Drama in the Language Classroom 2023-06-15

all theater is revolutionary theater is the first book to consider why in the western tradition and only in the western tradition theatrical drama is regarded as its own literary or poetic type when the criteria needed to differentiate drama from other forms of writing do not resemble the criteria by which types of prose or verse are ordinarily distinguished through close readings of such playwrights as beckett brecht büchner eliot shaw wedekind and robert wilson benjamin bennett looks at the relationship between literature and drama identifying typical problems in the development of dramatic literature and exploring how the uncomfortable association with theatrical performance affects the operation of drama in literary history bennett s historical investigations into theoretical works ranging from aristotle to artaud brecht and diderot suggest that the attempt to include drama in the system of western literature causes certain specific incongruities that in his view have the salutary effect of preserving the otherwise endangered possibility of a truly liberal progressive or revolutionary literature

Dimensions of Drama 1973-01-01

excerpt from six years of drama at the castle square theatre with portraits of the members of the company and complete programs of all plays produced may 3 1897 may 3 1903 o successfully complete six years of continuous dramatic performances with twelve appearances for each of the three hundred and twelve weeks is a record which has made the castle square theatre dramatic stock company known throughout america and gained for the castle square theatre a prominent place in the dramatic history of boston the patrons of this playhouse have always shown a peculiar personal interest in its achievements and the work of those who have from time to time been members of the stock company identified with it and the demand which has resulted in the present publication is typical of the fidelity and loyalty of the boston amusement seeking public one of the most noteworthy features of the castle square theatre is the extreme liberality of the management everything is done for the convenience and comfort of the patrons and great care is taken to remove all the objectionable features so common in public places about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Drama 1993

the history of drama is typically viewed as a series of inert styles tracing british and american stage drama from the 1880s onward w b worthen instead sees drama as the interplay of text stage production and audience how are audiences manipulated what makes drama meaningful worthen identifies three rhetorical strategies that distinguish an o neill play from a yeats or these two from a brecht where realistic theater relies on the natural qualities of

the stage scene poetic theater uses the poet's word the text to control performance modern political theater by contrast openly places the audience at the center of its rhetorical designs and the drama of the postwar period is shown to develop a range of post brechtian practices that make the audience the subject of the play worthen's book deserves the attention of any literary critic or serious theatergoer interested in the relationship between modern drama and the spectator

Drama in the Modern World 1964

annual collection of articles and book reviews on medieval and renaissance literature excluding shakespeare

The Languages of Theatre 2014-06-28

written as a drama this play reveals a group of ten teachers gathered for a symposium on literature at a university during summer they are engaged in an intense study of the novel jane eyre in the course of discussions the teachers debate issues that reveal their personal values about life love learning and political correctness the combative discussions inspire members of the group to share their thoughts through the poetry they have written about their encounters with one another

Next Week--East Lynne 1977

this study provides a european perspective on the drama of yeats and of the irish playwrights wilde and synge o'casey and beckett who share in the achievement of creating a modern drama of the interior professor worth traces in particular the influence of maeterlinck examining his static drama in some detail a dominant theme is the importance of total theatre techniques to the playwrights of the interior from wilde in salomé to o'casey in plays like cock a doodle dandy yeats is seen as the great pioneer assimilating inspiration from the french with arthur symons as guide from synge from gordon craig and from the no drama and evolving a modern technique for a drama of complex self consciousness
