The strangest journey of my life, and other stories, by F. Pigot 2018-08-01 explore the world most astonishing and mystifying forgotten conspiracy theories not only are these possible cover ups and controversial conspiracy theories fascinating they will surprise you find out for yourself where the truth lies everyone has that one theory they re absolutely convinced is true occasionally we all stray from the generally accepted facts and when we re eventually proved right it s an incredibly satisfying feeling while these theories typically revolve around the mundane aspects of our day to day lives there is the occasional theory that goes a little deeper when we move away from the ordinary and towards the powerful the influential and the important these theories begin to take on an additional level of significance when you suspect that more than one person is involved and is perhaps trying to hide the truth you ve uncovered a conspiracy theory but the idea of the conspiracy theory has in recent years taken on a negative perception with many people quick to dismiss these theories as being strange convoluted and the product of people with too much time on their hands they can often be one of the best ways to peel back the veil of miscomprehension and look closer as the actual facts in any kind of circumstance while most people expect every conspiracy theory to link the military industrial complex to the illuminati some are far simpler and far far better supported by the facts in this book we will examine some of the forgotten theories we will look closely at those theories that run closer to the reality of modern life these will

include some of the most important events of the last century and some seemingly more trivial theories however the key tenants of each case remain the same in each the theory suggests that there had been a deliberate attempt to cover up the truth by a collection of individuals working toward a hidden sometimes sinister goal read on and find out more about the world s strangest forgotten conspiracy theories scroll back up and grab your copy now
