The Argonauts have made progress in their many quests but they still seem no closer to defeating the Earth Mother Gaea. Her giants have risen all of them and they are stronger than ever. They must be stopped before the Feast of Spes when Gaea plans to have two demigods sacrificed in Athens. She needs their blood, the blood of Olympus, in order to wake the demigods.

The Roman legion from Camp Jupiter, led by Octavian, is almost within striking distance. Though it is

tempting to take the athena parthenos to athens to use as a secret weapon the friends know that the huge statue belongs back on long island where it might be able to stop a war between the two camps the athena parthenos will go west the argo ii will go east the gods still suffering from multiple personality disorder are useless how can a handful of young demigods hope to persevere against gaea s army of powerful giants as dangerous as it is to head to athens they have no other option they have sacrificed too much already and if gaea wakes it is game over

the third exciting entry in rick riordan s best selling heroes of olympus series is now a graphic novel in the son of neptune percy hazel and frank met in camp jupiter the roman equivalent of camp half blood and traveled to the land beyond the gods to complete a dangerous quest the third book in the heroes of olympus series will unite them with jason piper and leo but they number only six who will complete the prophecy of seven with old friends and new friends joining forces a marvelous ship fearsome foes and an exotic setting the mark of athena promises to be another unforgettable adventure by master storyteller rick riordan rick riordan s percy jackson and the olympians will soon be a series on disney
