answers valuable exam insights with 2000 ncert exemplar questions extensive practice 2 model papers 3 online model papers the use of language especially for second third languages or foreign languages is inseparable from errors in either oral or written use in analyzing these language errors the approach used is contrastively and non contrastively this book covers what is means by error and mistake types of language learning errors such as global and local error in its taxonomies errors observed in the acquisition of english as a second language as 1 overgeneralization 2 ignorance of rule restriction 3 incomplete application of rules and 4 false concepts hypothesized sources of errors are divided into 1 interference transfer 2 intralingual transfer 3 context of learning and 4 communication strategies in conducting error analysis there are several procedures that can be used as a reference 1 collecting a sample of learner language 2 identifying the errors 3 describing the errors and 4 explaining the errors analysis of these language errors both oral and written is needed because the results of the analysis will indicate the treatment that can be done for language learning description of the product 100 updated for 2023 24 with latest reduced karnataka pue syllabus concept clarity with concept wise revision notes mind maps mnemonics 100 exam readiness with previous year s questions board scheme of valuation answers valuable exam insights with 2000 ncert exemplar questions extensive practice 2 model papers 3 online model papers the eleven essays in this book cover a wide range of topics from the role of interlanguage and the influence of external factors on the process of language learning to the development of syntax and the methodology of error analysis collectively they provide a valuable perspective on the learning process which both enriches our theoretical understanding of the processes underlying second language acquisition and suggests ways in which teaching practice may best exploit a learner s skills counter responsibility for planning language teaching programs now carries with it a strong element of accountability evaluation of the whole process of course design development and implementation is therefore a necessary area of activity for course designers language planners and researchers this book brings together accounts of recent work in this increasingly important field and will be a valuable resource both for those already engaged in evaluation and for those in training part one presents a review of the literature covering past developments in the wider field of educational evaluation as well as specifically in second language education part two contains a series of eight original case studies written by scholars involved in evaluations in widely divergent settings the focus in each case is on how the evaluator addresses the difficulties central to each study and the findings are also included the final part three provides practical guidance for evaluators offering suggestions about how to set up and carry out evaluations in any given setting publisher s website up to date information on 1 780 colleges and universities career planning has become a survival skill in today s world choosing a career should be by choice and not by chance but how to choose the right career what are the factors one should consider while choosing a career a complete guide to career planning is about how to decide the direction your career will take the purpose behind writing this book is to make you conversant with the various career options that you can pursue and enable you to select the right career you most fit in the author has meticulously explored and mapped the cavernous paths of the globe of careers which exist presently the book provides a straightforward introduction to the concepts of career choices and the importance of planning it emphasises the importance of self exploration by empowering readers to look at themselves their strengths and weaknesses and their background and values and then realistically evaluate the various opportunities in the world of career with this comprehensive guide a student can learn how to explore career options plan a career path and find the right school and colleges for higher studies that will help him achieve his goals easily and convincingly the book includes all the information you need to plan your future and take control of your career a modified and enlarged version of the project report

english in india sociolinguistic and social psychological perspectives a pilot study submitted to the british council new delhi in march 1995 a random sample of 1 128 informants from different capital cities and age groups as well as in depth interviews with 73 professionals educators and politicians were used to determine the status role and function of english from the time it was introduced in india to present a profile of the needs attitudes and motivation of its users and to examine how young people visualize the space of english in tomorrow s india
