makeshifts of the early pioneers who have passed away with a partial list of their names and a it is with some reluctance that i undertake to write a history not being a ridpath bancroft or a pliny but i will try to make it truthful and ask the reader to excuse any incongruities of composition believing that at a future time this record of the past will be of some benefit being written by one who is seventy nine years old and has voted for president fifteen times scoring eleven and lived with the history of our country through three wars and five panics as my parents were the first white settlers in this immediate vicinity and daniel warren sr my father the founder of bethlehem now carmel i will first give a little sketch of their history immigration and settlement here daniel warren sr was born in the year 1791 and was of english descent he was about eight years old when general washington died and could remember the universal sorrow and of hearing such expressions as i suppose general george washington is dead in his younger days he was a hatter in north carolina and worked not in beard s hatter shop but in old salem about the publisher forgotten books publishes hundreds of little to be among the clans of judah from you one will go forth for me to be ruler in israel his goings forth are from long ago from the days of eternity the book of micah chapter 5 bethlehem is amongst the oldest cities in the world one that has been conquered and ruled by caananites jews romans arabs crusaders the mamluks of egypt and the ottomans in the last century alone it has been controlled by various different parties the british took bethlehem during world war i and controlled the city from 1920 1948 and in the wake of the 1948 war between israel and its neighbors jordan annexed bethlehem and controlled it until the six day war in 1967 it was during the six day war that israel took control of bethlehem remaining in power over the city until 1995 when in compliance with the oslo peace accords control of the city and of the surrounding west bank was handed over to the palestinian national authority the palestinians continue to administer affairs in bethlehem to the present day what was it that caused this one small unassuming settlement to be the focus of so much attention and strife the primary reason that bethlehem is so famous today is the biblical passages that relate the town as the birthplace of jesus christ moreover the oldest continuously used christian church in the world is the church of the nativity in bethlehem like the town itself the church of the nativity has gone through numerous cycles of creation and ruin first built above the cave of the nativity by emperor constantine s mother helena in may 339 the church existed for almost two centuries before it was destroyed during the samarian revolt in 529 ce the church was later reconstructed by the byzantine emperor justinian in 565 and it is this structure that has largely survived to the present day today the church of the nativity is a unesco world heritage site alongside the pilgrimage route that led between bethlehem and jerusalem the church and its surrounding complex of convents monasteries and chapels are fortress like in appearance reflecting the turbulent history of not only bethlehem but the religious communities connected to the site it was a focal point in the conflicts of the crusades and like many other towns in the holy land it fell into decline after the european armies were forced from the holy land despite being under arab rule greek and syrian christian communities have continued to live and operate in the site which was respected by both the christian and islamic faiths it was also an important site for judaism being the location where many events of the old testament took place bethlehem is the burial place of rachel wife of jacob and it is where the story of ruth and her mother in law naomi took place it was also known as the city of david because it was the place where king david was anointed by samuel needless to say all of its history and religious import make it one of the most important places on the planet bethlehem the history and legacy of the birthplace of jesus looks at the history of the city and its importance in antiquity along with pictures depicting important people places and events you will be taxed and joseph a galilean carpenter was forced to go with mary his young wife whose child was soon to be born from their home in nazareth to bethlehem journey to bethlehem is a richly imagined account of the world s most famous journey mary happy and expectant rides on a rumbled little donkey joseph stalwart and sun blackened

strides protectively by her side often with drama and humor sometimes with terror always with reverence we follow the humble immortal caravan it proceeds along a highway crowded with travelers some startling familiar the land is filled with clashing factions the threat of robbers the desperate exploits of zealots joseph and mary glimpse the horror of a roman roadside crucifixion and ride through a cloud of whispers threatening as well as joyful that a messiah is soon to be born the scenes along the way the towns through which they pass the inn where they rest at night are so vividly portrayed that the reader takes the journey himself but journey to bethlehem is more than a guide for modern visitors to palestine and more than a stirring story the characters are so fully and credibly realized their language is so homely the conviction of a mystical experience rises to such a luminous crescendo that the ending in a stable filled with golden light is unforgettable delos w lovelace
