We Shall Remember

2014-08-14

set against the second world war this is a powerful and well written wartime drama that asks the question what would you do under fire perfect for fans of annie groves and lily baxter a touching thought provoking saga lancashire guardian 1939 irena is a young medical student living in warsaw when the german army invade poland those closest to her are dying and when irena realises that no one is coming to poland s aid it s clear that she is alone forced to flee to britain irena meets richard a raf pilot who she s instantly drawn to and there s a glimmer of happiness on the horizon and then the war becomes more brutal and in order to right a never forgotten wrong irena must make an impossible decision 1989 decades later sarah s mother is left a home in skye and another in edinburgh following the death of lord glendale a man she s never met and only on the condition that magdalena drobnik a woman she s never heard of is no longer alive sarah s only clues to this mystery are two photographs she doesn t understand but she s determined to discover the truth not knowing that she s about to begin a journey that will change her life gripping poignant and honest we shall remember is an incredibly powerful story about the choices we make under fire it will stay with you long after you ve turned the final page
