Family Law and Personal Life 2017-09-22

placing the contemporary discussion on personal laws in india in historical perspective this important book views the debate as a critical component of indian democracy balancing the imperatives of multiculturalism national integration and gender justice it affirms that there is a complex continuity between the terms of the debate in the postcolonial indian state and its colonial counterpart

Rethinking Muslim Personal Law 2022-04-28

family law in india has a complex legal structure where different religious communities are guided by their own personal laws each of which historically evolved under various social religious political and legal influences in two comprehensive and lucid volumes flavia agnes a leading activist and advocate in the area examines family law in the light of social realities contemporary rights discourse and the idea of justice what is unique in these volumes is that the ground level litigation practices around women s rights are interwoven with the critical analyses of the statutory provisions relying extensively upon case law volume 1 examines the evolution of the personal laws of hindus muslims christians parsis and jews during the colonial and postcolonial periods how these laws are applied in contemporary questions of marriage divorce property rights and succession and whether it is possible to bring the law in conformity with modern changes through and in both the formal and statutory law and the pluralistic and fluid community based practices it also extensively examines the role of the judiciary the political and academic debates around the issue of uniform civil code and women s citizenship claims in a stratified and hierarchical social order

Muslim Personal Law in South Africa 2019

in indian context

Personal Law 1999

it is a political study of the controversy surrounding the issue of the uniform civil code vis à vis personal laws from a south asian perspective at the centre of the debate is whether there should be a centralized view of the legal system in a given society or a decentralized view both horizontally and vertically this issue is entangled within the threads of identity politics minority rights women s rights national integration global islamic politics and universal human rights champions of each category view it through their own prisms making the debate extremely complex especially in politically and socially plural south asia so this book attempts to harmonize the threads of the debate to provide a holistic political analysis

Divorce and Democracy 2022-08-25

Personal Law 1981

this book is an analysis of the contract of marriage according to the islamic shari ah and of two modern islamic states it examines the prerequisites for marriage the elements which go to form the contract the processes involved in making the contract and the institution of marriage itself the author expresses the essential islamic concepts of marriage faithfully whilst making the work as accessible as possible to readers of various backgrounds it will be of interest to legal professionals to academics and students of islamic law and to those interested in islam the middle east and north africa useful tables of laws and cases are included

Personal Law 1986

while there are many books on islamic family law the literature on its enforcement is scarce this book focuses on how islamic family law is interpreted and applied by judges in a range of muslim countries sunni and shi a as well as arab and non arab it thereby aids the understanding of shari a law in practice in a number of different cultural and political settings it shows how the existence of differing views of what shari a is as well as the presence of a vast body of legal material which judges can refer to make it possible for courts to interpret islamic law in creative and innovative ways

Elementary Questions on the Law of Property, Real and Personal 2019-01-03

excerpt from commentaries on the law of persons and personal property being an introduction to the study of contracts this treatise as stated by the author was intended as an introduction to the law of contracts in the beginning he doubtless had in mind the preparation of a more extended work which would have embraced the whole subject of contract law this plan however was not carried out in its stead the work was confined in its scope to those topics included in the author s lectures at columbia law school immediately preceding the course on contracts these lectures form the basis of the division of subjects both as to the law of persons in the first book and the law of personal property in the second in the law of persons the grand division of absolute and relative rights is observed throughout the former class is divided into the rights of personal security and personal liberty while under the latter and more numerous class of relative rights are considered those which spring from the relations of husband and wife parent and child guardian and ward and master and servant separate chapters are devoted to citizens and aliens infancy the doctrine of status as affecting capacity and finally to corporations which closes the first book about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
