**Crafting Expository Argument 2009-07**

degen a college board consultant begins with four principles to help students become better writers his foreword includes a ten week lesson planning sequence for grammar infusion

**Crafting Expository Argument 1999**

crafting expository argument focuses on providing secondary students the universal writing skills required for producing the expository essay the approach to teaching writing found in this text weaves practical grammar instruction into the writing process annotated writing samples all of which are student written illustrate the process by which young writers create clear coherent prose precise topic sentences and thesis statements and extensively elaborated supporting details the editing symbols the author uses will facilitate productive communication among young writers and their instructors during the revision stage of composition
