Modern Africa: A Captivating Guide to Modern African History 2022-08-27

a bright portrait of modern africa that pushes back against harmful stereotypes to tell a more comprehensive story warm funny biting and essential reading adam rutherford you already know these stereotypes so often africa is depicted simplistically as an arid red landscape of famines and safaris uniquely plagued by poverty and strife in this funny and insightful book dipo faloyin offers a much needed corrective he examines each country s colonial heritage and explores a wide range of subjects from chronicling urban life in lagos and the lively west african rivalry over who makes the best jollof rice to the story of democracy in seven dictatorships and the dangers of stereotypes in popular culture by turns intimate and political africa is not a country brings the story of the continent towards reality celebrating the energy and fabric of its different cultures and communities in a way that has never been done before hilarious ferocious generous and convincing it made me reconsider almost everything i thought i knew about africa oliver bullough this book should be on the curriculum nikki may author of wahala

Makers of Modern Africa 1991

a magisterial and sweeping history of modern africa the end of the second world war signalled the rapid end of the european african empires in 1945 only four african countries were independent by 1963 thirty african states created the organization of african unity despite formidable problems the 1960s were a time of optimism as africans enjoyed their new independence witnessed increases in prosperity and prepared to tackle their political and economic problems in their own way by the 1990s however the high hopes of the 1960s had been dashed

dictatorship by strongmen corruption civil wars and genocide widespread poverty and the interventions and manipulations of the major powers had all relegated africa to the position of an aid basket case with some of the world s poorest and least developed nations by exploring developments over the last fifteen years including the impact of china new it technology and the arab spring the rise of nigeria as africa s leading country and the recent refugee crisis guy arnold brings his landmark history of modern africa up to date and provides a fresh and insightful perspective on this troubled and misunderstood continent

The Making of Modern Africa: The nineteenth century to the partition 1968
