characters as they struggle with their secret identities learn to work together and take down monstrous villains the science fiction film in contemporary hollywood focuses on the american science fiction sf film during the period 2001 2020 in order to provide a theoretical mapping of the genre in the context of conglomerate hollywood using a social semiotics approach in a systematic corpus of films the book argues that the sf film can be delineated by two semiotic squares the first one centering on the genre s more than human ontologies sf bodies and the second one focusing on its imaginative worlds sf worlds based on this theoretical framework the book examines the genre in six cycles which are placed in their historical context and are analyzed in relation to cultural discourses such as technological embodiment race animal human relations environmentalism global capitalism and the techno scientific empire by considering these cycles which include superhero films creature films space operas among others as expressions of the genre s basic oppositions the book facilitates the comparison and juxtaposition of films that have rarely been discussed in tandem offering a new perspective on the multiple articulations of the sf film in the new millennium the next power rangers epic starts here the power rangers are finally reunited but can things ever be the using invented languages can appeal to a wider range of students and can help those students to develop the fundamental skills of linguistic analysis winner 2023 shapiro best book award association for israel studies from frank sinatra s early pro zionist rallying to steven spielberg s present day peacemaking hollywood has long enjoyed a special relationship with israel this book offers a groundbreaking account of this relationship both on and off the screen tony shaw and giora goodman investigate the many ways in which hollywood s moguls directors and actors have supported or challenged israel for more than seven decades they explore the complex story of israel s relationship with american jewry and illuminate how media and soft power have shaped the arab israeli conflict shaw and goodman draw on a vast range of archival sources to demonstrate how show business has played a pivotal role in crafting the u s israel alliance they probe the influence of israeli diplomacy on hollywood s output and lobbying activities but also highlight the limits of ideological devotion in high risk entertainment industries the book details the political involvement with israel and palestine of household names such as eddie cantor kirk douglas elizabeth taylor barbra streisand vanessa redgrave arnold schwarzenegger robert de niro and natalie portman it also spotlights the role of key behind the scenes players like dore schary arthur krim arnon milchan and haim saban bringing the story up to the moment shaw and goodman contend that the hollywood israel relationship might now be at a turning point shedding new light on the political power that images and celebrity can wield hollywood and israel shows the world s entertainment capital to be an important player in international affairs the treatment and mistreatment of women throughout history continues to be a necessary topic of discussion in order for progress to be made and equality to be achieved while current articles and books expose troubling truths of the gender divide modern cinema continues to provide problematic depictions of such behavior with a few heartening exceptions the encyclopedia of sexism in american films closely examines the many pervasive forms of sexism in contemporary productions from clueless comedies to superhero blockbusters in more than 130 entries this volume explores a number of cinematic grievances including the objectification of women s bodies the limited character types available for female performers the lack of sexual diversity on the screen the limited range of desirable traits for female performers the use of gratuitous sex the narrow focus on heteronormative depictions of courtship and romance the films discussed here include as good as it gets 1999 beauty and the beast 2017 the devil wears prada 2006 do the right thing 1989 easy a 2010 the forty year old virgin 2005 hidden figures 2016 lost in translation 2003 mulholland drive 2001 discrimination this book illuminates one more aspect of women s lives that deserves to be understood offering insights and analysis from more than fifty contributors the encyclopedia of sexism in american films will appeal to scholars of cinema gender studies women s studies and cultural history japanese influence on american children s television examines the gradual yet dramatic transformation of saturday morning children s programming from being rooted in american traditions and popular culture to reflecting japanese popular culture in this modern era of globalization and global media cultural convergence the book brings to light an often overlooked phenomenon of the gradual integration of narrative and character conventions borrowed from japanese storytelling into american children s media the book begins with a brief history of saturday morning in the united states from its earliest years and the interaction between american and japanese popular media during this time period it then moves onto reviewing the dramatic shift that occurred within the saturday morning block through both an overview of the transitional decades as well as an in depth analysis of the transformative ascent of the shows mighty morphin power rangers pokémon and yu gi oh this book of empirical studies analyzes examples of televisual shared universes since the 1960s to understand how the nature of televised serial narratives and network corporate policies have long created shared storyworlds while there has been much discussion about shared cinematic universes and comic book universes the concept has had limited exploration in other media such as those seen on the smaller screen by applying convergence culture and other contemporary media studies concepts to television s
