relevant if you want to discover the influential and captivating history of france then read on france has influenced the course of history in europe and the world for centuries considered one of the world s most beautiful countries and home to some of the world s most visited tourist locations france has enthralled and fascinated the people who ve discovered that in many ways the history of france encompasses both the good and bad in the human character the french have rightly prided themselves on their food fashion painting sculpture theater films and literature among much else the names escoffier saint laurent monet rodin moliere truffaut and voltaire are known throughout the world the famous eiffel tower is recognized as the symbol of france to people in the most remote places of the globe but there is so much more to the history of france than escargot wine impressionism and movies in this book you ll learn the history of france and of the french one of the most fascinating frightening and inspiring histories of them all in history of france a captivating guide to french history you will discover topics such as the simple facts about france its population economy and geography the surprisingly advanced world of the gauls and their famous leader vercingetorix who waged a bloody war against the romans and julius caesar the great emperor charlemagne who created the largest and strongest military and the greatest empire after the fall of rome and who was also the first holy roman the legendary joan of arc the teenager who victoriously inspired the armies of france against the english in the 15th century the amazing world of louis xiv and his beautiful and grandiose palace of versailles the bloody inspiring struggle for freedom that was the french revolution and how it still influences revolutions and politics today the brilliant napoleon bonaparte the corsican born foreigner who built an empire using the force of his will and who was ahead of his time enacting

military tactics that are still studied today in military academies around the world the tragic franco prussian war and how it led to the bloody wars of the 20th century in europe france s brave role in world war i the tragedy of wwii the french resistance and collaboration the internal struggles of france since the end of the second world war and much more scroll up and click the add to cart button to learn more about the history of france this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant reprint of the original first published in 1875 in this comprehensive survey of french history readers will discover the many social cultural and political forces that have shaped the nation over the centuries from the earliest gallic tribes to the present day this book offers a sweeping overview of the major events and trends that have made france one of the linchpins of european civilization a must read for anyone interested in european history or the cultural heritage of france this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

## **Historical Epochs of the French Revolution 1796**

excerpt from a history of france it often happens that those of us who live in great cities do not know our next door neighbors in the great world it is very much the same and we know little or nothing about our neighbors hundreds of years ago a french writer called us his next neighbor it was impossible he said to write about france without also writing about england that is very true for during hundreds of years the history of the two countries mixed and mingled yet in spite of that jacques bonhomme and john bull have gone on living side by side knowing little of each other's history understanding little of each other's ways for during hundreds of years france and england were deadly enemies and englishmen cared little about the history of france they thought that they knew enough about frenchmen when they knew how to fight them but those days have long gone past and now jacques bonhomme is not only our next neighbor but our very good friend that being so british boys and girls are no longer content to know nothing about this friend and several years ago i got a letter from a little english boy i like that book he said and i wish you would write one just the same only about france because we can't find anything nice about france since then i have received many such letters both from british boys and girls and from their cousins in america i promised them all that some day they should have the book they asked for they were not very pleased with that promise i think about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

## **The History of France 1856**

reprint of the original first published in 1859 the publishing house anaposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost

## **A history of France 1853**

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

## **The Philosophy of History in France and Germany 1874**

excerpt from history of france from the earliest times to the treaty of versailles one limitation must be stated very frankly no other one nation of europe has touched so many outside factors as france a complete history of france would make an almost equally complete history of nearly all the great wars and major diplomatic intrigues that have agitated europe to write a short history therefore that was not simply to degenerate into a dry epitome military and diplomatic annals have perforce been cut to the bone the story has been the story of the french people its progress setbacks trials and victories and only so far as foreign or military events have contributed to that story have they been mentioned about the publisher

forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
