## MCAS Grade 6 Summer Math Workbook

2020-09-23

otto d batty received most of his education from parochial schools his first nine years were at bethlehem christian school in kennewick washington graduated from concordia college high school in portland oregon in 1956 he received his a a degree from columbia basin college in pasco washington in 1969 and b a degree in education from pacific lutheran university in tacoma washington in 1976 otto majored in social studies with a strong emphasis in history in 1961 while in wyoming otto developed a great love for the scripture over the years he read 23 different translations and paraphrases of the bible he even read the bible backwards from revelation to genesis when asked why he simply replied just for fun however he wouldn t do it again or recommend it saying it was chronologically distracting otto has taught many sunday school classes to both teenagers and adults this work emerged out of those life experiences the more otto read the scripture the more he became excited about what he discovered it was quite a surprise to him to learn so many believers had never read the whole bible through once filled with a hunger to encourage others to read and find the gems he found in the scripture in 1985 he wrote and taught this bible study with a twist the emphasis is on discovering the gems not theology or doctrine it is fast paced fun and simple its primary purpose to encourage believers to apply romans 10 17 faith comes by hearing and

hearing by the word of god
