**Shoemaker by Levy** 2021-02-09 it was a lucky twist of fate when in the early 1980s David Levy, a writer and amateur astronomer, joined up with the famous scientist Eugene Shoemaker and his wife Carolyn to search for comets from an observation post on Palomar Mountain in Southern California. Their collaboration would lead to the 1993 discovery of the most remarkable comet ever recorded, Shoemaker-Levy 9, with its several nuclei, five tails, and two sheets of debris spread out in its orbit plane. A year later, Levy would be by the Shoemakers' side again when their comet ended its four-billion-year-long journey through the solar system and collided with Jupiter in the most stunning astronomical display of the century. Not only did this collision revolutionize our understanding of the history of the solar system, but it also offered a spectacular confirmation of one scientist's life work. As a close friend and colleague of Shoemaker, who died in 1997 at the age of 69, Levy offers a uniquely insightful account of his life and the way it has shaped our thinking about the universe. Early in his training as a geologist, Shoemaker suspected that it wasn't volcanic activity but rather collisions with comets and asteroids that created most of the craters on the Moon and most other bodies in the solar system, convincing the scientific community of the plausibility of impact theory and revealing its power for penetrating mysteries such as the extinction of the dinosaurs and the timing of the Earth's eventual demise. Through conversations with Shoemaker and his family, Levy reconstructs the journey that began with a young geologist's serious desire to go to the Moon in the late 1940s, sent by the government to find a way to harvest plutonium. Shoemaker instead found evidence in desert craters for what became his impact theory, while he never became an astronaut, he did become the first geologist hired by NASA and subsequently set the research agenda for the first manned lunar landing. After a series of victories and setbacks for Shoemaker, the collision of Shoemaker-Levy 9 with Jupiter provided the most convincing proof to date of the role of impacts in our solar system. Levy's explanation of the scientific reasoning that guided Shoemaker in his career up to this dramatic point, as well as his personal portrait of a man who found white-water rafting to be an easy way to relax, sets these fascinating events in a human scale. This biography shows what Shoemaker's legacy will be for our understanding of the story of the Earth well into the twenty-first century.

The Adventures of Levy 2011-05-12 during the time when people decided to build a tower to heaven, the Tablet of Babel was made. This precious artifact contains the alphabet of the languages of all mankind.

Amy Levy 2010-04-06 Amy Levy has risen to prominence in recent years as one of the most innovative and perplexing writers of her generation, embraced by feminist scholars for her radical experimentation with queer poetic voice and her witty journalistic pieces on female independence. She remains controversial for her representations of London Jewry that draw unmistakably on contemporary antisemitic discourse. Amy Levy: Critical Essays brings together scholars working in the fields of Victorian cultural history, women's poetry and fiction, and the history of Anglo-Jewry. The essays trace the social, intellectual, and political contexts of Levy's writing and its contemporary reception, working from close analyses of Levy's texts. The collection aims to rethink her engagement with Jewish identity, to consider her literary and political identifications, to assess her representations of modern consumer society and popular culture, and to place her life and work within late Victorian cultural debate. This book is essential reading for undergraduate and postgraduate students, offering both a comprehensive literature review of scholarship to date and a range of new critical perspectives. Contributors: Susan David, Bernstein University of Wisconsin-Madison; Gail Cunningham, Kingston University; Elizabeth F. Evans, Pennsylvania State University; Dubois Emma Francis, Warwick University; Alex Goody, Oxford Brookes University; T. D. Olverson, University of Newcastle upon Tyne; Lyssa Randolph, University of Wales Newport; Meri Jane Rochelson, Florida International University.

**Moses Levy of Florida** 2005-12-01 Moses Elias Levy (1782-1854) was one of the antebellum South's most influential and interesting Jewish citizens. Only recently, however, have historians begun to appreciate his role as a social activist. C. S. Monaco discovered Levy's plan for the abolition of slavery in the late 1990s, and now in the first full-scale biography of Levy, Monaco completes the picture of his life and work. Long known only as the father of David L. Yulee, the first Jew elected to the U.S. Senate, Levy appears here in all his many, sometimes contradictory, roles: abolitionist and slave owner, utopian colonizer and former arms dealer, religious reformer and biblical conservative. Each aspect of Levy's life and character comes into sharp relief as Monaco follows him from his affluent upbringing in a Sephardic Jewish household in Morocco, where his father was a courtier to the Sultan, through his career as a successful merchant shipper to his radical reform activities in Florida. With his many residences abroad in Morocco, Gibraltar, Danish Virgin Islands, Puerto Rico, Cuba, Curacao, England, Levy virtually epitomized the Atlantic world, and Monaco escorts readers from country to country, considering Levy's accomplishments in each. The sole Jewish voice during the British abolitionist crusade, Levy was so extraordinary in his activism in London that some Protestants believed he heralded the millennium. In his search for equilibrium between enlightenment thinking and pre-modern religion, Levy founded the United States' first Jewish communitarian settlement in the wilds of the East Florida frontier as one of the region's largest

landowners he also reintroduced sugarcane as a viable crop organized the first florida development corporation helped establish the earliest free public school and served as the territory s first education commissioner in moses levy of florida c s monaco offers a radical reappraisal of this complex and formerly underestimated figure bringing to light for the first time the full and fascinating extent of his remarkable contributions to nineteenth century america

**Brands, Consumers, Symbols and Research** 1999-08-11 this volume assembles all sidney j levy s and his collaborators significant essays and studies in the field of marketing his work includes marketing s role in management how managers develop products and brands and how the marketplace is studied

**Annual Statistical Report** 1885 1867 68 include the statistical report of the secretary of state in continuation of the annual report of the commissioners of statistics

**Sara Levy's World** 2018 a rich interdisciplinary exploration of the world of sara levy a jewish salonnière and skilled performing musician in late eighteenth century berlin and her impact on the bach revival german jewish life and enlightenment culture

**Retailing Management** 2007 retailing management by levy and weitz is the best selling textbook in the retailing market known for its strategic look at retailing and current coverage this new 6th edition continues to be organized around a model of strategic decision making one of the major advantages of the levy weitz approach is the text s readability organization and its emphasis on how students can come to grips with real retailing issues and be able to solve problems the text s logical organization around a decision making process allows readers to learn about the process of strategic decisions first before moving on to decision implementation the implementation decisions are broken down into merchandise management decisions and store management decisions just as they would be in a real retailing setting the text provides a balanced treatment of strategic how to and conceptual material in a highly readable and interesting format and developments in retailing including globalization customer relationship management programs multi channel retailing supply chain management and the use of the internet to improve operating efficiencies and customer service students indicate that this text is a good read because of the numerous examples of retailers their practices the interesting retail facts in the margins and eye catching design and layout retailing is a high tech global growth industry that provides challenging and rewarding career opportunities for college graduates this book and its corresponding tools and exercises were written to expose students to the excitement of retailing and prepare them for a career in retailing and related fields

**Wealth and Notoriety: the extraordinary families of William Levy and Charles Lewis of London** 2013 this book is much more than just a catalogue of genealogical facts dates and events it reveals an extraordinary family with noteworthy individuals in almost every branch some were wealthy some were notorious their activities frequently surfaced in the courts and in newspapers their wealth originated from a london jewish couple william and elizabeth levy whose disorderly house attracted the attention of an 1817 house of commons enquiry later generations were able to enter more respectable professions they became lawyers businessmen theatre owners military heroes pioneering adventurers actors writers and artists amongst those mentioned are william levy charles lewis lawrence isaac nathan laurence hanray lawrence levy edward lawrence levy robert neck frank van neck morrice levy henry harris samuel harris alan king hamilton edward dillon lewis charles wray lewis ernest lewis donald swain lewis edward tyrrell lewis somers reginald lewis arthur percy lewis

**Taxation: Its Levy and Expenditure, Past and Future** 1866 written by leading scholars in the field causes of war provides the first comprehensive analysis of the leading theories relating to the origins of both interstate and civil wars utilizes historical examples to illustrate individual theories throughout includes an analysis of theories of civil wars as well as interstate wars one of the only texts to do both written by two former international studies association presidents

*Causes of War* 2011-09-15 kali ini julia benar benar tak bisa memaafkan ayahnya setelah bertahun tahun mengabaikan dirinya kini anthony menggagalkan rencana pernikahannya bayangkan di hari julia seharusnya melangkah menuju pelaminan muncul berita bahwa ayahnya meninggal beberapa hari kemudian sebuah paket datang isinya sungguh luar biasa tak pernah terbayangkan oleh julia atau siapa pun manusia android yang sama persis dengan ayahnya entah apa tujuan anthony menciptakan android semacam itu yang jelas ia ingin memberikan sebuah kado istimewa bagi julia bukti cinta yang tak pernah ia ungkapkan selama masih hidup dan ia hanya memiliki 6 hari untuk melakukannya kado istimewa apakah yang tengah disiapkan sang ayah siapkah julia memberi maaf atas semua waktu yang hilang dan kekecewaan yang pernah ada sebuah novel manis yang penuh kejutan mizan bentang terjemahan indonesia

*Digest of the Michigan Reports ... Being the Former Digest [by Thomas M. Cooley] with the Subsequent Reports Incorporated, by Edgar A. Cooley* 1872 born in

connecticut in 1832 belden went to california in 1853 he served on the nevada county court from 1857 to 1861 in the state senate from 1865 to 1868 and on the district and superior courts of santa clara county from 1871 until just before his death in 1888

All Those Things We Never Said 2009-07-01 research in personnel and human resources management is designed to promote theory and research on important substantive and methodological topics in the field of human resources management

**Life of David Belden** 1891 this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Research in Personnel and Human Resources Management** 2017-08-08 legal budgets are shrinking clients call for cost control finish on time they plead meet business as well as legal needs reduce project risk be predictable do more with less the emerging field of legal project management offers a powerful new approach as described in this groundbreaking book legal project management is not an alien discipline full of jargon and process overhead rather it s designed for the specific world of legal professionals it respects the way attorneys work enhancing their success by playing to their strengths best of all it s easily mastered by attorneys because it s based on tasks they re already doing need to make better decisions and provide accurate information about cost deadlines and risks you need legal project management trying to control legal costs whether you re in a law firm or in house it s time to take advantage of legal project management legal project management is the essential guide to the subject with topics arranged so you can easily find the material you need when you need it most steven b levy a leading expert in the field writes with clarity and insight gained from his 35 years of business project and legal experience he shares the lessons of decades of managing and mentoring teams that attained outstanding outcomes overworked legal professionals are already doing it all now get it all under control with legal project management

*A Capital Levy and a Levy on War Wealth* 1897 moses levy s tract originally published in london in 1828 is the earliest and most important anti slavery document by an american jew though the work was published anonymously due to levy s vulnerability as a sugar planter and investor in florida it s authorship was well known in antislavery circles in london at the time british abolitionists had the highest regard for the american visitor whom they compared to their own william wilberforce levy s fame as an abolitionist did not accompany him on his return to florida where such ideas were anathema his situation was complicated by the pro slavery position taken by his politically ambitious son david levy yulee who was elected to the u s senate in 1845 yulee s efforts to distance himself from his father s judaism and progressive social beliefs led to their permanent estrangement when levy died in 1854 his abolitionism was unknown in america and forgotten in britain nearly a century and a half later chris monaco researching levy s plan to settle european jews in florida followed the trail to london and discovered the abolitionist connection he came across the anonymous a plan for the abolition of slavery in the british national library and recognized moses levy as its author in his introduction to this reprinting of the tract monaco expertly places levy and his work in historical context highlighting the uniqueness of the document and the extraordinary vision of its author jacket
