when it comes to elections campaigns matter and despite the ever increasing role of volunteers and amateurs modern american political campaigns are a professional affair understanding how they are run and how campaign strategies are set requires an in depth analysis of what political consultants do from opposition research to public opinion polling and from directing media strategies to mobilizing voters with fundraising a priority at all stages at all levels of the electoral arena modern sophisticated campaigns cannot hope to be effective without the guiding disciplines of professional consultants this thoroughly updated edition of dennis w johnson s classic text originally titled no place for amateurs highlights the growing importance of social media targeting and analytics super pacs and dark money in a post citizens united world

## **In Search of Power 2013**

excruciatingly timely kirkus reviews in more than three thousand recorded conversations the nixon tapes famously exposed a president s sinister views of governance that would eventually lead to his downfall despite richard nixon s best efforts his vision of a government where he could use his power to punish his political enemies never came to fruition because members of his own party defied

his directives while many are familiar with the republicans who turned against nixon during the final stages of the watergate saga they said no to nixon uncovers for the first time those within the administration including nixon s own appointees who opposed the white house early on quietly blocking the president s attacks on the irs the justice department and other sectors of the federal government culling from previously unpublished excerpts from the tapes and recently released materials that expose the thirty seventh president s uncensored views michael koncewicz reveals how republican party members remained loyal civil servants in the face of nixon s attempts to expand the imperial presidency delving into the abuses of power surrounding the watergate era and showing how they were curbed they said no to nixon sheds light on the significant cultural and ideological shifts that occurred within the gop during the pivotal 1970s koncewicz deftly demonstrates how nixon s administration marked a decisive moment that led to the rise of modern conservatism and today s ruthlessly partisan politics
