the purpose of this volume is to deepen the appreciation for the stereophonic approach to truth that the holy father recommends contains papers delivered at a colloquium in maynooth exploring the meaning of fides et ratio pope john paul ii s encyclical letter of 1998 fides et ratio the harmonious union of faith and reason embark on a profound exploration of the timeless relationship between faith and reason with fides et ratio by john paul ii in this thought provoking encyclical the revered pontiff delves into the essential connection between the truths of faith and the insights of reason guiding readers on a journey to discover the rich harmony between these two pillars of human understanding through eloquent prose and profound reflections john paul ii invites us to contemplate the intellectual and spiritual dimensions of our existence encouraging a harmonious dialogue between faith and reason that enriches both our spiritual lives and intellectual pursuits a must read for those seeking wisdom and a deeper understanding of the intersection between faith and the human intellect eighteen commentaries on the encyclical letter fides et ratio 1998 of st john paul ii first published in l osservatore romano together with an excerpt from my thesis this is the first time this collection has been published together in a single volume the index includes more than two hundred entries of key terms such as being existence free freedom meaning science time truth encíclica sobre las relaciones entre la fe y la razón in the face of growing skepticism and relativism believe in reason is the central message in pope john paul ii s fides et ratio only by the two wings of reason and faith together can the human spirit soar the current work ratio et fides is its philosophical counterpart it is not a watered down introduction but a leading into the heart of philosophic thinking firmly rooted in the phenomenological description of an ordinary artifact a mailbox the book uses the principles involved in the description to examine key figures in the history of thought we focus on three areas the soul morality and god we consider seven thinkers plato and aristotle who founded the tradition were taken up by augustine and aquinas in developing their theologies descartes launched the distinctively modern tradition culminating in hegel s systematic presentation of the whole western tradition philosophical and religious more recently heidegger approached that tradition in terms of its hidden ground in the mystery of being recalling us to meditative thinking as the secular counterpart to prayer armed with this background students will be able to approach with profit the fathers of the church and major theologians and philosophers past and recent coincidiendo con los veinte años de su pontificado juan pablo ii escribe su encíclica sobre la fe y la razón en la que establece en los albores del nuevo milenio la relación entre la teología y la filosofía el centro de esta encíclica es la búsqueda del sentido de la vida que ha llevado al hombre desde la creación a intentar dar respuesta a los grandes interrogantes sobre la existencia quem sou eu de onde venho e para onde vou por que existe o mal o que existirá depois desta vida nessas são questões que existem no coração de cada ser humano que ultrapassam barreiras de cultura nacionalidade raça ou religião npassados 100 anos desde a aeterni patris de leão xiii novamente se cocloca a discussão sobre as relações entre fé e razão ou teologia e filosofia essa é a questão sobre a qual irá tratar o papa joão paulo ii com a encíclica fides et ratio ncom uma reflexão de grande densidade filosófica e teológica o sumo pontífice procura novamente dar confiança ao homem contemporâneo ele pretende tratar da própria verdade e de seu fundamento visto na sua relação com a fé buscando responder questões fundamnetais sobre as quais o homem constrói sua vida e lhe dá sentido n la encíclica fides et ratio se inserta en esa larga tradición que desde los padres de la iglesia de oriente y occidente ha visto entre la fe y la razón humana un entendimiento no sólo posible sino necesario la verdad es una y ambos caminos conducen a ella contribuyendo a su conocimiento y difusión la intención de esta encíclica queda patente en este párrafo que forma parte de sus conclusiones la iglesia al insistir sobre la importancia y las verdaderas dimensiones del pensamiento filosófico promueve a la vez tanto la defensa de la dignidad del hombre como el anuncio del mensaje evangélico ante tales cometidos lo más urgente hoy es llevar a los hombres a descubrir su capacidad de conocer la verdad y su anhelo de un sentido último y definitivo de la existencia en la perspectiva de estas profundas exigencias inscritas por dios en la naturaleza humana se ve incluso más claro el significado humano y humanizador de la palabra de dios gracias a la mediación de una filosofía que ha llegado a ser también verdadera sabiduría el hombre contemporáneo llegará así a reconocer que será tanto más hombre cuanto entregándose al evangelio más se abra a cristo l avant dernière encyclique du pape jean paul ii
