project managers recognize and cultivate the things that are best in themselves and others many project managers do not have the authority to direct the activities of people on their teams they can only influence them the most influential people succeed by focusing less on themselves and their message and more on others they pay attention they are brave they are vulnerable they are curious and they look for and acknowledge the things that are important about and to the other person and they model the behavior that they want to see this book tells you how pearce provides tools and frameworks for building a culture of appreciation understanding character strengths mapping leadership qualities understanding learning styles identifying team roles and executing plans she also explores the factors that contribute to conflict and tensions as well as strategies for getting through difficult times we see these tools and techniques in action through maggie a project manager who is struggling to motivate her team each chapter concludes with reflective questions to make the ideas stick and with key strategies for success

bowler s name is a tale of a life in cricket s margins tom hicks is no household name but he often rubbed shoulders with cricketing royalty going from the village green to walking out as captain at lord s as an ambitious youngster hicks dreamed of reaching the top but trying to make it big and balance the demands of university family a full time job and a penchant for post match fun was no easy feat settling for an unglamorous life as a minor county player cricket took him to all corners of the country and then across the globe getting an insight into the nether regions of a cricketing world that was rapidly vanishing through the eyes of a cricket nut bowler s name takes us on a journey of success failure hilarity and often sheer madness if you ve ever wondered what it s like to face 90mph bowling to have lunch with mike gattling or to infiltrate an england post match party hicks is your man bowler s name is for fans of cricket idiosyncrasies lovers of the underdog and anyone who has tried and failed

oracy is a subject currently undergoing examination due to the emphasis placed upon it by the national curriculum with an emphasis on practice but embracing the major theoretical issues involved this book contains numerous exercises examining the issues surrounding oracy in schools it describes the many ways in which teachers can encourage pupils to talk using picture books media based discussions and english as a second language unconventional yet effective parenting strategies carefully curated by the creator of the popular podcast the longest shortest time some of the best parenting advice that hillary frank ever received did not come from parenting experts but from friends and podcast listeners who acted on a whim often in moments of desperation these weird parenting wins were born of moments when the expert advice wasn t working and instead of freaking out these parents had a stroke of genius for example there s the dad who pig snorted in his baby s ear to get her to stop crying and the mom who made a flat daddy out of cardboard and sat it at the dinner table when her kids were missing their deployed military father every parent and kid is unique and as we get to know our kids we can figure out what makes them tick because this is an ongoing process weird parenting wins covers children of all ages ranging in topics from the art of getting your kid to act like a person on hygiene potty training and manners to the art of getting your kid to tell you things because eventually they re going to be tight lipped you may find that someone else s weird parenting win works for you or you might be inspired to try something new the next time you re stuck in a parenting rut or maybe you ll just get a good laugh out of the mom who got her kid to try beets because it might turn her poop pink the magazine that helps career moms balance their personal and professional lives as featured on the today show parents turn to the experts at the oppenheim toy portfolio the nationally recognized independent consumer organization for reviews of the best and worse products in children s media the oppenheims help guide parents to find the best designed and most educational toys books recordings videos and software for kids from infancy to age 10 more than 1 000 products reviewed as well as chapter for kids with special needs oppenheims are contributors to nbc s today show publications list included in certain issues
