**Twisted Roots** 2003 tell your family story through this journal the perfect way to gather family history is through a guided journal for years i ve been urging my family and friends to tell their stories and to get their family history before it s too late but i understand that it s sometimes hard to get those conversations started even for me that s where this journal comes in think about your parents and grandparents i m sure you can think of things you wish you d known about them think about your children grandchildren or family friends what are the things you d

like them to remember about you maybe this journal is about preserving memories for yourself for one day when your mind gets tired regardless of the reason this prompt journal will become a priceless possession to you and your family no one can tell your story or biography like you can happy journaling 8 5 x 11 interactive guided journal 120 pages lined notebook with prompts questions for you your parents grandparents relatives 10 empty family tree diagrams extra lined pages for own questions ideas details and history paperback non spiral perfect for gathering collecting family stories or telling your own great gift for anyone for any holiday event or celebration christmas new years mother s day father s day birthdays graduation etc we focus less on who begat who and more on the living they did along the way this will become a precious keepsake of someone s legacy sometimes elderly individuals have difficulty carrying out tasks such as reading and writing an ideal solution would be to have younger generations record the responses for the aging parent and or grandparent not only would it provide a valuable service when needed but the bonding that can come from those moments is simply immeasurable

**Twisted Roots & Strong Branches** 2019-05-27 a novel whose suspense remains high until the final pages anne perry is a master of crime fiction who rarely fails to deliver a strong story and a colorful cast of characters the baltimore sun a young bridegroom enlists private investigator william monk to track down his fiancée miriam gardiner who disappeared suddenly from a party at a luxurious bayswater mansion monk soon finds the coach in which miriam fled and nearby the murdered body of the coachman but there is no trace of the young passenger what strange compulsion could have driven the beautiful widow to abandon the prospect of a loving marriage and financial abundance monk and clever nurse hester latterly themselves now newlyweds desperately pursue the elusive truth and an unknown killer whose malign brilliance they have scarcely begun to fathom bonus this edition contains excerpts from anne perry s treason at lisson grove and execution dock praise for the twisted root when a law flies in the face of moral justice can a person be condemned for defying it even to the point of murder anne perry argues the issue with uncommon eloquence the new york times book review
