Preparing for Confirmation: 50 Things Every Catholic Should Know

2014-10-17

in literature what every catholic should know joseph pearce provides a survey of literary works of which all catholics should be aware beginning with homer and virgil the book progresses chronologically through the greatest works of all time including dante chaucer shakespeare jane austen dickens chesterton eliot tolkien and lewis

What Every Catholic Should Know

1961

2002 catholic press association award winner one of the most significant changes initiated by the second vatican council was the direct encouragement for catholics to rediscover the bible unfortunately education has lagged behind catholic interest in exploring the bible and its mysteries consequently vital questions including how to read and interpret the bible remain unanswered for many christians in biblical fundamentalism father ronald witherup offers catholics a guide to the questions that arise when they desire to use the good book in their personal lives father witherup provides an overview of the origins history basic tenets and problems with biblical fundamentalism and its influence in contemporary culture he summarizes catholic teaching on the bible and points out both the strengths and the weaknesses in the fundamentalist approach to the bible he also provides a concise but thorough response to questions that catholics have about fundamentalism and discusses resources for further study biblical fundamentalism is divided into five chapters the first chapter explains the historical origins of christian biblical fundamentalism and why it is a uniquely american phenomenon the second chapter outlines the main tenets of fundamentalist faith and how it approached the bible the third chapter does the same for the catholic faith the fourth chapter explores why biblical fundamentalism is attractive in our day and offers a critique of it finally the fifth chapter imparts some practical advice about how to fashion a sensible and courteous catholic response to fundamentalism chapters are the origins of biblical fundamentalism bible basics a fundamentalist approach to the bible bible basics a catholic approach to the bible evaluating fundamentalism and a catholic response to fundamentalism ronald d witherup ss phd is provincial of the u s province of supicians and former academic professor of sacred scripture at st patrick's seminary in menlo park california he holds a doctorate in biblical studies from union theological seminary in richmond virginia he is the author of conversion in the new testament a liturgist's guide to inclusive language and is a contributor to the collegeville pastoral dictionary of biblical theology

Literature

2019-05-15

part of the what every catholic should know series god what every catholic should know is born out of the recognition that god is central to the faith but we encounter misconceptions about god all the time foggy thinking about god can deeply affect our faith and our ability to communicate it to other people in an effort to move us from foggy to clear thinking god what every catholic should know addresses three major concepts the nature of god the trinity and the incarnation some of us might protest that we are not smart enough to do theology and that less is more when it comes to contemplating the divine we might even think that too much theology detracts from simple faith but if god is perfect wonderful all goodness love itself as the bible tells us in 1 john 4 8 it would be strange indeed if we did not want to give our whole selves to god including our mind after all the lord himself tells us you shall love the lord with all your heart and with all your soul and with all your mind and with all your strength mark 12 30 book jacket

Biblical Fundamentalism

2001

here are the saints and sinners popes and kings that god used to shape his church and change the world you ll meet clovis and charlemagne luther and pope leo suleiman and st francis the arians the franks the huguenots and others whose sins or sacrifices altered the course of history here too are the wars and plagues the ideas and institutions and yes the miracles that gave birth to our christian civilization and often threatened to doom it experience the battles of tours and lepanto the crusades the russian revolution and fatima the miracle that foretold and offered a way to prevent the conflicts that killed millions in the twentieth century wars and terrorism have rendered the first years of our new century no less bloody has god now abandoned us ten dates every catholic should know finds the answer in history from the first days of the christian era at key moments when civilization hung in the balance god has intervened sometimes subtly sometimes dramatically but ever and always he has come forward himself or given strength to those who were faithful to him

What Every Catholic Should Know

1924

series summary the new what every catholic should know series is intended for the average faithful catholic who wants to know more about catholic faith and culture the authors in this series take a panoramic approach to the topic of each book aimed at a non specialist but enthusiastic readership forthcoming titles planned for this series include the eucharist salvation history art and philosophy book summary in mercy what every catholic should know fr daniel moloney covers a broad range of topics regarding mercy that are prevalent for our society today beginning from an unexpected perspective in the first half of the book fr moloney approaches mercy from a political point of view explaining how mercy is in fact truly and intimately interwoven with politics and power through this lens he touches upon pertinent topics such as legal punishments the death penalty and self defense he also assesses the clergy scandals laying out why they occurred what went wrong in how they were dealt with and how the church can improve moving forward for the greater glory of god he eloquently explains how mercy is not synonymous with leniency but is an act of responding to a privation a lack of something which ought to be there sometimes the road to this may have to be tough love for the

good of all involved fr moloney invites the reader to wrestle with the supposed contradiction of god saying that he is merciful yet killing and punishing his creation moloney ultimately resolves this apparent contradiction by highlighting god s identity as the loving father explaining how similar to good earthly fathers sometimes the most loving route to take in truly loving your children and bringing them to their ultimate good is through the course of tough love god is always good and loving and his justice and mercy go hand in hand

a turning point for the catholic church as joe sixpack the every catholic guy put the finishing touches on this fourth volume the pew research center released a survey of mass attending catholics that said only 30 of them believe in the real presence of christ in the holy eucharist a decade ago this figure was 70 the biggest problem is that 100 of catholics should believe in the real presence it is feckless to believe that 70 of catholics woke up one morning and suddenly decided that they no longer believed in the real presence these catholics didn t suddenly decide this but rather they were never taught in the first place since the eucharist is at the very core of catholic beliefs we have to assume that this means at least 70 of catholics are wholly ignorant of the divinely revealed truths of catholicism all four volumes of the best of what we believe why we believe it will cure catholics of their catechetical illiteracy in fact these four volumes are the best way to learn the faith in a way that boredom never becomes a problem joe sixpack the every catholic guy s unique style of conveying catholic truth so that every common catholic in the pew can understand it as well as his down to earth explanations of why the church teaches what she does makes this book and its companion three volumes must reading if you want to know anything about catholicism joe sixpack the every catholic guy uses stories anecdotes humor and no small amount of political incorrectness to convey the constant 2000 year teachings of the church check out a few of the chapter titles proving the inspiration of scripture yankees is different how to respond to scandal the husbands survival guide the cantankerous catholic jesus and moses a modern twist get your copy of the best of what we believe why we believe it today and start a whole new adventure

Mercy

2020-04-09

an excellent handbook on common catholic prayers this list is extensive

100 Saints Every Catholic Teen Should Know

2019-03

this book provides the missing pieces to the jigsaw puzzle we call jesus the missing pieces are so different from the existing pieces present in the gospels of the new testament that a new and unfamiliar picture of jesus emerges without this book and especially the gospel of simon of cyrene it is impossible to understand jesus and his life what has come before is rendered irrelevant and incoherent for example the dominant culture in the roman empire and judea was greek no jewish or that jesus believed in judaism in terms of greek philosophy so much we as catholics hear about our church comes from protestant sources without such information being identified as such popular opinions become accepted as fact when it is not challenged as false the author presents primary source material which will clearly separate fact from fiction once the readers read the words of jesus and his deeds in this book they will understand the man and his mission the testimony of the early church fathers is there for anyone to read and comprehend the catholic nature of the early church truly this book has in it what every catholic should know about their faith and church

100 Things Every Catholic Teen Should Know

2015-06-01

more than just another book about mary this volume is a handy compendium of catholic doctrine this timeless classic originally published by benziger brothers in 1909 is the sort of book every catholic should have on the family bookshelf contents include the importance as well as the benefits in seeking the intercession of the saints novenas for the feasts of the blessed virgin along with notes about their proper observance including the importance of thanksgiving afterwards an introduction to the devotion to the fourteen holy helpers together with legends and novenas for each prayers and litanies every catholic should know including the stations of the cross a collection of the wisdom of the saints for every day of the year and finally a thorough discussion of the major practices of the catholic church with a focus on the strength of reason and tradition in each taken together this practical manual is sure to be a valuable addition to the bookshelf of every catholic family
