includes part 1 number 1 2 books and pamphlets including serials and contributions to periodicals january december aviation books were a unique and prolific subgenre of american juvenile literature from the early to mid 20th century drawing upon the nation s intensifying interest the first books of this type harry l sayler s series airship boys appeared shortly after the wright brothers first successful flight in 1909 following charles lindbergh s solo flight across the atlantic popular series like ted scott and andy lane established the golden age of juvenile aviation literature this work examines the 375 juvenile aviation series titles published between 1909 and 1964 it weaves together several thematic threads including the placement of aviation narratives within the context of major historical events the technical accuracy in depictions of flying machines and the ways in which characters reflected the culture of their eras three appendices provide publication data for each series a list of referenced aircraft and an annotated bibliography there is a full index vols for 1980 issued in three parts series authors and titles includes entries for maps and atlases a guide to the press of the united kingdom and to the principal publications of europe australia the far east gulf states and the u s a vols for 1871 76 1913 14 include an extra number the christmas bookseller separately paged and not included in the consecutive numbering of the regular series includes list of members in each vol this book explicates jonathan swift s poetry reaffirming its prominence in competing literary traditions official organ of the book trade of the united kingdom unravel the mystery of fostering a vibrant mystery collection for your library patrons whodunnit managing the mystery collection from creation to consumption reveals just who is responsible for providing high quality library mystery collections to fans this resource takes you through the complicated process from creating a mystery story to getting it to the library bookshelf and your patrons all with clear explanations and no plot twists authors readers critics scholars and librarians give you an interdisciplinary inside look at the production and collection of one of the most popular genres in literature the mystery this unique book comprehensively explains how a mystery story journeys a surprisingly winding way to reach an avid reading public no red herrings here though acquisitions and collection development resources are provided along with effective strategies that will help librarians to sift through the clues on how to bring life to their mystery collections examinations of various subgenres of the mystery are provided such as romance and native american mysteries as well as an enlightening discussion of the links between mysteries libraries and interest groups managing the mystery collection brings you mystery writer barbara fister describing the creative process insights about sisters in crime an organization that promotes mysteries authored by women and its special relationship with libraries and librarians a detailed introduction to buying and selling books online and print resources guidance for the acquisition of mysteries for the younger mystery reader development of a collection of ethnic mysteries the creation of special collections of sherlock holmes and author conan doyle extensive listings of subgenre titles and details of popular series an organization that networks creators fans and scholars of detective and mystery fiction and more managing the mystery collection from creation to consumption solves the mystery behind the step by step process it takes to provide readers with what they want access to a collection of perplexing well written mysteries this is perfect for public and academic librarians with an interest in building quality collections of mysteries library school faculty teaching courses in collection building popular culture and libraries genre literature and special collections and students of those fields includes junior college directory formerly directory of the junior college 1931 1945 reprint of the original first published in 1875 drawing on recent insights from postcolonial theory and social psychology travis b williams seeks to diagnose the social strategy of good works in 1 peter by examining how the persistent admonition to do good is intended to be an appropriate response to social conflict challenging the modern consensus which interprets the epistle s good works language as an attempt to accommodate greco roman society and thereby to lessen social hostility the author demonstrates that the exhortation to do good envisages a pattern of conduct which stands opposed to popular values the petrine author appropriates terminology that was commonly associated with wealth and social privilege and reinscribes it with a new meaning in order to provide his marginalized readers with an alternative vision of reality one in which the honor and approval so valued in society is finally available to them the good works theme thus articulates a competing discourse which challenges dominant social structures and the hegemonic ideology which underlies them official organ of the book trade of the united kingdom
