Geological Survey Water-supply Paper 1954

since the time of pioneer settlers abel and ethan allen crawford explorers and adventurers have been lured by the stunning peaks and lush valleys of new hampshire s white mountains in the nearly two centuries since the crawfords constructed their first crude footpath onto the heights of mount washington and the presidential range the white mountain trail system has evolved into an intricate network featuring more than 1 400 miles of marked paths retrace the steps of early mountain guides such as charles lowe and allen old man thompson and learn how these early path makers made new england s most popular and extensive mountain trail system possible longtime northern new hampshire hiking columnist and guidebook author mike dickerman traces the fascinating story of this evolution with this new collection of profiles and reflections on the early trails and trailblazers of the region

Water-resources Investigations Report 1995

years before jamestown was settled european adventurers and explorers landed on the shores of maine new hampshire and massachusetts in search of fame fortune and souls to convert to christianity unbeknownst to them all the new world they had found was actually a very old one as the history of the native people spanned 10 000 years or more this work is a compilation of old and new essays written by present day archeologists by explorers and missionaries who were in direct contact with the indians and by scholars over the last three centuries the essays are in three sections prehistory which concentrates on the paleo indian archaic and woodland phases of the native heritage the contact era which deals with the explorers and their experiences in the new world and collections sites trails and names which focuses on various dedications to the native population and significant names such as the massabesic trail and the cohas brook site

Geohydrology, Yield, and Water Quality of Stratified-drift Aquifers in the Pemigewasset River Basin, Central New Hampshire 1996
