My Indecision is Final 1990 from david puttnam producer of such modern film classics as chariots of fire the killing fields midnight express and the mission and the only european to have run a major hollywood studio an insightful and provocative history that explains the personalities and events which shaped film's transformation from a technological curiosity into one of the world's most powerful cultural and economic forces from the early rivalry between its inventors to the power brokering and political influence of today's mega stars from zukor and laemmle to ovitz and eisner from the serendipitous discovery of los angeles flagstaff no good wired cecil b de mille want authority to rent barn for 75 a month in place called hollywood to the exploitation and depredation of europe's film culture in the name of the marketplace puttnam captures the urgency and wonder that swept through a young industry and set it spinning on an axis of money and power movies and money chronicles the unprecedented collision between art and commerce and incisively analyzes its implications in today's global arena puttnam's engaging history is also an impassioned polemic from the moment thomas edison stole the first crude attempt at a movie camera from the french scientist Étienne jules marey hollywood and europe have existed the author claims in a state of undeclared hostility hostility that has occasionally erupted into open battle for control of the century's most powerful artistic medium and this battle he contends will ultimately determine the nature of europe's cultural identity he also argues forcefully for the intelligent application of the language and techniques of cinema to education urging filmmakers to make films that challenge and inspire as well as entertain ten years after his abrupt

departure from columbia puttnam re enters the debate about cinema with characteristic audacity with the irreverence of an iconoclast and the canniness of a seasoned player movies and money is a book that will change our understanding of the history and future of film

Producing for Film and Television 2019-02-18 over 39 chapters the routledge companion to british cinema history offers a comprehensive and revisionist overview of british cinema as on the one hand a commercial entertainment industry and on the other a series of institutions centred on economics funding and relations to government whereas most histories of british cinema focus on directors stars genres and themes this companion explores the forces enabling and constraining the films production distribution exhibition and reception contexts from the late nineteenth century to the present day the contributors provide a wealth of empirical and archive based scholarship that draws on insider perspectives of key film institutions and illuminates aspects of british film culture that have been neglected or marginalized such as the watch committee system the eady levy the rise of the multiplex and film festivals it also places emphasis on areas where scholarship has either been especially productive and influential such as in early and silent cinema or promoted new approaches such as audience and memory studies

Rock-a-doodle 1992 explores the medium of film as both art and craft sensibility and science tradition and technology

Movies and Money 2011-08-03 richard gilman referred to how to read a film as simply the best single work of its kind and janet maslin in the new york times book review marveled at james monaco s ability to collect an enormous amount of useful information and assemble it in an exhilaratingly simple and systematic way indeed since its original publication in 1977 this hugely popular book has become the definitive source on film and media now james monaco offers a special anniversary edition of his classic work featuring a new preface and several new sections including an essential library one hundred books about film and media you should read and one hundred films you should see as in previous editions monaco once again looks at film from many vantage points as both art and craft sensibility and science tradition and technology after examining film s close relation to other narrative media such as the novel painting photography television and even music the book discusses the elements necessary to understand how films convey meaning and more importantly how we can best discern all that a film is attempting to communicate in addition monaco stresses the still evolving digital context of film throughout one of the new sections looks at the untrustworthy nature of digital images and sound and his chapter on multimedia brings media criticism into the twenty first century with a thorough discussion of

topics like virtual reality cyberspace and the proximity of both to film with hundreds of illustrative black and white film stills and diagrams how to read a film is an indispensable addition to the library of everyone who loves the cinema and wants to understand it better

The Routledge Companion to British Cinema History 2017-01-12 this monograph offers the first ever comprehensive study of channel 4 s film production distribution and broadcasting activities and represents a significant contribution to british cinema and television history the importance of channel 4 to the british film industry over the last 40 years cannot be overstated the birth of the channel in 1982 heralded a convergence between the uk film and television sectors which was particularly notable given that the two industries had historically been at loggerheads in addition to its role as a broadcaster and curator of feature film programming since its inception channel 4 has funded or co funded hundreds of feature films through its film commissioning arm film4 the channel s commitment to financing between 15 20 films per year helped form the backbone of the ailing film sector throughout the 1980s and early 1990s while film4 funding has also been instrumental to the success of many companies which have become vital to the british film industry
