ask audience to cut the part of the image on the screen that they don't like supply scissors yoko ono tokyo june 1964 a dazzling range of unconventional film scripts and texts many published for the first time make up scott macdonald's newest collection illustrated with nearly 100 film stills this fascinating book is at once a reference work of film history and an unparalleled sampling of experimental language art it contributes to the very dissipation of boundaries between cinematic literary and artistic expression thematized in the films themselves each text and script is introduced and contextualized by macdonald a filmography and a bibliography round out the volume this is a readable often quite funny literature that investigates differences between seeing and reading represented are avant garde classics such as hollis frampton's poetic justice and zorns lemma and morgan fisher's standard gauge and william greaves's recently rediscovered symbiopsychotaxiplasm take one michael snow turns film loose on language in so is this peter rose turns language loose on theory in pressures of the text some of the most influential feminist filmscripts of recent decades laura mulvey and peter wollen's riddles of the sphinx su friedrich's gently down the stream trinh t minh ha's reassemblage yvonne rainer's privilege confirm this book's importance for readers in gender and cultural studies as well as for filmmakers and admirers of experimental writing independent cinema and the visual arts in general an analysis of vietnam 9 11 and the iraq war from patriotism to dissent through various visual and written signs among which the us flag ribbons car stickers cartoons movies the media and presidential war rhetoric desecrating the american flag is the only comprehensive edited and annotated collection of critical documents regarding the controversies swirling around the desecration of the american flag should violators of the stars and stripes be prosecuted or legally protected this issue reached center stage in american politics throughout the 1990s when congress debated whether or not to amend the constitution to forbid flag desecration but this debate has been hotly contested since the civil war robert justin goldstein brings together almost 150 key documents spanning more than 100 years he culls from a variety of sources congressional hearings debates legal briefs oral arguments newspaper articles and court rulings for example and then carefully edits each document to retain key material introductory essays place each document within a broader historical political and legal context at a time when the u s flag is both a source of both pride and controversy this volume provides the first encyclopedic a to z treatment of the u s flag in american history culture and law this title is a comprehensive resource for understanding all aspects of the american flag and its relationship to the american people the encyclopedia provides a thorough historical examination of key developments in the flag's design as well as laws and court decisions related to the flag and the first amendment in relation to the flag's history it also discusses evolving public attitudes about its importance as a national symbol the encyclopedia contains illuminating scholarly essays on presentations of the flag in american politics the military and popular culture including art music and journalism additionally these essays address important rules of flag etiquette and modern controversies related to them from flag burning to refusing to stand during the playing of the u s national anthem gold winner for reference in foreword reviews 2015 indiefab book of the year awards with decades of experience as a gala event planner award winning director and producer ron miziker presents the ultimate guide to planning and executing every special event in this one of a kind guidebook for professionals and beginners alike it is designed to be a quick reference for ensuring that any exciting educational or entertaining event comes together on time and within budget the book includes essential information about critical subjects proven suggestions and personal anecdotes to make your event memorable and successful whether your questions concern layout techniques terminology protocol quantities or procedures this book has the answers with quick to understand charts and diagrams that illustrate key information to make the event great be it a sales meeting wedding awards dinner community festival concert fund raiser cocktail party grand opening political rally formal dinner exhibition press announcement family celebration or informal gathering at home our social world introduction to sociology condensed inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis the award winning author team of jeanne h ballantine keith a roberts and kathleen odell korgen organizes the text around the social world model a conceptual framework that demonstrates the relationships among individuals the micro level organizations institutions and subcultures the meso level and societies and global structures the macro level the application of this model across chapters helps students practice using the three levels of analysis and view sociology as an integrated whole rather than a set of discrete subjects the fifth edition of the condensed version is adapted from our social world introduction to sociology and is one third shorter by streamlining boxes and the main narrative and combining four chapters into two family education and politics economics new and key features a new full length chapter on health illness and healthcare has been added several chapters have been reorganized with updated data added studies and newly emerging emphases in sociology six new sociologists in action features added four new engaging sociology features added with new opportunities for data analysis by students 100 new or updated tables and figures nearly 500 new references and dozens of older references removed many sentences and definitions in the book have been revised for brevity and clarity and the glossary has been updated for better correspondence with the text links to exceptional teaching resources from a s a s trails teaching resources and innovation library for sociology available in sage coursepacks mcat guide maps chapter content to foundational concepts and content categories in section 3 of the mcat test available in sage coursepacks those who do not know history are doomed to repeat it using the historical record of fascist regimes eric d williams draws hauntingly similar characteristics used by former fascist regimes currently unfolding in the united states williams establishes eight undisputable points arising from the current administration and offers valid points to stop the slide towards fascism by taking back america by the people for the people even if your home's decor hasn't changed since 1976 you can refresh revamp and revitalize it
