How to Make a Paper Frog

2004

take a trip to the bog where there may be low lying fog to see if you can meet the beast from the far east frog meets a bog beast is a delightful tale with a twist combining beautiful images with a rhyming swing this first printed book in the my animal puzzle book series sets the scene for a collection of thoughtful entertaining stories bog life was simple but never dull for frog it was home sweet home with lots of moss and frog was boss it was never busy or ever smelt fishy frog loved his own company licking flies from the skies or hunting in the ground where worms beetles or slugs could all be found every day frog collected these delicious sweet treats to eat from the peat lots of flavour to savour being green and so unseen gave him a great hiding or canopy screen but a bizarre creature with odd features made frog freeze at the knees frog decided to be brave though the outcome could be grave keeping still was not frog s free will and it really felt no thrill was this creature real and should frog be in fear with words and pictures that can be enjoyed both visually and audibly this short story encourages communication skills and courage together with a theme of friendship it is more than a picture book a mini bog field guide and how to make your own frog craft activity are also included suitable for adult supported reading early readers and children aged 4 8 it raises thoughts on courage friendship nature and exploring different environments

Frog Meets a Bog Beast!

2014-04-28

a frog is an animal that spends part of its life in water and part of it on land frogs come in all shapes and sizes some are round and fat and some are long and skinny the smallest frog is only as big as your fingernail the biggest frog is bigger than a plate this book is a shortened version of our popular frogs and toads in and out of the water and is intended for beginning readers with only 1454 easy to read words young children can experience for themselves the joy of learning about the frog they will find out the answers to these questions how many eyelids does a frog have do frogs make sounds with their mouth open or closed what do frogs do with their eyes when they shoot out their tongue how long does it take for a tadpole to turn into a frog and many more ages 5 to 8 reading level 2 2 learningisland.com believes in the value of children practicing reading for 15 minutes every day our 15 minute books give children lots of fun exciting choices to read from classic stories to mysteries to books of knowledge many books are appropriate for hi lo readers open the world of reading to a child by having them read for 15 minutes a day

Meet the Frog

2015-09

there s a frog on the log in the middle of the bog a small green frog on a half sunk log in the middle of the bog

A Frog in the Bog

1994-10

kermit took the media by storm with the hardcover publication of his guide to life now in paperback here is the hilarious and inspirational froggy philosophy that has redefined self help for the 90s includes i m okay you re a pig frogs of madison county i m not an amphibian american i m a frog and much more illustrated

One Frog Can Make a Difference

2012-10-22

the activities in this book are designed to teach that a pattern is a sequence of objects that repeats over and over children learn that they can use patterns to predict what comes next and to solve problems working with patterns is key to the development of a child s mathematical thinking it provides a framework for recognizing the patterns in our number system it helps children develop their ability to make generalizations think logically and solve problems in mathematics early experiences with patterns develop skills that are needed for work with functions and algebra in the later years all the activities in this book support current mathematics standards

Funtastic Frogs™ Making Patterns, Grades K - 2

2012-10-22

the activities in this book are designed to help children learn how to graph data using objects pictures and symbols in a way that shows information clearly the children are actively involved using the frog counters to make the graphs they sort classify and graph the frog counters and talk about what the graph is about in a way that makes sense to them they use the information in the graphs to compare quantities the activities in this book support current mathematics standards and were designed to be used with the funtastic frogstm counters

Funtastic Frogs™ Making Graphs, Grades K - 2

Frogs Make Me Happy

2019-12-26

once in the dreamtime the biggest frog in australia woke up thirsty so thirsty that he drinks up all the water from the oceans lakes rivers billabongs puddles and even from the clouds when he is done the earth is parched and the other animals are thirsty wise old wombat suggests that the animals try to make the biggest frog laugh so the water will spill out of his mouth but the frog barely hears kookaburra s best jokes and yawns at kangaroo s acrobatics koala waddles ridiculously but still no luck what will make the frog laugh and bring life back to australia find out in this colorful retelling of a classic australian folktale

Frogs Make Me Happy

The Biggest Frog in Australia

2020-11-12

in review the amount of information available on the morphological and functional properties of the frog nervous system is very extensive indeed and in certain areas is the only available source of information in vertebrates further more much of the now classical knowledge in neurobiology was originally obtained and elaborated in depth in this vertebrate to cite only a few examples studies of nerve conduction neuromuscular transmission neuronal integration sense organs development and locomotion have been developed with great detail in the frog and in conjunction provide the most complete holistic description of any nervous system added to the above considerations the ease with which these animals may be maintained both as adults and during development and the advantage of their lower cost as compared with other vertebrate forms make the frog one of the most important laboratory animals in neurobiology with these thoughts in mind we decided to compile this volume our goal in doing so was to assemble as much as possible of the information available on frog neurobiology and to have the different topics covered by authorities in each of the fields represented to keep the handbook restricted to one volume we found it necessary to omit the large field of amphibian muscle neurobiology which has already been summarized in various other publications

Frog Coloring Book

2005

inside the frog and toad discovery book your child will learn about things like what is the history of frogs what are the differences between frogs toads where are frogs found all over the world which are the most poisonous frogs on earth the weirdest looking toads frogs the absolute most bizarre weirdest frogs on earth do all frogs sound the same more book 2 does your child love gracious beautiful snakes ancient snake origins where do snakes hang out the secrets of a snake's skin do snakes have a 6th sense can snakes fly other snake specialities 16 amazing non venomous snakes most beautiful snakes on earth much more book 3 inside you'll find jerky cat moments like stinky pink fighting laws are not for jerks the mean latrine kitty litter dusty glitter scooping pooping evil green eyes the hypnotizing traumatizing cat's ball of fur turns out jerkier than you might think and lots more book 4 inside you'll find jerky unicorn moments like rainbow fairy dust magical ray of gooey rainbow dust unicorns clogged toilets unicorn dreads rainbow spreads trees are like guardian angels rainbow fairy fluff turkey dinner turns out jerkier than you might think and lots more book 5 inside you'll find jerky dog moments like the perky bullfrog trick egocentric pesky perks a jerk's agenda soggy doggy proud peeing moments barking without a spark the flirt schooled lord of misrule much more get this 5 in 1 box set compilation today because buying the 4 in 1 box set compilation gives you more value for a smaller price but you can also buy each book individually if your kid loves frogs toads snakes and hilariously funny dogs cats and unicorns this box set compilation will give you an awesome value and makes your child smiling longer
