dithering decisions that turn out wrong decisions that people sabotage or don't know how to implement if your company's experiencing these problems it's not alone most organizations don't know how to make and execute good decisions and they're paying a high price as profitability and competitiveness erode it doesn't have to be this way in *Decide and Deliver* the authors draw on Bain Company's extensive research to present a five-step process for improving your firm's decision effectiveness 1 assess your decision effectiveness and how your organization affects it 2 identify your critical decisions 3 set individual critical decisions up for success 4 ensure that your company enables and reinforces great decision making and execution 5 embed the changes in everyday practice master this process and you see immediate results people across your organization collaborate to make crucial decisions better and faster than your rivals and they execute them flawlessly fueling unprecedented financial performance filled with powerful hands-on tools and detailed examples from companies as varied as Ford Motor Company British American Tobacco Telstra Lafarge and Abb UK *Decide and Deliver* helps you make decision management a potent competitive weapon in your company from the esteemed author of the international bestseller *How to Win Friends and Influence People* comes a book to help you become the great communicator that you've always wanted to be we all know a great public speaker when we see one he or she seems to possess qualities confidence charisma eloquence learning that the rest of us lack but the ability to speak well in front of others is a skill not a gift that means anyone can learn how to do it with the right guidance *Stand and Deliver* gives you everything you need to know to become a poised polished and masterful communicator it reveals the techniques that have worked for countless great speakers throughout history in this book you will learn how to prepare properly for a presentation develop and project your own unique style overcome stage fright and win any audience in one minute packed with tips strategies and real-life examples including case studies of some of the world's great orators *Stand and Deliver* is the definitive guidebook for public speaking the essential techniques that you learn from this book will benefit you for years to come in this book you will learn how to define the audience determine what to say organize the content control nervousness deliver in style use visual aids deal with questions the fictional treatment makes this an entertaining as well as an informative guide as an additional aid to learning the key points are summarized in checklist form at the end of the book *Stand and Deliver* will be valued by all managers faced with the need to give effective presentations *Stand and Deliver* is a practical manual for deliverance ministry it is designed to present usable instruction for the conduct of deliverance ministry christian religion a much-praised speaker and speaking coach Ian Nichol has written a thorough and authoritative guide to public speaking the book is written in an engaging informative and occasionally confessional style with a great undercurrent of humour it makes for a relaxing and highly enjoyable read join bestselling author Priya Kumar as she takes you on an inspiring journey through the life of one of India's leading entrepreneurs Subhasish Chakraborty the founder of DTC Express Limited Subhasish Chakraborty started DTC in 1990 with the intention of providing a better logistics solution to people challenged by a lack of capital to create a network he came up with an idea to partner with entrepreneurs who shared his vision of providing the best customer service experience in the field of express supply chain logistics the scheme was an immediate success and he pioneered the path-breaking concept of a franchise model the first of its kind in the courier industry today DTC has a direct presence in over 15 countries this is the story of a man who made it against all odds taking DTC from a start-up courier company to the supply chain of happiness that it stands for today providing employment to thousands delivering smiles to millions *Deliver Us from Evil* is the sequel to *Those Whom the Gods Love* in Bill Davis' return appearance we have the same loveable considerate man we met earlier but the lessons he learned in the first book have made him harder deliberate more ruthless this assignment has Bill Davis tracking down a drug gang against his wishes he is assigned a woman partner these two and a Chesapeake Bay retriever named Bear form an excellent team retaliation against the drug dealers is immediate unerring and deadly the skills Bill learned in Vietnam are honed again as he sets up a series of ambushes his ability to think

on his feet is demonstrated by his capacity to anticipate the enemy's next move and stay one step ahead of them keeping out of sight of the local law enforcement officers while performing these nefarious deeds is also quite challenging all of bill's qualities and expertise are needed at the climax a miscalculation lands the trio in hot water quick thinking and teamwork are called for in a battle reminiscent of the days of the early american western frontier this is a swift moving hard edged straight forward no nonsense story the hero has all of the qualities that legends are made of yet he retains his warmth and approachability here's hoping we meet bill davis again in the future

judy jacobs september 24 2005 create great product demos and sell more of your product with the strategies and inspiration in this book insightful interviews are presented with professionals who are giving killer product demos in several types of businesses today the strategies taught in this book are based on the analysis of product demos that made history and brought millions to their companies apple intel microsoft tesla and more every day thousands of companies give demos to sell their products in pre sales for enterprise software a bad demo can make your product look too complex to the point where decision makers won't buy it in software as a service saas you need to quickly convert signups into active and paying users at a product launch event you want a perfect demo that is both persuasive and memorable remember steve jobs what you'll learn apply a simple step by step method to create effective product demonstrations know the 5 steps to create a wow moment study the first exhaustive analysis of product demos that made history douglas engelbart's mother of all demos steve job's macintosh ipod and iphone and many more avoid common mistakes and maximize your presence as a technical presenter align your demo with your sales process in enterprise software software as a service saas mobile apps etc be aware of trends in technology for product demos who this book is for startup entrepreneurs sales engineers executive or sales representatives and other professionals no matter how good your message if your delivery is poor your audience won't receive it even a great message with poor delivery will result in a disengaged audience in my years of education on a bachelors and masters level from great christian institutions i learned the message of the bible but i didn't learn how to deliver that message it took me a decade of failure learning from great preachers and years of research to learn the principles in this book preach and deliver is a practical guide that will teach you the best practices for body language eye contact pauses humor illustrations notes and much more this book will change the way you deliver a sermon so that you can preach in a powerful way that grips the hearts and minds of your audience but reading alone will not make you a better preacher that's why at the end of every chapter i have included an action step to apply what you learned if you want to master the fundamentals of sermon delivery this book is for you this is the first edition of this title a revised edition has now been released 9781604919219 effective feedback whether it's meant for your boss your peers or your direct reports is built around three ideas one focus on the situation two describe the other person's behavior you observed in that situation and third describe the impact that behavior had on you the result is a message that is clear and that can inspire action and productive change

delivering successful pmos provides a clear framework to conceive design build prove and embody an enterprise pmo inside an organisation dealing with the strategic intentions the politics the people and the projects the book draws on the rare experience that ray mead through his organisation p3m global p3m global had in building an en consider this guide your starter kit for the world of business no matter where you are in your career path or in which industry if you're a young person just beginning your career path or a seasoned professional considering a new direction there's one crucial key to success insider advice that is learning from the best so that you have a grasp on how to navigate your career before you make the plunge the good news this book makes it easy in commit deliver cyrus freidheim management consultant two time ceo of public companies author of the trillion dollar enterprise and veteran of more than thirty corporate and nonprofit boards provides vital mentorship in memoir form using the framework of his storied career freidheim explores how career and personal decisions can be prepared for and made how to grow professionally and how to think through complex business problems from a practitioner's perspective commit deliver provides intimate insight into what management consultants do how they interact with their corporate clients and what it takes to become a good consultant it paints a picture of what life is like at the bottom of the business career ladder what is expected and what one must bring to the table most important it shows you what it takes to move up the ladder in virtually any industry finally he walks you through preparing for and living a productive retirement set in the times of the industrial revolution east of glasgow in the border town of coatbridge we follow the trials of isabel wishaw from childish adventures to a traumatized desperate young woman the central character in the story and daughter of peter wishaw an

ailing miner alice her home proud mother and jamie her brother who had recently joined his father to be discontented in the mine their living to exist circumstances journey thru rent evasion mining accident kidnapping and deceit and eventually good fortune leads them to immigrate to their uncles former farm in ireland all for the sake of peter who has the onset of consumption in an idyllic period the children enjoy their youth within a few years times become harder when rumors spread of a potato blight in the north in an attempt to escape the turmoil alice sees her daughters rebuff to the local squire as unacceptable as she envisaged her marrying him to be the only way out of depravation and increasing poverty unknowing to her father and mother isabel escapes one night out from the pressures of unrequited love and a mistrust of men mounted on her beloved horse beth only telling jamie of her plan she seeks a solution to all her misgivings sad findings at her aunts farm result in further escapades troubles and plans array to fulfill an intriguing tale of mystery and dispare a tale believed by mystics and a truth for some unbelievers
