Gordon could not take his eyes off her as she neared. Hello Harry, how are you? Ruby said smiling prettily as she passed. Just fine, Ruby. Nice to see you. Nice to see you too, Harry. Who is that? Beauty, Gordon asked. He was standing in the middle of the sidewalk, gawking after Ruby. I'd like to whisper sweet nothings in her ears until honey dripped from her lips. Sure, you would. Wouldn't every stud in town? She's Ruby Cole, Doctor Cole's daughter. Adultery, divorce, greed, betrayal, hatred, and revenge are sins and indiscretions that are common among two families, the Coles and Hamricks, who are brought together by destiny. Stick, also known as Gordon Hamrick, blames God for the loss of his leg and turns away from him, vowing never to ask God for anything again. He instead becomes determined to make a good life for himself and by himself. In spite of his handicap, he is plagued by an inward fear to trust God but refuses to confront it and continues in his pursuit of misguided happiness through bootlegging, drinking, gambling, and adultery. Each of his successes in life, both legal and illegal, is followed by tragedy and loss. It is only by the grace of God and the love and help of his wife Ruby that he survives. Dingler has painted a backdrop so utterly realistic, down to the minutest detail, that the reader gets lost in an America long since past. Lynn Gerlach, all write communication consultant.

Zubaida is on a journey to unearth the past. It will lead her from the corridors of Harvard to the scorching deserts of Pakistan and the bones of an ancient whale. It will carry her back to Bangladesh and the dark horrors of a ship-breaking yard. Here, deep inside a beached ocean liner steeped in mystery and tragedy, lies the key to her story and a lifeline to the man she loves but whose heart she may never win back. Echoing with loneliness and longing, *The Bones of Grace* is a story of lost love and conflicted identity, of the urgent need to discover who we are before we can truly belong anywhere and truly love anyone.

Stick 2011

Katie and Dolly are two lively girls in Tumbling Creek in the mountains of Virginia. A story of a time and place long gone that will bring joy and a sense of nostalgia.

The Bones of Grace 2016-05-19

This new version of William Wycherley's most famous classic, *The Country Wife*, has been adapted by Tanika Gupta, one of the country's leading playwrights. This contemporary farce tells the story of twenty-something friends and rivals on their journey through love and liberation. Following Hardeep's return to London, he begins broadcasting his newly invented celibate state in a bid to attract women keen to reignite his passion for them. With this deception more than successful, his endeavours turn to the naive Country Wife, Preethi Alok's virgin bride, to settle unfinished business between old friends. A fast-paced comedy laced with deception, disguise, and lustful behaviour brought about by double standards, adultery, and promiscuous living, *Country Wife* was performed at the Watford Palace Theatre in October 2004.

Fans of Louise Penny will love the Emily Kincaid mysteries by Elizabeth Kane Buzzelli. Elizabeth Kane Buzzelli is a rather rare jewel among writers; she can make you laugh, keep you interested, and make you angry with a certain character all at the same time. It is these conflicting emotions that make me return to her writing time and again. Goodreads on Dead Sleeping Shaman: Even the beauty of Northern Michigan can't put a smile on the face of Emily Kincaid's perpetually cranky friend, Deputy Dolly Wakowski. And when someone tries to destroy the only family Dolly has ever had, her crankiness turns lethal. Even as the crime threatens to overwhelm her, still struggling in her career as a mystery writer, Emily takes a deep breath before stepping in to help as they launch their search for Dolly's assailant. And the investigation deepens: two strange clues emerge, the attacker's trademark black jellybeans and a note to Dolly reading, 'Thou shalt not steal.' With Dolly's disposition growing more sour by the day and Emily growing more curious, the two encounter a violent and abusive boyfriend, dig up old clues from Dolly's painful past, and strengthen a

friendship that s as odd as it is perfect but before dolly and emily can puzzle it all out a loved one of dolly s will be murdered another will be kidnapped and a long awaited confrontation between a mother and a daughter will heal at the very moment it kills rave reviews for the emily kincaid mysteries dead dancing women every woman who s ever struggled with saying no fitting in and balancing independence against loneliness will adore first timer emily kirkus reviews dead floating lovers a mystery that keeps you guessing together with the story of a woman slowly finding her voice kirkus reviews dead sleeping shaman buzzelli s well crafted third emily kincaid features sharp prose and spirited characterizations publishers weekly readers will find the same strong sense of place and great characters that are hallmarks of sarah graves and philip craig library journal dead dogs and englishmen a kirkus reviews best book of 2011 buzzelli will have you packing your bags for a move to northern michigan kirkus reviews starred review emily is a detective for our times she can t afford health care but she can make flour out of cat tails and work three jobs at once christian science monitor
