based on an in depth examination of mexico s print and broadcast media over the last twenty five years this book is the most richly detailed account available of the role of the media in democratization demonstrating the reciprocal relationship between changes in the press and changes in the political system in addition to illuminating the nature of political change in mexico this accessibly written study also has broad implications for understanding the role of the mass media in democratization around the world

The Fourth Estate

2004-06

this annotated bibliography of nineteenth century british periodicals complete with a detailed subject index reveals how victorian commentaries on journalism shaped the discourse on the origins and contemporary character of the domestic imperial and foreign press drawn from a wide range of publications representing diverse political economic religious social and literary views this book contains over 4 500 entries and features extracts from over forty nineteenth century periodicals the articles cataloged offer a thorough and influential analysis of their journalistic milieu presenting statistics on sales and descriptions of advertising passing judgment on space allocations pinpointing different readerships and identifying individuals who engaged with the press either exclusively or occasionally most importantly the bibliography demonstrates that columnists routinely articulated ideas about the purpose of the press yet rarely recognized the illogic of prioritizing public good and private profit simultaneously thus highlighting implicitly a universal characteristic of journalism its fractious ambiguous conflicting behavior

Parameters

1990

this book explores the ways in which translation deals with sexual and textual undecidability adopting an interdisciplinary approach bridging translation transgender studies and queer studies in analyzing the translations of six texts in english french and spanish labelled as trans rose draws on experimental translation methods such as the use of the palimpsest and builds on theory from areas such as philosophy linguistics queer studies and transgender studies and the work of such thinkers as derrida and deleuze to encourage critical thinking around how all texts and trans texts specifically work to be queer and how queerness in translation might be celebrated these texts illustrate the ways in which their authors play language games and how these can be translated between languages that use gender in different ways and the subsequent implications for our understanding of the act of translation and how we present our gender identity or identities in showing what translation and transgender identity can learn from one another rose lays the foundation for future directions for

seventeenth century origins to the present day in the spirit of dr johnson s lives of the poets acclaimed critic and scholar john sutherland selects 294 writers whose works illustrate the best of every kind of fiction from gothic penny dreadful and pornography to fantasy romance and high literature each author was chosen professor sutherland explains because his or her books are well worth reading and are likely to remain so for at least another century sutherland presents these authors in chronological order in each case deftly combining a lively and informative biographical sketch with an opinionated assessment of the writer s work taken together these novelists provide both a history of the novel and a guide to its rich variety always entertaining and sometimes shocking sutherland considers writers as diverse as daniel defoe henry james james joyce edgar allan poe virginia woolf michael crichton jeffrey archer and jacqueline susann written for all lovers of fiction lives of the novelists succeeds both as introduction and re introduction as sutherland presents favorite and familiar novelists in new ways and transforms the less favored and less familiar through his relentlessly fascinating readings

Perceptions of the Press in Nineteenth-Century British Periodicals

2013-10-15

using marxism anarchism and social ecology to explore domination power and hierarchy the author criticizes the use and abuse of animals in capitalist society and argues for the abolition of animal involvement in industry and as a human food source
