Twelfth Night 1997 since its first edition in 1964, Dixon and Godrich's blues and gospel records has been dubbed the bible for collectors of pre-war African American music. It provides an exhaustive listing of all recordings made up to the end of 1943 in a distinctively African American musical style, excluding those customarily classed as jazz which are the subject of separate discographies. The book covers recordings made for the commercial market, whether issued at the time or not, and also recordings made for the Library of Congress Archive of Folk Song and similar bodies. About 20,000 titles in all by more than 3,000 artists. For each recording session, full details are given of artist, credit, accompaniment, place and date of recording, titles, issuing company and catalogue numbers, matrix numbers and alternate takes. There are also short accounts of the major race labels which recorded blues and gospel material and a complete list of field trips to the South by travelling recording units. Howard Rye has joined the

original compilers for this thoroughly revised fourth edition the scope has been enlarged by the addition of about 150 new artists in addition to newly discovered recordings by other artists early cylinder recordings of gospel music from the 1890s are also included for the first time previous editions of this work were applauded for their completeness accuracy and reliability this has now been enhanced by the addition of new information from record labels and from record company files and by listening to a wide selection of titles and detailed cross checking

winner of the 2004 c hugh holman award from the society for the study of southern literature seems like murder here offers a revealing new account of the blues tradition far from mere laments about lost loves and hard times the blues emerge in this provocative study as vital responses to spectacle lynchings and the violent realities of african american life in the jim crow south with

brilliant interpretations of both classic songs and literary works from the autobiographies of w c handy david honeyboy edwards and b b king to the poetry of langston hughes and the novels of zora neale hurston seems like murder here will transform our understanding of the blues and its enduring power
