 val has enjoyed the steamy benefits of her relationship with her nerdy boyfriend tim the way he pumps up her freckled jugs to ridiculous sizes and swells her muscles until she s thick and tight but in the back of mind she has always felt like something is missing like she s not enough perhaps val wonders it is because she has been a cripple for years are those countless hours spent pounding iron at the gym really just a desperate effort to compensate for the cane she depends on or her lame scarred leg that doctors say will never work right again how can a 20 year old woman be so fit and attractive yet walk or rather limp around harboring such humiliation especially when she used to be such a legendary athlete sometimes the shame is more than the busty redhead can bear then one day val wakes up healed she can run she can jump she can train without restraint her head spins with ambition she enters the bayou brawl a track and field competition that pits val against the biggest baddest female athletes around her body in peak form val thinks winning will be simple but things are never simple when the growth power is involved there are a few problems standing in val s way more daunting than mere hurdles and high jumps it wasn t her boyfriend that healed her but another man that schemes to win over the gorgeous ginger s heart sleeping within val is an ancient evil that dreams of world domination and it s finally waking up her boyfriend thinks with his you know what rather than his brain most of the time and there s no telling how he ll use his growth powers when the going gets tough sure tim promised val he wouldn t interfere with the competition by growing her muscles to give her an advantage but what happens when it s val s athletic rival cheyenne who unexpectedly grows big dripping jugs that expand more and more the creamy cans hindering her progress slowly but surely in the grand race for first place could tim really be that dumb probably but as val knows firsthand appearances can be deceiving this story is book 6 of an erotic romance series featuring egregious breast expansion and female muscle growth introduce students to literary texts to help them become active and enthusiastic readers this practical resource provides experienced and novice teachers with a variety of literature that can be implemented into the elementary classroom background information and fiction book recommendations are provided for key topics from alphabet books to poetry chapter books to read alouds this teacher friendly resource is a must have

elsa reisner s lifelong dream of working as an ornithologist at the american museum of

natural history is fading as the job begins to drain her passion but fate takes an unexpected turn when she is assigned to catalog the bequest of a recently deceased patron whose gothic country mansion holds secrets and treasures waiting to be discovered as elsa delves into her task she forms an unlikely bond with the estate s delightful gardener and her daughter as well as an architectural salvage dealer who still bears scars from the great war together they embark on a thrilling treasure hunt for a missing relic intended to safeguard the servants futures before the estate is sold at the same time elsa s body seems to betray her with new symptoms from a childhood disease that isn t through with her yet with the brooding veteran and her handsome colleague joining the search elsa must navigate the tangled web of secrets and hidden motives along with the changing state of her health as her deadline looms ever closer will she be able to secure a new life for her friends before the estate slips from their grasp
