases some of algernon blackwood s finest and most spine tingling short fiction whether you re a longtime fan of blackwood s work or a first time reader who s curious about this giant of the genre you re in for a deliciously spooky ride
