The Review Response Genre

2023-10-26

expanding the scope of the metadiscourse construct ho offers a comprehensive analysis of the online review response genre using hotel managers responses to negative reviews posted by dissatisfied customers on tripadvisor he adopts a robust research methodology that involves both quantitative and qualitative analyses of three different types of data managerial responses to negative comments questionnaire responses from dissatisfied customers who wrote the reviews and interview responses from hotel managers who wrote the responses by drawing upon the genre theory and the construct of rapport and metadiscourse the analysis shows that hotel management s attempts at service recovery can be materialized through the move structures of the managerial responses and the strategies used in managing rapport with dissatisfied customers and in persuading both existing and potential customers to purchase accommodation services from the hotels an essential reading for students and researchers of pragmatics and professional communication along with anyone interested in the role of language in persuading customers neutralizing criticisms and managing interpersonal relationships particularly in the context of open forums online

Government's Response to the Heseltine Review

2013-03-18

lord heseltine no stone unturned in pursuit of growth available at bis gov uk assets biscore corporate docs n 12 1213 no stone unturned in pursuit of growth made 89 wide ranging recommendations to the government across areas of public policy that affect economic growth today the government announced it is accepting the overwhelming majority of these recommendations and setting out how the government is addressing the priorities lord heseltine identified equipping the uk to compete and thrive in the global race at the heart of this is action to reverse excessive centralisation freeing local areas from whitehall control and giving businesses and local leaders the power and the funding to do what they need to achieve their potential the government will create a new single local growth fund from 2015 that will include the key economic levers of skills housing and transport funding with full details set out at the forthcoming spending round it will also harness the power of competition to get the best from places negotiating a local growth deal with every local enterprise partnership lep with the allocation of the single local growth fund reflecting the quality of their ideas and local need this is a something for something deal and local areas will be challenged to put in place the right governance across local authorities pool resources and find match funding from the private sector 2 6 billion has already been allocated through the regional growth fund forecast to deliver and safeguard 500 000 jobs and 13 billion of private investment
