written instructions, photographs, designs, patterns, and projects

New Masters of the Wooden Box 2009-10-01

Much like the boy in the striped pajamas or the book thief, this remarkable memoir from Leon Leyson, one of the youngest children to survive the Holocaust, on Oskar Schindler's list brings to readers a story of bravery and the fight for a chance to live. *Voyah* is the only memoir published by a former Schindler's list child. Perfectly capturing the innocence of a small boy who goes through the unthinkable, Leon Leyson, born Leib Lezjon, was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow Ghetto. With incredible luck, perseverance, and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Göth, commandant of Plaszow, the concentration camp outside Krakow. Ultimately, it was the generosity and cunning of one man, Oskar Schindler, who saved Leon Leyson's life and the lives of his mother, his father, and two of his four siblings by adding their names to his list of workers in his factory, a list that became world-renowned Schindler's list. Told with an abundance of dignity and a remarkable lack of rancor and venom, *The Boy on the Wooden Box* is a legacy of hope, a memoir unlike anything you've ever read.

The Art of Making Small Wood Boxes 1997
