the council of europe youth sector aims at enabling young people across europe to actively uphold defend promote and benefit from the council of europe s core values of human rights democracy and the rule of law notably by strengthening young people s access to rights deepening youth knowledge and broadening youth participation the activities of the european youth centres of budapest and strasbourg play a central role in the education and training of young multipliers of council of europe values the core of these activities is the programme of study sessions week long intercultural non formal learning activities that are held in cooperation with european youth organisations and networks these activities bring to the youth for democracy programme of the council of europe the unique experiences expectations and concerns of young people regarding contemporary issues and challenges that affect their access to rights and of participating in all spheres of society the study sessions of the european youth centres have been trendsetters in european youth work and remain a benchmark for intercultural youth activities this manual is published to support the quality of study sessions and other educational activities in the youth for democracy programme preparing facilitators and developing their competences is one of the essential prerequisites for enabling exchanges of views and dialogical learning preparing the participants to act as multipliers in their day to day lives and ultimately contributing to the values and priorities of the council of europe and its youth sector this manual for facilitators provides essential information insights and practical tips in the planning and delivering of non formal education intercultural activities while taking into account essential approaches of intercultural learning human rights education and youth participation this manual is a contribution to the quality of intercultural non formal education activities of youth organisations and at making those activities a truly learning experience for young people in the council of europe designed for upper level survey legal drafting courses this groundbreaking text explains drafting using a common vocabulary that applies to any legal document based on a fundamental rule structure including statutes and other forms of public drafting as well as contracts and other forms of private drafting this unified drafting approach gives students a common denominator approach to drafting all kinds of legal documents in addition students can use the techniques they ve learned to deconstruct interpret and revise any kind of legal document composed of rules this common sense approach of teaching learning a single vocabulary and set of skills to use in drafting any rules based legal document is an innovative model for u s legal drafting courses though it has been used in other countries for decades key features a unified approach that teaches students the general skills of drafting rules of law duties discretionary authority and declarations including their conditions in legal tests practice applying those skills to drafting a range of documents including contracts statutes regulations and other coverage of how courts interpret the rules and how to draft anticipating what the courts will do an understanding of how law governs human behavior through the rules that students learn to draft a wide range of classroom exercises on the detail of drafting additional drafting assignments for use in and out of class that help students learn how to use the rules and to accomplish clients goals learning about ict has all sorts of benefits for young people with sen but for anyone planning a course knowing where to start can be difficult this manual is packed full of practical know how it includes 36 planned sessions ready to deliver which hardware software to get and how best to use it and time saving photocopyable and downloadable resources excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications book review digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the english language reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law reviews of books on science for the general reader however are included the reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the united states canada and great britain publisher 1st 72nd include the annual report of the secretary of the board resource added for the automotive technology program 106023 warren buffett famously invoked the metaphor of a tapeworm when describing what healthcare is to the american economy the united states spends approximately 20 of its gross national product on healthcare but it is unclear where the money goes or who is minding the store this healthcare crisis is mostly about money not lack of

money but rather misspending of money from the perspective of a healthcare auditor and provider this work describes the problems of american healthcare finance and proposes solutions extensive charts and graphs are used to trace where money goes in the american healthcare system while other topics such as ethics in healthcare billing un-auditable hospital costs and scams are discussed there is evidence that clearly identifies where the money goes and its destination may surprise the reader e-artnow presents to you this meticulously edited collection of the greatest military strategy books in history on war carl von Clausewitz Maxims of War Napoleon Bonaparte Battle Studies Ardant du Picq Guerrilla Warfare Ernesto Che Guevara The Book of War Wu Qi The Art of War Sun Tzu The Analects The Book of Leadership Confucius Arthashastra The Ancient Indian Book on Wisdom and Strategy Kautilya Strategemata The Manual of Military Tactics Sextus Julius Frontinus De Re Military Organization of the Roman Army and Battle Tactics Publius Vegetius Renatus The Art of War Niccolò Machiavelli Small Wars Manual The Strategy of Military Operations US Marine Corps What is it like to be an isolated old widow living alone on the bare old age pension in the 1960s the question had become a standard refrain originally published in 1966 this was the first full length study by a sociologist of isolation in old age although the majority of old people were in no sense a problem group at the time a substantial minority of the elderly were alone in one or more ways about 1.3 million people aged sixty five and over in Britain lived alone a large number admitted to feeling lonely at least sometime about a million were actually socially isolated in terms of low level and frequency of social contact Mr Tunstall also uses a fourth category of aloneness namely anomie as developed by Durkheim Merton and Srole this report uses careful and statistical analysis of the four types of aloneness and of specially affected groups such as the single the recently widowed and the housebound but it also includes details of interviews with ten highly individual old people from suburban Harrow booming Northampton industrial revolution Oldham and rural South Norfolk the book contains a discussion of the problem of personality in isolation and a commentary on the inadequacies of social theory about old age finally the concluding chapter suggests a wide variety of policy measures which might help to alleviate social isolation in old age launch your construction management career quickly and effectively written by an experienced construction management specialist Construction Management Jumpstart provides all the core information you need whether you're considering a new career or expanding your responsibilities understanding the functions of construction management understanding the design and construction process working with contracts documents estimating project costs administering contracts managing the job site creating and maintaining a project schedule measuring project performance controlling quality ensuring project safety a summary of state campaign finance laws with quick reference charts for the US territories and possessions Bazyler and Alford have produced an essential tool for understanding the righteous struggle to win restitution for Holocaust victims and their heirs Richard Z Chesnoff author of Pack of Thieves How Hitler Europe Plundered the Jews committed the greatest theft in history this excellent volume makes a significant contribution both to legal studies and to the history of the Holocaust the editors deserve special praise for including chapters by Holocaust survivors assuring that their often forgotten voices are not lost within the great debate about Holocaust restitution Marilyn J Harran Stern chair in Holocaust History Chapman University an invaluable text for students and scholars as well as a fascinating read for all those concerned with Holocaust and genocide issues in all disciplines and on behalf of all victims Israel W Charny president International Association of Genocide Scholars this unique collection is important in bringing together the perspectives of legal practitioners activists archivists and historians negotiators and survivors it is remarkably comprehensive the editors have not shied away from controversy David Cesarani research professor in history Royal Holloway University of London if there is a final frontier in understanding the Holocaust it is the assessment of international litigation compensation and reparations claims this extraordinary group of contributions thoughtfully reflects on the Holocaust past and present as well as what many would call imperfect justice Stephen Feinstein professor of history and director center for Holocaust and Genocide Studies University of Minnesota this collection of essays on Holocaust restitution litigation provides a wonderful overview
