Fifty-two years after the pink-headed duck was last seen in the wild, Rory Nugent set off for India in search of this exceptionally rare bird. In Calcutta, he prowled the fowl market where a few of the ducks used to appear during the Raj. Traveling on to Delhi, he was befriended by a Cambridge-educated smuggler and he learned of remote regions to the north where the duck might be found. In Sikkim, following the trail of a Yeti, he became lost in the Valley of Bliss and nearly imprisoned inside a forest of rhododendrons each the size of a ranch house. Making his way to Assam, he bought a 13-foot skiff and paddled the Brahmaputra River from Burma to Bangladesh, with stops on an island considered to be Kali's left breast and at a tantrist temple where he stumbled on a grisly ritual in a graveyard in a secluded marsh along the river. He may have spotted the world's rarest duck. We are desperately in need of hope, courage, serenity, faith, peace of mind, and gratitude for Almighty I. I have weaved together motivational success principles in story form in this book to inspire you in day-to-day life. You may categorize this book as a fiction or a motivational book, whatever you like. But for me, it is a motivational fiction. This book, *Love, Live, and Leap Ahead*, tells us how to put the great ideology into practice in day-to-day, mundane life. I have intertwined the ideas in the story form in this book to generate curiosity. This is an amazing fiction incorporating principles of success, happiness, joy, and human spirituality, and built on insights into unconditional love, forgiveness, gratitude, understanding, enthusiasm, hope, and faith. This motivational fiction demonstrates how you can be happy, serene, and successful in all the circumstances. This is a journey into your subconscious mind. Just read it for the joy of reading and let the subconscious take over and ingrain success principles and inspirational ideas into your disposition. This historic work reveals the inner spiritual life of one of the most beloved and important religious figures in history: Mother Teresa. During her lifelong service to the poorest of the poor, Mother Teresa became an icon of compassion to people of all religions. Her extraordinary contributions to the care of the sick, the dying, and thousands of others, nobody else was prepared to look after, has been recognized and acclaimed throughout the world. Little is known, however, about her own spiritual heights or her struggles. This collection of her writing and reflections, almost all of which have never been made public before, sheds light on Mother Teresa's interior life in a way that reveals the depth and intensity of her holiness. For the first time, compiled and presented by Fr. Brian Kolodiejchuk, M.C., who knew Mother Teresa for twenty years and is the postulator for her cause for sainthood and director of the Mother Teresa Center, Mother Teresa brings together letters she wrote to her spiritual advisors over decades, a moving chronicle of her spiritual journey, including moments, indeed years, of utter desolation. These letters reveal the secrets she shared only with her closest confidants. She emerges as a classic mystic whose inner life burned with the fire of charity and whose heart was tested and purified by an intense trial of faith, a true dark night of the soul. If I ever become a saint, I will surely be one of darkness. I will continually be absent from heaven to light the light of those in darkness on earth. Mother Teresa capturing the inner spiritual life of one of the twentieth century's most beloved religious figures, the private writings, reflections, and letters of Mother Teresa chronicle her spiritual journey, her dedication to charity, the trial of faith that tested and shaped her beliefs, and her contributions to the sick, the dying, and the forgotten. 60,000 first printing.
