Music Notebook - Standard Music Manuscript Paper: Blank Music Staff Book, 10 Staves Per Page (8.5 X 11) 150 Pages 2021-04-14

the long and tortured career of ira barnstein the unrivaled king of copyright infringement plaintiffs opens a curious window into the evolution of copyright law in the united states as gary a rosen shows in this frequently funny and always entertaining history the litigious barnstein was a trenchant observer and most improbable participant in the transformation of not just copyright but of american popular music itself a musical prodigy in the late nineteenth century barnstein performed as a boy soprano at the famous 1893 white city exhibition in chicago he grew up to be a composer of moderate accomplishment but by the mid 1920s his fortunes had reversed in the face of changing tastes and times embittered and confused he became convinced that he was the victim of a conspiracy to steal his music and set out on a three decade long campaign to prove it suing most of the major players in the popular music industry of his day although barnstein never won a case rosen shows that the decisions rendered ultimately defined some of the basic parameters of copyright law his most consequential case against a dumbfounded cole porter established precedents that have provided the foundation for successful suits against george harrison michael bolton and many others unfair to genius alternates the stories of barnstein and a colorful cast of supporting characters with a fascinating account of the economic technological and legal forces of the first half of the twentieth century that shifted the balance of power from the mercenary music publishers of tin pan alley to the composers and lyricists who wrote the great american songbook
