Postscript to the second edition of Railways in India, containing an answer to certain statements made by the Directors of the East Indian Railway in their Fourth Report 1848 in 1940s india revolutionary and nationalistic feeling surged against colonial subjecthood and imperial war two and a half million men from undivided india served the british during the second world war while 3 million civilians were killed by the war induced bengal famine and indian national army soldiers fought against the british for indian independence this captivating new history shines a spotlight on emotions as a way of unearthing these troubled and contested experiences exposing the personal as political diya gupta draws upon photographs letters memoirs novels poetry and philosophical essays in both english and bengali languages to weave a compelling tapestry of emotions felt by indians in service and at home during the war she brings to life an unknown sepoy in the middle east yearning for home and anti fascist activist tara ali baig a disillusioned doctor on the burma frontline and sukanta bhattacharya s modernist poetry of hunger mulk raj anand s revolutionary home front and rabindranath tagore s critique of civilisation this vivid book recovers a truly global history of the second world war revealing the crucial importance of cultural approaches in challenging a traditional focus on the wartime experiences of european populations seen through indian eyes this conflict is no longer the good war

A Time for India 2023-05-08 after a phase of slow growth post independence the indian economy has experienced significant changes since the mid 1980s as a result of major reforms india s growth story has defied established economic patterns and in the process created interesting paradoxes that have attracted global attention in this new edition of a concise handbook of the indian economy in the 21st century select chapters from the original have been updated to present a brief but comprehensive overview of the indian economy contributing to a finer understanding of india s economic development the volume adopts a non ideological and forward looking approach to discuss important economic issues it takes into account various social and political factors impacting the indian economy and compares the importance of external market factors with that of domestic reforms in india s economic growth the book aims to provide a deep understanding of the economy based on careful fact based research which is a pre requisite for formulating pragmatic reforms necessary to achieve sustained and inclusive growth

Considerations on the present political state of India ... Second edition 1816 before europeans arrived in north america indigenous peoples spoke more than three hundred languages and followed almost as many distinct belief systems and lifeways but in childrearing the different indian societies had certain practices in common including training for survival and teaching tribal traditions the history of american indian education from colonial times to the present is a story of how euro americans disrupted and suppressed these common cultural practices and how indians actively pursued and preserved them american indian education recounts that history from the earliest missionary and government attempts to christianize and civilize indian children to the most recent efforts to revitalize native cultures and return control of schools to indigenous peoples extensive firsthand testimony from teachers and students offers unique insight into the varying experiences of indian education historians and educators jon reyhner and jeanne eder begin by discussing indian childrearing practices and the work of colonial missionaries in new france canada new england mexico and california then conduct readers through the full array of government programs aimed at educating indian children from the passage of the civilization act of 1819 to the formation of the bureau of indian affairs in 1824 and the establishment of indian reservations and vocation oriented boarding schools the authors frame native education

Proposal of a plan for remodelling the Government of India. Second edition, revised 1853 this book captures the big picture of the covid 19 scenario in india in the year 2021 by stitching together the writings of people with a ringside view of different facets of the second wave which was markedly different from the first wave while it is currently too early to objectively research covid 19 and its impact on society for want of adequate temporal distance this book serves to record the events authentically covering a span of three to four months of the peaking pandemic in india it presents a vivid idea of the onslaught complexities confusion chaos and indecision in every field amplified by the suddenness and ferociousness of the second wave the book will appeal to researchers in health care community health public policy administration governance mental health and other interdisciplinary domains

India in the Second World War 2023-06-15 i have not lately read a finer book than this on any subject at all a masterpiece simon winchester new statesman the photographs of three young men had stood in his grandmother s house for as long as he could remember beheld but never fully noticed they had all fought in the second world war a fact that surprised him indians had never figured in his idea of the war nor the war in his idea of india one of them bobby even looked a bit like him but raghu karnad had not noticed until he was the same age as they were in their photo frames then he learned about the parsi boy from the sleepy south indian coast so eager to follow his brothers in law into the colonial forces and onto the front line manek dashing and confident was a pilot with india s fledgling air force gentle ganny became an army doctor in the arid north west frontier bobby s pursuit would carry him as far as the deserts of iraq and the green hell of the burma battlefield the years 1939 45 might be the most revered deplored and replayed in modern history yet india s extraordinary role has been concealed from itself and from the world in riveting prose karnad retrieves the story of a single family a story of love rebellion loyalty and uncertainty and with it the greater revelation that is india s second world war farthest field narrates the lost epic of india s war in which the largest volunteer army in history fought for the british empire even as its countrymen fought to be free of it it carries us from madras to peshawar egypt to burma unfolding the saga of a young family amazed by their swiftly changing world and swept up in its violence

How India Coped with the Second Wave of COVID-19 2023-07-19 this book draws on extensive fieldwork among muslims in nepal to examine the local and global factors that shape contemporary muslim identity and the emerging islamic revival movement based in the kathmandu valley nepal s muslims are active participants in the larger global movement of sunni revival as well as in nepal s own local politics of representation the book traces how these two worlds are lived and brought together in the context of nepal s transition to secularism and explores muslim struggles for self definition and belonging against a backdrop of historical marginalization and an unprecedented episode of anti muslim violence in 2004 through the voices and experiences of muslims themselves the book examines nepal s most influential islamic organizations for what they reveal about contemporary movements of revival among religious minorities on the margins both geographic and social of the so called islamic world it reveals that islamic revival is both a complex response to the challenges faced by modern minority communities in this historically hindu kingdom and a movement to cultivate new modes of thought and piety among nepal s muslims
