

51 Questions for the Diehard Fan 2014-05-04 the dodgers won world championships in brooklyn and la during the same decade and boast a devoted fan base on both coasts and all points in between and today thanks to past stars like fernando valenzuela and chan ho park that fan base is spread the world over every major league team has a history but this is the franchise of jackie robinson every major league team has players they call heroes but with robinson you can drop the emphasis he s truly an american icon american hero baseball legend and dodger great this is the franchise of walter alston leo durocher and tommy lasorda walter o malley larry macphail and branch rickey the timeless calls of vin scully and no fewer than 43 hall of fame players who spent a portion of their careers with the dodgers you can t tell the story of baseball s history without the dodgers this trivia book is intended to help diehard dodger fans celebrate their beloved team it s been a long time since april 21 1890 when the franchise recorded its first official victory in the national league but 124 years and 10 000 wins later the team is still going strong still producing great players and historic moments enjoy the trivia think blue and have fun reminiscing

Winning in Both Leagues 2014-07-10 in winning in both leagues j frank cashen looks back over his twenty five year career in baseball best known as the general manager of the new york mets during their remaking and rise to glory in the 1980s cashen fills the pages with lively stories from his baseball tenure during the last half of the twentieth century his career included a stint with the baltimore orioles of the late oco60s and oco70s working with manager earl weaver and the great teams of the early oco70s including such players as jim

palmer frank robinson and brooks robinson later tapped by mets owner nelson doubleday jr to bring the mets to the pinnacle of major league baseball cashen with the rise of superstars darryl strawberry and dwight gooden led the mets to the thrilling come from behind victory over the boston red sox leading to the world series championship in 1986 a winning in both leagues also chronicles the drafting of billy beane who would later be the focus of the new york times bestseller moneyball cashen who was a central figure in the fierce competition with new york yankees owner george steinbrenner excelled at building winning ball clubs and remains one of only two general managers ever to win a world series in both leagues Bring In the Right-Hander! 2021-09 the tale of jerry reuss s twenty two year career as a pitcher in the major leagues

Scandal on the South Side 2015-03-19 the black sox scandal is a cold case not a closed case when eliot asinof wrote his classic history about the fixing of the 1919 world series eight men out he told a dramatic story of undereducated and underpaid chicago white sox ballplayers disgruntled by their low pay and poor treatment by team management who fell prey to the wiles of double crossing big city gamblers offering them bribes to lose the world series to the cincinnati reds shoeless joe jackson buck weaver eddie cicotte and the other black sox players were all banned from organized baseball for life but the real story is a lot more complex we now have access to crucial information that changes what we thought we knew about baseball s darkest hour including rare film footage from that fateful fall classic legal documents from the criminal and civil court proceedings and accurate salary information for

major league players and teams all of these new pieces to the black sox puzzle provide definitive answers to some old mysteries and raise other questions in their place however the black sox scandal isn t the only story worth telling about the 1919 chicago white sox the team roster included three future hall of famers a 20 year old spitballer who would go on to win 300 games in the minor leagues and even a batboy who later became a celebrity with the murderers row new york yankees in the 1920s all of their stories are included in scandal on the south side which has full life biographies on each of the 31 players who made an appearance for the white sox in 1919 plus a comprehensive recap of chicago s pennant winning season the tainted world series and the sordid aftermath this book isn t a rewriting of eight men out but it is the complete story of everyone associated with the 1919 chicago white sox the society for american baseball research invites you to learn more about the black sox scandal and the infamous team at the center of it all with contributions from adrian marcewicz andy sturgill brian cooper brian mckenna brian stevens bruce allardice dan lindner daniel ginsburg david fleitz david fletcher gregory h wolf irv goldfarb jack morris jacob pomrenke james e elfers james r nitz jim sandoval john heeg kelly boyer sagert and rod nelson lyle spatz paul mittermeyer peter morris richard smiley rick huhn russell arent steve cardullo steve steinberg steven g mcpherson and william f lamb table of contents 1 introduction by jacob pomrenke 2 prologue offseason 1918 19 by jacob pomrenke 3 joe benz by william f lamb 4 eddie cicotte by jim sandoval 5 eddie collins by paul mittermeyer 6 shano collins by andy sturgill 7 dave danforth by steve steinberg 8 red faber by brian cooper 9

Forty Years a Giant 2020-05 2022 sabr seymour medal finalist for the 2021 casey award for best baseball book of the year when new york giants owner charles a stoneham came home

one night in 1918 and told his teenage son horace horrie i bought you a ballclub he set in motion a family legacy horace stoneham would become one of baseball s greatest figures an owner who played an essential role in integrating the game and who was a major force in making our pastime truly national by bringing major league baseball to the west coast horace stoneham began his tenure with the giants in 1924 learning all sides of the operation until he moved into the front office in 1936 when his father died of kidney disease horace assumed control of the giants at age thirty two becoming one of the youngest owners in baseball history stoneham played a pivotal role in not just his team s history but the game itself in the mid 1940s when the pacific coast league sought to gain major league status few but stoneham and branch rickey took it seriously and twelve years later the giants and dodgers were the first two teams to relocate west stoneham signed former negro leaguers monte irvin and hank thompson making the giants the second national league franchise to racially integrate in the late 1940s the giants hired their first spanish speaking scout and soon became the leading team in developing latin american players stoneham was shy and self effacing and avoided the spotlight his relationships with players were almost always strong yet for all his leadership skills and baseball acumen sustained success eluded most of his teams in forty seasons his giants won just five national league pennants and only one world series the stoneham family business struggled and the team was forced to sell off its beloved stars first willie mays then willie mccovey and finally juan marichal then stoneham had no choice but to sell the club in 1975 while his tenure came to an unfortunate end he is heralded

as a pioneer and leader whose story tells much of baseball history from the 1930s through the 1970s

The Called Shot 2019-03-05 in the summer of 1932 at the beginning of the turbulent decade that would remake america baseball fans were treated to one of the most thrilling seasons in the history of the sport as the nation drifted deeper into the great depression and reeled from social unrest baseball was a diversion for a troubled country and yet the world of baseball was marked by the same edginess that pervaded the national scene on the field fights were as common as double plays amid the national league pennant race cubs shortstop billy jorges was shot by showgirl violet popovich in a chicago hotel room when the regular season ended the cubs and yankees clashed in what would be babe ruth s last appearance in the fall classic after the cubs lost the first two games in new york the series resumed in chicago at wrigley field with democratic presidential candidate franklin roosevelt cheering for the visiting yankees from the box seats behind the yankees dugout in the top of the fifth inning the game took a historic turn as ruth was jeered mercilessly by cubs players and fans he gestured toward the outfield and then blasted a long home run after ruth circled the bases roosevelt exclaimed unbelievable ruth s homer set off one of baseball s longest running and most intense debates did ruth in fact call his famous home run rich with historical context and detail the called shot dramatizes the excitement of a baseball season during one of america s most chaotic summers

The Sound and the Glory 2013-07-01 a unique and comprehensive look at the seattle

sounders franchise and its storied run for the cup the seattle sounders were a sensation from the start attracting crowds of sizes unlike any mls team had ever seen by the 2016 season seattle was averaging more than 42 000 fans per home game the most of any soccer team in the western hemisphere and more than behemoths like chelsea f c and a c milan overseas but for all of its early consistent success seattle had yet to actually win the league in order to reach the ambitious goals the club set for itself the sounders needed the jolt of a championship to get there would require tumult previously unknown to a club built on stability a clash of egos and a title run so unlikely it could hardly have been scripted this is a cinderella story for all mls fans and every sounder at heart

Nolan Ryan 2021-05 for more than twenty five years nolan ryan thrilled audiences with his sizzling 100 plus mile per hour fastballs ryan set numerous records including the career mark for most strikeouts and no hitters readers follow along with the author as he weaves the tale of ryan s hall of fame journey

The Pride of Minnesota 2012-07-01 the 1960s were a heady time to come of age the british invasion transformed pop music and culture the fledgling space program offered a thrilling display of modern technology the civil rights movement and vietnam war drew young people to american politics spurring them to think more critically about the state of the nation and the assassinations martin luther king jr and robert f kennedy in 1968 shook the united states to the core during these turbulent times the minnesota twins were the pride of the north star state an elite team that advanced to the world series in 1965 and played in

dramatic pennant races in the years thereafter after an uneven 1964 season the twins set themselves up for a turnaround that would last the rest of the decade at the end of his playing career with the twins billy martin was hired as third base coach in 1965 giving them a more aggressive base running style mudcat grant became the first african american pitcher to win at least twenty games in the american league and tony oliva won his second batting title to help lead the twins to the world series which they lost in seven games to the dodgers in 1967 rookie rod carew joined the twins as they engaged in a historic pennant race but finished second to the red sox during their impossible dream season in 1969 martin took over as manager and both carew and harmon killebrew led the twins to the american league championship series only to lose to the orioles after which martin was fired in part for a now legendary bar fight bill rigney took the helm in 1970 and steered the twins to a second straight division title and alcs loss to the orioles in the pride of minnesota thom henninger details these pennant races from the key moments and games to the personalities of the players involved in the context of state and world events although the twins won only one pennant in this stretch and failed to win the world series these memorable seasons played in remarkable and compelling times made for an important first decade in the team's early history

Derek Jeter 2016-03-01 discusses the life of new york yankees shortstop derek jeter including his childhood and minor league career individual highlights from his major league career and his championship seasons with the yankees provided by publisher

Baseball's Power Shift 2012-01-01 chronicles the media and public's prominent role in baseball's union movements between 1885 and 1981

Batting Ninth 2020-07 chad griffin can't hit a baseball to save his life when he steps up to home plate he usually leaves after the umpire shouts strike three he always bats in the same spot for the rangers ninth the worst hitter on the team even worse he falls short of his dad's high expectations but when the rangers get a major league all star as their new coach chad's hitting begins to turn around but hitting a baseball isn't chad's only problem as his team strives for the championship trophy chad learns the value of playing the game the right way in this fast paced fiction adventure

Sports Journalism 2023-08 patrick s washburn and chris lamb tell the full story of the past the present and to a degree the future of american sports journalism sports journalism chronicles how and why technology religion social movements immigration racism sexism social media athletes and sportswriters and broadcasters changed sports as well as how sports are covered and how news about sports are presented and disseminated one of the influential factors in sports coverage is the upswing in the number of women sports reporters in the last forty years sports journalism also examines the ethics of sports journalism how sports coverage frequently has differed from that of non sports news and how the internet has spawned a set of new ethical issues

Baseball's Biggest Rivalries 2019-06 what makes a good rivalry sometimes it's two teams going head to head sometimes it's two players trying to one up each other sometimes it's

fans egging each other on baseball is full of rivalries just like these from college clashes to major league matchups read on to discover some of the sports biggest rivalries

Reclaiming 42 2020-03-17 reclaiming 42 centers on one of america s most respected cultural icons jackie robinson and the forgotten aspects of his cultural legacy since his retirement in 1956 and more strongly in the last twenty years america has primarily remembered robinson s legacy in an oversimplified way as the pioneering first black baseball player to integrate the major leagues the mainstream commemorative discourse regarding robinson s career has been created and directed largely by major league baseball mlb which sanitized and oversimplified his legacy into narratives of racial reconciliation that celebrate his integrity character and courage while excluding other aspects of his life such as his controversial political activity his public clashes with other prominent members of the black community and his criticism of mlb mlb s commemoration of robinson reflects a professional sport that is inclusive racially and culturally tolerant and largely postracial yet robinson s identity and therefore his memory has been relegated to the boundaries of a baseball diamond and to the context of a sport and it is within this oversimplified legacy that history has failed him the dominant version of robinson s legacy ignores his political voice during and after his baseball career and pays little attention to the repercussions that his integration had on many factions within the black community reclaiming 42 illuminates how public memory of robinson has undergone changes over the last sixty plus years and moves his story beyond robinson the baseball player opening a new broader interpretation of an otherwise seemingly

convenient narrative to show how robinson s legacy ultimately should both challenge and inspire public memory

Dick Bremer: Game Used 2012-08-31 an unforgettable look at a lifetime of twins baseball packed with bremer s self deprecating humor and passion for the game dick bremer s distinctive baritone has served as the soundtrack of minnesota twins baseball for over three decades millions of fans have enjoyed his observations insight and magical storytelling on television broadcasts now in this striking memoir the minnesota native and lifelong twins fan takes fans behind the mic into the clubhouse and beyond as only he can told through 108 unique anecdotes one for each stitch in a baseball bremer weaves the tale of a lifetime from childhood memories of the ballfield in smalltown dumont minnesota to his early radio days as the duke in the dark to champagne soaked clubhouses in 1987 and 1991 and his encounters with twins legends ranging from calvin griffith and harmon killebrew to kirby puckett and kent hrbek to joe mauer and justin morneau this honest and engaging autobiography gives fans a rare seat alongside bremer and his broadcast partners including killebrew bert blyleven jack morris jim kaat tom kelly and other twins legends

Learn Something New Every Day 2016-11-10 providing a critical update and review of salient topics needed for the proper cardiac evaluation and care of athletes this text is designed to be the most up to date and practical manual for all health care providers who evaluate and treat athletes including sports cardiologists general cardiologists sports medicine specialists team doctors and athletic trainers the book is divided into three key sections the first section discusses essential topics pertaining to the pre participation cardiac screening of athletes providing a framework for how best to perform pre participation cardiac evaluations and optimize the interpretation of cardiac screening test results and a guide to assist the streamlining of appropriate downstream testing when required the second section reviews the management and care of athletes with specific existing cardiovascular disorders

providing the reader with fundamental principles to help recognize and advise levels of sport participation to athletes with these disorders the final section deals with acute sideline management of the symptomatic athlete and will again provide practical algorithms for cardiologists and non cardiologists alike who are responsible for athlete health and safety in the sports arenas and training facilities written and edited by highly regarded experts in the field of sports cardiology including several cardiologists who are collegiate and professional team physicians and who work with professional sports organizations on developing policies for cardiac screening and monitoring sports cardiology is an excellent practical resource for all clinicians working in the field

Sports Cardiology 2012-05-20 the book explores the changing landscape of anti doping investigations which now largely centre on the collection of intelligence about doping through processes such as surveillance interviews with witnesses and interrogation of athletes it examines why and how investigative processes hitherto typically reserved for serious crimes have been co opted by anti doping agencies into a situation where their potential for harm has received little or no critical consideration this book highlights the opportunities and threats inherent in adopting new investigative processes it is expected that many of the same problems that have engulfed forensic investigations over the last two decades such as miscarriages of justice are likely to surface in future anti doping investigations drawing on empirical research and theory from a range of disciplines including forensic psychology criminology policing law sports management and policy studies this book fills a scholarly

vacuum on the investigation of doping through non biological detection methods

Detecting Doping in Sport 2014-03-20 flown by victoria cross recipient lanoe hawker and the members of no 24 sqn the ungainly yet nimble dh 2 helped the allies attain air superiority over the somme in early 1916 and hold it through the summer with its rotary engine pusher configuration affording excellent visibility and eliminating the need for a synchronized machine gun the dh 2 was more than a match for anything the germans could put in the air that is until the arrival of the albatros d ii a sleek inline engined machine built for speed and with twin gun firepower thus the later part of 1916 saw an epic struggle in the skies above the somme pitting the manoeuvrable yet under gunned dh 2s against the less nimble yet better armed and faster albatros d iis in the end the germans would regain air superiority three squadron commanders two of whom were considered pinnacles of their respective air forces would lose their lives and an up and coming pilot manfred von richthofen would triumph in a legendary dogfight and attain unimagined heights fighting with tactics learned from a fallen mentor

DH 2 vs Albatros D I/D II 2012-07-20 in 1916 german aerial domination once held sway by rotary engined fokker and pfalz e type wing warping monoplanes had been lost to the more nimble french nieuports and british dh 2s which not only out flew the german fighters but were present in greater numbers born from experience calls from german fighter pilots requested that rather than compete with the maneuverability of these adversaries new single engine machines should be equipped with higher horsepower engines and armed with two

rather than the then standard single machine gun the robert thelen led albatros design bureau set to work on what became the albatros d i and d ii and by april 1916 they had developed a sleek yet rugged machine that featured the usual albatros semi monocoque wooden construction and employed a 160hp mercedes d iii engine with power enough to equip the aeroplane with two forward firing machine guns in all 500 d iiis and 840 d iii oaw s were produced and saw heavy service throughout 1917

Albatros D.III 2013-01-20 in the face of soviet invasion in 1939 40 and once again in 1941 44 the armies raised by finland a tiny nation of only 4 million people astonished the world by their effective resistance at the end of both these campaigns the winter war and the continuation war the fiercely patriotic defiance of vastly stronger soviet forces by marshal mannerheim s soldiers won their country a unique prize although forced to accept harsh terms finland was never occupied by the red army and retained its independence this book explains and illustrates for the first time in english the organization uniforms equipment and tactics of finland s defenders

Finland at War 1939-45 2007-09-01 in 1916 german aerial domination had been lost to the french and british fighters german fighter pilots requested an aircraft that was more powerful and more heavily armed and the albatros design bureau set to work on what was to become an iconic aircraft design by april 1916 they had developed the albatros d i that featured the usual albatros semi monocoque wooden construction with a 160hp mercedes engine and two forward firing machine guns alongside the development of the d i albatros

had also designed and built a second machine that was similar to the d i the albatros d ii although there were several external differences between the two aircraft it is important to note that these machines evolved simultaneously and that the d ii was not the result of post combat feedback from d i pilots with the inclusion of these aircraft into their reorganized air force germany was able to regain control of the skies by autumn 1916 along with the later designs they inspired the albatros d i and d ii were instrumental in allowing the germans to prosecute their domination through bloody april and well into the summer months that followed
