this is a print on demand book and is therefore non returnable where all hope lies presents fifty six select sermons by james van tholen a gifted young pastor who lost his battle with cancer in january 2001 at the age of thirty six though jim s untimely death gives a certain poignancy to this volume these sermons are far from dark or despairing van tholen s conversational style thought provoking insights into scripture and frequent interaction with such writers as flannery o connor frederick buechner kathleen norris and others make these sermons

truly enjoyable as well as profitable to read through them all there runs a sense of concentrating on what really matters trusting in god no matter what suffering or difficulties might come our way indeed as demonstrated by the book s title sermon first published in christianity today as surprised by death more than anything van tholen preached the grace and goodness of god including a foreword by neal planting and a closing reflection on the man behind the sermons by jim s wife rachel where all hope lies offers gracious powerful uplifting words for believers throughout the church year
